

A person stands in a dark, misty forest, looking up at two large, glowing, spherical portals. Each portal is filled with a vibrant, swirling galaxy of stars and nebulae in shades of blue, purple, and orange. The person is silhouetted against the bright light of the portals. The overall atmosphere is magical and ethereal.

Rediscovering Our Heart:

Rediscover Your Heart Fred Matser, Mikhail Gorbachev, 2010-09 Born into modest circumstances in the Netherlands Fred Matser went on to make millions heading one of the largest real estate development companies in Europe Following an extraordinary transcendental experience Matser set himself on a journey of personal discovery His global travels opened his heart and mind to the needs of humanity and he has since spent his life founding charities and supporting existing organizations dedicated to improving the fields of health awareness social change and the environment Weaving humorous anecdotes with heartrending tales of personal transformation and hope this is an inspirational tale of one man's efforts to right the world's wrongs *As I Have Loved You: Rediscovering Our Salvation in Christ* Fr. Timothy V. Vaverek, 2022-08-12

Over many centuries Christians have lost sight of the heart of the Eternal Covenant our nuptial union with God in Jesus as members of his Body and Bride This has fueled a growing crisis of Christian identity and witness Only by rediscovering the depth and beauty of our salvation in Christ will we be drawn to share more fully in his life and saving mission But that requires encountering anew the scriptural and early Christian understanding of redemption as a nuptial bond rather than merely a juridical pardon of sin Beginning with the Trinity's revelation of himself and his Covenant in the person of Jesus *As I Have Loved You* examines our own existence as persons and how the Covenant relationship weds us to Christ in his loving service of God and neighbor That union prepares us for the Wedding Feast of the Lamb when we will know and love God even as he knows and loves us

Rediscovering Grace Seraphina Blake, 2024-11-13 *Rediscovering Grace Embracing God's Unconditional Love* by Seraphina Blake invites readers on a transformative journey through the profound depths of God's grace This book delves into the true nature of grace exploring its power to heal transform and uplift every aspect of our lives From understanding the concept of grace and its importance to embracing forgiveness letting go of bitterness and finding strength in adversity each chapter provides invaluable insights and practical guidance Readers will discover how to cultivate a grace-filled community extend grace in relationships and live a grace-centered life Through personal anecdotes scriptural references and heartfelt encouragement Blake demonstrates how God's unconditional love can revolutionize our self-acceptance and empower us to impact the world through grace-filled actions Whether you are struggling with feelings of unworthiness perfectionism or simply seeking a deeper understanding of God's love this book offers hope healing and inspiration for a life rooted in grace

Pour Out Your Heart Jeremy Linneman, 2025-03-18 Do you feel like everything depends on you That you must grind and hustle to have a flourishing life If so it's no surprise that stress anxiety and burdens may be weighing you down And there's no doubt that you probably struggle to pray or believe that prayer does much in your life What if it wasn't all on you What if God wanted to not only bear your burdens but change you and work on your behalf as you engage with him and labor in ministry In *Pour Out Your Heart* pastor Jeremy Linneman reveals a deeper more vibrant prayer life that could be yours Where some approach prayer in a one-sided way Linneman approaches prayer as both

communion with God and an act of boldness seeking God's transformative power to work mightily in our world Throughout the book you will Rediscover your identity as a beloved child of the Father and learn to pour out your heart like water to him Lam 2:19 Develop a life of inner joy and peace through contemplative childlike prayer Learn how to find fresh strength and faith for life's difficulties through bold intercessory prayer Explore ancient prayer rhythms and resources that help you face life's challenges We were not created to do life in our own strength We can see the transformative power of God's presence at work in our own lives and in our world The way is simple you pour out your heart in the presence of our loving all powerful Father and he pours back his love and power into you REDISCOVERING Your Life PURPOSE Albert Sampana, 2025-08-01

The most significant discoveries in life are not medical breakthroughs electricity nuclear power the gold mines DNA quantum theories the Internet or artificial intelligence but the discovery of a person's purpose This book is an excellent workable solution for people who have lost hope and quit trying Considering the increasing challenges of the world there is a need to discover or rediscover your purpose in life This material would broaden your perspective ignite some fire in one and unlock your potential for great exploit Your purpose is your assignment Purpose Why are you here for Potential What can you do Passion What drives you Priority What takes first place in your life Plan How will you get your purpose accomplished What Purpose Does to Your Personality Purpose gives you endurance along life's journey Purpose keeps you focused when the going gets tough Purpose gives you a winning spirit Purpose changes your attitude Purpose changes your priorities Purpose restricts your time Purpose chooses your friends People who think they have wasted their time in life often say things like Had I known I would have Some try to beat themselves up about the past Every failure is a schoolteacher and a lesson so leverage past failures and rediscover your life purpose Rediscovering Our Heart Mahi, 1998-10-01

Humanity has placed its faith in fear Having done this for generations we have created the facts of pain suffering separation and conflict We are so certain that struggle is a fact of life that we have built our family our governments our religions and our science around this assumption Our entire being revolves around the belief we must struggle to survive In this constant struggle we seldom take a moment to be still This book teaches the reader to do just that to be reflective to seek comfort and to find peace *The Path to God's Heart* Bernard Huber, 2011 Bernard Huber was born in France in 1954 and is today pastor in the Reformed Church of Switzerland He has been deeply involved in development aid in India and with the Bartimaeus Project for many years He spends part of his time in India every year He discovered very soon that people in great material need are also in need of spiritual help So he introduced the Prayer of Stillness amongst Indian Christians many years ago and has been able to see incredible changes taking place in the lives of those who faithfully practise this form of prayer The Prayer of Stillness leads us to a place where we can rediscover our own hearts and learn to use our innate strength and energy in a more healthy way Many individuals in the vast ocean of mankind have feelings of insecurity and become aware of the fact that a person needs a retreat they can retire to whenever they feel the need We need to find our innermost selves and to rediscover

God the Prayer of Stillness will help us along the path to the ultimate goal The time has come for the Christian world to realise that changing anything of any importance is going to demand a sacrifice and that we are the ones who will have to make that sacrifice

Rediscovering God's Grand Story James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In Rediscovering God's Grand Story James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God's Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo-Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T. S. Eliot wrote in the mid-twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time

Humility Michael W. Austin, 2024-03-12 Amid culture wars and church division Michael W. Austin calls us back to the authentic Way following Christ in humility and love American Christians have lost the Way We chase power and comfort and coat our self-righteousness in a Christian veneer We comfort ourselves that we follow the rules and go to church so life will work out for us But we have forgotten what it means to truly follow Christ Michael Austin brings us back to basics of the Christian life humility and love Drawing on Philippians and 1 Corinthians Austin reminds us how Jesus in love poured himself out for others This other-centeredness stands contrary to vainglorious affirmation in our lives online and off and it is the key to healing the deep divisions in our communities Austin guides the reader through spiritual disciplines to aid in the formation of this virtue from praying the Psalms to building healthy communities For Christians seeking transformative union with God in their souls and society Humility is the ideal companion Martin Institute and the Dallas Willard Research Center at Westmont College Dallas Willard Research Center Book Award Finalist 2025

Rediscovering Values Jim Wallis, 2010-01-05 When we start with the wrong question no matter how good an answer we

get it won't give us the results we want Rather than joining the throngs who are asking When will this economic crisis be over Jim Wallis says the right question to ask is How will this crisis change us The worst thing we can do now Wallis tells us is to go back to normal Normal is what got us into this situation We need a new normal and this economic crisis is an invitation to discover what that means Some of the principles Wallis unpacks for our new normal are Spending money we don't have for things we don't need is a bad foundation for an economy or a family It's time to stop keeping up with the Joneses and start making sure the Joneses are okay The values of commercials and billboards are not the things we want to teach our children Care for the poor is not just a moral duty but is critical for the common good A healthy society is a balanced society in which markets the government and our communities all play a role The operating principle of God's economy says that there is enough if we share it And much much more In the pages of this book Wallis provides us with a moral compass for this new economy one that will guide us on Wall Street Main Street and Your Street Embracing a New Economy Getting back to the way things were is not an option It is time we take our economic uncertainty and use it to find some moral clarity Too often we have been ruled by the maxims that greed is good it's all about me and I want it now Those can be challenged only with some of our oldest and best values enough is enough we are in it together and thinking not just for tomorrow but for future generations Jim Wallis shows that the solution to our problems will be found only as individuals families friends churches mosques synagogues and entire communities wrestle with the question of values together

Rediscovering the Islamic Classics Ahmed El Shamsy,2022-11-29 The story of how Arab editors of the late nineteenth and early twentieth centuries revolutionized Islamic literature Islamic book culture dates back to late antiquity when Muslim scholars began to write down their doctrines on parchment papyrus and paper and then to compose increasingly elaborate analyses of and commentaries on these ideas Movable type was adopted in the Middle East only in the early nineteenth century and it wasn't until the second half of the century that the first works of classical Islamic religious scholarship were

printed there But from that moment on Ahmed El Shamsy reveals the technology of print transformed Islamic scholarship and Arabic literature In the first wide ranging account of the effects of print and the publishing industry on Islamic scholarship El Shamsy tells the fascinating story of how a small group of editors and intellectuals brought forgotten works of Islamic literature into print and defined what became the classical canon of Islamic thought Through the lens of the literary culture of nineteenth and twentieth century Arab cities especially Cairo a hot spot of the nascent publishing business he explores the contributions of these individuals who included some of the most important thinkers of the time Through their efforts to find and publish classical literature El Shamsy shows many nearly lost works were recovered disseminated and harnessed for agendas of linguistic ethical and religious reform Bringing to light the agents and events of the Islamic print revolution Rediscovering the Islamic Classics is an absorbing examination of the central role printing and its advocates played in the intellectual history of the modern Arab world Worship: Rediscovering the Missing Jewel Ronald B.
