Redemption In Black Theology By Moyd Olin P

Damian Alan Pargas, Felicia Roşu

Redemption In Black Theology By Moyd Olin P:

Defining Salvation in the Context of Black Theology James T. Murphy, Jr., 2012-08 An initial introduction to the study of Christian theology is both exciting and invigorating for students of its discipline One can become enameled in the classic perspectives of theology without any consideration of a possible alternative Defining Salvation in the Context of Black Theology is an exit from the classic conviction that trumpets the doctrine of soteriology attributing its substance to the posture of eternity while ignoring the importance of salvation in the existential Careful not to reject the question of eternal life but examining the nuances of the term salvation empowers this work to present the like manner essential that having salvation is just as much about now than it is in the here after *Methodologies of Black Theology* Frederick L. Ware, 2008-02-01 Frederick L Ware provides a classification and criticism of methodological perspectives in the academic study interpretation and construction of black theology in the U S from 1969 to the present and establishes and recognizes three different schools of academic black theology The Black Hermeneutical School The Black Philosophical School The Human Sciences School Similarities and differences are delineated in the identification of each school s representative thinkers and their views on the tasks content sources norm method and goals of black theology *T&T Clark Handbook of Pneumatology* Daniel Castelo, Kenneth M. Loyer, 2020-09-17 This handbook provides an interdisciplinary and diverse reference work to the Holy Spirit Daniel Castelo and Kenneth M Loyer gathered together a wide range of voices that are religiously geographically and ethnically diverse bringing theology into conversation with biblical studies ethics and morality and global Christian studies The T T Clark Handbook of Pneumatology examines the Holy Spirit in a variety of sources such as the Synoptic Gospels the Catholic Epistles the Old Testament and the Hebrew Scriptures It also includes chapters on key concepts in the field such as mediation and sacramentality ecology and creation This broad scope enables readers to appreciate how nuanced the field of Pneumatology is and how it can be relevant for other Christian discourses *From Skepticism to Hope* Selwyn E. Arnold, 2010-05 In 1961 Dr Selwyn Arnold served in England and Wales as the first National Youth C E Director and National Secretary of the New Testament Church of God He earned a B Sc in Biblical Historical Studies from Lee University M A from the C O G School of Theology and a D Min from N Y Theological Seminary In 1966 Dr Arnold was appointed to Ghana to serve as the first appointed Missionary Overseer by C O G and first black missionary to Nigeria He and his wife built several churches Bible schools and medical clinics He was later appointed to England and Wales as Administrative Bishop for 10 years In 1994 Dr Arnold pastored Bridgeport C O G CT and was later appointed Administrative Bishop of New Jersey for 8 5 years then he became the first black minister to serve as Missions Representative in the C O G Now retired Dr Arnold continues his focus on Missions in Africa **African American Preaching** Gerald Lamont Thomas, 2004 Four centuries of African American preaching has provided hope healing and heaven for people from every walk of life Many notable men and women of African American lineage have contributed

through the art of preaching to the biblical emancipation and spiritual liberation of their parishioners In African American Preaching The Contribution of Dr Gardner C Taylor Gerald Lamont Thomas offers a historical overview of African American preaching and its effect on the cultural legacy of black people noting the various styles and genius of pulpit orators The book s focus is on the life ministry and preaching methodology of one of this era s most prolific voices Dr Gardner C Taylor and should be read by everyone who takes the task of preaching seriously Critical Readings on Global Slavery Damian Alan Pargas,Felicia Roşu,2017-12-05 The study of slavery has grown strongly in recent years as scholars working in several disciplines have cultivated broader perspectives on enslavement in a wide variety of contexts and settings Critical Readings on Global Slavery offers students and researchers a rich collection of previously published works by some of the most preeminent scholars in the field With contributions covering various regions and time periods this anthology encourages readers to view slave systems across time and space as both ubiquitous and interconnected and introduces those who are interested in the study of human bondage to some of the most important and widely cited works in slavery studies

Integrative Theology Gordon R. Lewis,Bruce A. Demarest,2010-09-21 Integrative Theology is designed to help graduate students in a pluralistic world utilize a standard method of fruitful research Each chapter on a major doctrine 1 states a classic issue of ultimate concern 2 surveys alternative past and present answers and 3 tests those proposals by their congruence with information on the subject progressively revealed from Genesis to Revelation Then the chapter 4 formulates a doctrinal conclusion that consistently fits the many lines of biblical data 5 defends that conviction respectfully and finally 6 explores the conclusion s relevance to a person s spiritual birth growth and service to others all for the glory of God Why the title Integrative Theology In each chapter steps 2 6 integrate the disciplines of historical biblical systematic apologetic and practical theology **The Cross and Salvation (Hardcover)** Bruce Demarest,2006-08-01 With America s confidence in the Bible at an all time low and the strength of her spiritual convictions waning it is essential for Christians especially Christian leaders to be well grounded in biblical theology To have a clear and comprehensive understanding of the key doctrines of evangelicalism In response professor and award winning author Bruce Demarest has made plain God s glorious plan of salvation his provision for the human dilemma through Christ s work on the cross and the application of saving grace to unbelievers Demarest s unique approach defines each topic identifies its most pressing issues examines the ways in which the doctrine has been understood historically and interprets the Bible s revelation The result is a clear and carefully constructed doctrinal statement that you can defend live out and communicate to others This singular comprehensive treatment of one of Christianity s essential doctrines gives definitive Bible based answers about salvation and the cross and about related theological issues such as grace and regeneration It s perfect for clarifying your theology and gaining deep understanding of this foundational theme Part of the Foundations of Evangelical Theology series *The Cambridge Companion to Black Theology* Dwight N. Hopkins,Edward P. Antonio,2012-07-26 This volume discusses normative theological

categories from a black perspective and argues that there is no major Christian doctrine on which black theology has not commented Part One explores introductory questions such as what have been the historical and social factors fostering a black theology and what are some of the internal factors key to its growth Part Two examines major doctrines which have been important for black theology in terms of clarifying key intellectual foci common to the study of religion The final part discusses black theology as a world wide development constituted by interdisciplinary approaches The volume has an important role in bringing Christian thought into confrontation with one of the central challenges of modernity namely the problem of race and racism This Companion puts theological themes in conversation with issues of ethnicity gender social analysis politics and class and is ideal for undergraduate and graduate students *Practical Theology for Black Churches* Dale P. Andrews, 2002-01-01 Exploring the concept of church as refuge offers a way to bridge the gap between black theology with its social and political concerns and black churches with their emphases on pastoral care and piety **Beyond Eden** Courtney Pace, 2022-03 A major figure in African American social justice movements and Black theological praxis and theory Rev Dr Prathia Laura Ann Hall 1940 2002 had not been the subject of a book length critical study until Courtney Pace s *Freedom Faith The Womanist Vision of Prathia Hall* was published by the University of Georgia Press in 2019 Now with the publication of *Beyond Eden The Collected Sermons and Essays of Prathia Hall* Pace provides a volume of seminal importance to the fields of womanist theology and ethics Black church history and African American history *Beyond Eden* explores Hall s preaching and research curating a collection of her work to expand scholarship on her influence on American religion and Black churches Hall pioneered womanist preaching embodying the necessary interconnections among theology social science history and practical ministry She was a master organizer not only leading her congregation but facilitating collaborations among national regional and local organizations to serve Black churches and Black communities The sermons and essays in this volume showcase Hall s womanist preaching brilliance the seamless connection between church and the academy in her work and her understanding of the gospel as *Freedom Faith* A trailblazer in the womanist movement of the 1980s and 1990s Hall merged Christian ethics with Black feminist thought during decades of civil rights activism and preaching Although she had very few publications due to the demands of her multifaceted vocation health limitations and familial responsibilities her extensive work has been transcribed from handwritten notes and audio recordings by editor Courtney Pace **This Far By Faith** Judith Weisenfeld, Richard Newman, 2014-04-23 *This Far By Faith* brings together a collection of essays on the religious identities and experiences of African American women Spanning from the period of slavery to the present the essays profile American figures such as Sojourner Truth Harriet Tubman and Willie Mae Ford Smith exploring the role that religious institutions and impulses played in their lives *Grotesque Relations* Susan Edmunds, 2008-08-14 In this book Susan Edmunds explores the relationship between modernist domestic fiction and the rise of the U S welfare state This relationship which began in the Progressive era emerged as maternalist reformers developed an inverted discourse of social

housekeeping in order to call for state protection and regulation of the home Modernists followed suit turning the genre of domestic fiction inside out in order to represent new struggles on the border between home market and state Edmunds uses the work of Djuna Barnes Jean Toomer Tillie Olsen Edna Ferber Nathanael West and Flannery O Connor to trace the significance of modernists radical reconstitution of the genre of domestic fiction Using a grotesque aesthetic of revolutionary inversion these writers looped their depictions of the domestic sphere through revolutionary discourses associated with socialism consumerism and the avant garde These authors used their grotesque discourses to deal with issues of social conflict ranging from domestic abuse and racial violence to educational reform public health care eugenics and social security With the New Deal the U S welfare state realized maternalist ambitions to disseminate a modern sentimental version of the home to all white citizens successfully translating radical bids for collective social security into a racialized order of selective and detached domestic security The book argues that modernists engaged and contested this historical trajectory from the start In the process they forged an enduring set of terms for understanding and negotiating the systemic forms of ambivalence alienation and conflict that accompany Americans contemporary investments in family values

The Oxford Handbook of African American Theology Katie G. Cannon, Anthony B. Pinn, 2014-07-01 Named an Honor Book for Nonfiction by the Black Caucus of the American Library Association African American theology has a long and important history With modern roots in the civil rights movements of the 1960s African American theology has gone beyond issues of justice and social transformation to participate in broader dialogues of theological inquiry The Oxford Handbook of African American Theology brings together leading scholars in the field to offer a critical and comprehensive analysis of this theological tradition in its many forms and contexts Using an interdisciplinary approach this Oxford Handbook examines the nature structures and functions of African American Theology The volume surveys the field by highlighting its sources doctrines internal debates current challenges and future prospects in order to present key topics related to the wider palette of Black Religion in a sustained scholarly format This formative collection presents current scholarship on African American Theology and scripture eschatology Christology womanist theology sexuality ontology the global economy and much more The contributors represent a diverse set of faith perspectives adding to the layered discourses within the volume These essays further important discussions on the pressing debates and challenges that shape black and womanist theologies

African American Religious Studies Gayraud S. Wilmore, 1989 This anthology provides a coherent interdisciplinary theoretical base for students of African American religious studies and will assist in the design of programs and courses for lay theological education and training To this end the editor has assembled material from Old and New Testament studies theology church history pastoral counseling worship and social action

The Divided Mind of the Black Church Raphael G. Warnock, 2013-12-06 An altar call to action from the U S senator and senior pastor at Atlanta's Ebenezer Baptist Church Publishers Weekly What is the true nature and mission of the church Is its proper Christian purpose to save souls or to

transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community's fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm's length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church's essential mission An informative work for historians theologians and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century *Journal of African American History* As a person who is not Black reading this book provided a learning experience for me I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all as fellow Christians blend the goals of saving lost people and moving the culture toward equality for everyone

Ministry Well written and meticulously researched

The Christian Century **Disciples of Liberty** Lawrence S. Little, 2000 Further it examines the attitudes of ordinary elders and laypersons showing that they closely followed current events and demonstrating that AME leadership also was exercised from the bottom up A century ago the AME Church recognized that prejudice at home was also a reflection of imperialism abroad By focusing on the theme of liberty Little's study offers new insights into that era and shows how African Americans developed a stand on universal human rights and self-determination

BOOK JACKET **American Prophecy** George M. Shulman, 2008 Prophecy is the fundamental idiom of American politics a biblical rhetoric about redeeming the crimes suffering and promise of a special people Yet American prophecy and its great practitioners from Frederick Douglass and Henry Thoreau to Martin Luther King James Baldwin and Toni Morrison are rarely addressed let alone analyzed by political theorists This paradox is at the heart of *American Prophecy* a work in which George Shulman unpacks and critiques the political meaning of American prophetic rhetoric In the face of religious fundamentalisms that associate prophecy and redemption with dogmatism and domination *American Prophecy* finds connections between prophetic language and democratic politics particularly racial politics Exploring how American critics of white supremacy have repeatedly reworked biblical prophecy Shulman demonstrates how these writers and thinkers have transformed prophecy into a political language and given redemption a political meaning To examine how antiracism is linked to prophecy as a vernacular idiom is to rethink political theology recast democratic theory and reassess the bearing of religion on American political culture Still prophetic language is not always liberatory and *American Prophecy* maintains a critical dispassion about a rhetoric that is both

prevalent and problematic

The Motif of Hope in African American Preaching during Slavery and the Post-Civil War Era

Wayne E. Croft Sr., 2017-10-16 *The Motif of Hope in African American Preaching during Slavery and the Post Civil War Era* There's a Bright Side Somewhere explores the use of the motif of hope within African American preaching during slavery 1803 1865 and the post Civil War era 1865 1896 It discusses the presentation of the motif of hope in African American preaching from an historical perspective and how this motif changed while in some instances remained the same with the changing of its historical context Furthermore this discussion illuminates a reality that hope has been a theme of importance throughout the history of African American preaching

Black Christology and the Quest for Authenticity

John H. McClendon III, 2019-05-03 *Black Christology and the Quest for Authenticity* A Philosophical Appraisal constitutes a philosophical inquiry on Black Theology and its attendant Black Christology Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race Clearly the philosophy of race in terms of its substance and scope is continually expanding Notably the philosophy of religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race Therefore *Black Christology and the Quest for Authenticity* A Philosophical Appraisal stands as a unique contribution to philosophy of race Summarily while this book tackles the formidable problem of Christian theological subject matter nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology Subsequently while the object of our investigation substantively remains theological in character the method of investigation is guided by philosophical inquiry which is based on secular principles Furthermore although most mainstream works in philosophy of religion along with theology neglect to examine African American theologians and philosophers the subject matter of Black Christology substantially facilitates in filling this intellectual void

Delve into the emotional tapestry woven by Crafted by in **Redemption In Black Theology By Moyd Olin P** .
