**Eat the Bible** Micah E. Chung, 2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user s manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theatrical script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food

**Ruled Reading and Biblical Criticism** Matthew T. Bell, 2019-11-04 In *Ruled Reading and Biblical Criticism* Matthew T Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture silencing those layers of scripture s meaning that modern criticism has been most concerned with uncovering In this book Bell argues that when the ethos and theology of reading in the early Church are taken into account premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be Through close reading of ancient Christian texts Bell outlines an ontology of scripture wherein the relationship between early Christianity s Rule of Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations Viewed along that spiral the Church s Rule was as scriptural as the Church s catalog of scriptures was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age
