Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry

Rediscovering God's Church -CHINESE Derek Prince, 2019-04-10 Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it's time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission Through biblical references and personal stories they

show readers God's true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ. In an age of church shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks. God of All Things Andrew Wilson, 2021-03-02. Abstract theology is overrated for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or eagle. In God of All Things, pastor and author Andrew Wilson invites you to rediscover God in this way too through ordinary everyday things. He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God. Marvels like dust, the image of God, horns, the salvation of God, donkeys, the peace of God, water, the life of God, viruses, the problem of God, cities, the kingdom of God. God of All Things will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all. **Rediscovering New Testament Prayer** John Koenig, 2004-04-09. John Koenig presents a rich variety of prayer practices that reflect the real prayer experience of Christ and his followers. Recapturing the earliest believers' extraordinary encounters with the Holy Spirit, Koenig offers prayer as instruction for the mind, renewal of the spirit, and help in effecting positive change in one's life. The first comprehensive textbook on effective church planting from a veteran church planter. The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder, and there is much we can learn from his example. Paul indicated that there were basic skills and experiences required to successfully plant a church. Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament. During his time

in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic

Rediscovering Jesus in Our Places Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches

Are We Doing Church Wrong?: Rediscovering God's Divine Design for His Church Douglas B. Levy,2021-04-22 How do you define church And more importantly do you know how the Bible defines church What if God s design for the church was the opposite of how we ve been approaching it God designed the Church He has declared in the Scriptures what the Church is and what the Church is to be about yet our Churches for the most part don t resemble what we read in the Bible This book explores the 5 Major Foundational Identities of the Church that we find in the Bible The Family the Bride the Body the Temple and the Army Doug challenges the Modern Church culture to rethink and realign itself with its Biblical Identities so

Lathrop, 2008-07 In Ephesians 4:11 the apostle Paul tells us that Jesus gave apostles prophets evangelists pastors and teachers to the church He did this in the days of the New Testament the question is does Jesus still give all of them to the church today This book seeks to address this question In this book you will find The ministries of apostles prophets evangelists pastors and teachers defined Names of people in the Bible who held these ministries Descriptions of each ministry from a biblical historical perspective An examination of the contemporary expressions of the ministries of evangelists pastors and teachers Answers to objections about the presence of apostles and prophets in the church today A case for the continuance of the ministries of apostles and prophets in the modern church A description of the ministries of apostles and prophets in the contemporary church John P Lathrop is a graduate of Zion Bible College and Gordon Conwell Theological Seminary He is an Ordained Minister with the International Fellowship of Christian Assemblies and is currently active in pastoral ministry at the Christian Pentecostal Church in Newton MA In addition to pastoring he regularly writes for Vista magazine the official publication of the International Fellowship of Christian Assemblies and for the Pneuma Review a publication of the Pneuma Foundation He has ministered overseas in the countries of Indonesia and Zimbabwe He and his wife Cynthia are the parents of five adult children Carrie Joshua Deborah Stephen and Daniel The Lathrops also have two grandchildren **Understanding the Revelation** Michael Scantlebury, 2023-02-28 As we study the prophecy within this book we will see how it ties in with Jesus' prophecy recorded in Matthew 24 **Faith's Knowledge** Paul Tyson, 2013-05-02 Can we know truth even though certain proof is unattainable Can we be known by Truth Is there a relationship between belief and truth and if so what is the nature of that relationship Do we need to have faith in

reason and in real meaning to be able to reason towards truth These are the sorts of questions this book seeks to address In Faith s Knowledge Paul Tyson argues that all knowledge that aims at truth is always the knowledge of faith If this is the case then against our modernist cultural assumptions about knowledge truth cannot be had by proof Yet if this is true then mere information and simply objective facts do not for us as knowers exist Knowledge is always embedded in belief and knowledge and belief is always expressed in relationships histories narratives shared meanings and power Hence a theological sociology of knowledge emerges out of these explorations in thinking about knowledge as a function of faith
