Reforms and Economic Transformation in

India Jagdish Bhagwati, Arvind Panagariya, 2013 Reforms and Economic Transformation in India is the second volume in the series Studies in Indian Economic Policies In this book nine original essays pursue three interrelated themes Why the movement of workers out of agriculture into industry and services and from informal to formal employments has been slow explaining the impact the reforms have had on profitability and competition among enterprises and analyzing the impact on the socially disadvantaged in terms of wage and education outcomes and entrepreneurship

Finance, Development, and the IMF James M. Boughton, Domenico Lombardi, 2009-06-25 This book seeks to provide objective analysis of the role and effectiveness of multilaterals in general and the IMF and World Bank in particular The IMF is a multilateral financial institution with a mandate to promote financial and macroeconomic stability cooperative economic policies and a balanced growth of international trade More than two fifths of its 185 members are low income countries and many others have substantial pockets of poverty in their populations Since economic development and the reduction of poverty are the most important economic challenges that these countries face how can the IMF best help them How can the imperative of macroeconomic and financial stability be reconciled with the requirements for sustained economic growth This volume brings together the research of leading economists political scientists and historians to suggest ways for the IMF to address these issues effectively

Connecting and Distancing Ho Khai Leong, 2003-08-01 Connecting and distancing have been two prominent themes permeating the writings on the historical and contemporary developments of the relationship between Southeast Asia and China As neighbours the nation states in Southeast Asia and the giant political entity in the north communicated with each other through a variety of diplomatic overtures political agitations and cultural nuances In the last

two decades with the rise of China as an economic powerhouse in the region Southeast Asia's need to connect with China has become more urgent and necessary as it attempts to reap the benefit from the successful economic modernization in China At the same time however there were feelings of ambivalence hesitation and even suspicions on the part of the Southeast Asian states vis a vis the rise of a political power which is so less understood or misunderstood The contributors of this volume are authors of various disciplinary backgrounds history political science economics and sociology They provide a spectrum of perspectives by which the readers can view Sino Southeast Asia relations

Disaster Relief in the Asia Pacific Minako Sakai, Edwin Jurriëns, Jian Zhang, Alec Thornton, 2014-01-03 A UN report recently found that the Asia Pacific is the world's most disaster prone region Indeed considering that the region accounts for more than half of the total number of disasters in the world building capacity and resilience to mitigate the devastating impact of disasters is a pressing task for local actors This book takes a regional multidisciplinary and multi actor approach to improve understandings of how various actors respond to natural and human induced disasters in the Asia Pacific region It examines the ideas and activities of four different categories of agents civil society military and state institutions local cultural knowledge and the media and economic initiatives and these themes are approached from various academic disciplines ranging from anthropology and cultural studies to economics human geography and political science The contributors draw their findings from a variety of countries in the region including China Fiji India Indonesia Japan Myanmar and Samoa and importantly focus on the interconnection between vulnerability and resilience In turn the book highlights how the nature and magnitude of disasters are influenced by social conditions and aims to contribute to policies that prioritize development opportunities to enhance resilience Further it explores the complicated and multifaceted role of agency in building resilience and presents a comparative framework for analysis and key findings from the Asia Pacific region The focus of this book on recent and ongoing disasters makes it a topical and timely contribution to the growing field of disaster management and as such it will appeal to students and scholars of environmental studies development studies and Asian politics

Poverty in Asia, 2004

Practices of Poverty Measurement and Poverty Profile of Nepal Devendra Chhetry, 2009-03 Reviews the poverty measuring practices available measures of poverty and economic growth figures of Nepal The poverty rates for FY 1976-77 1984-85 and 1995-96 are found to be not comparable due to change in methodology over time The three poverty rates average 40% Nepal has experienced high economic growth during the 7th 1985-86 to 1989-90 and 8th 1992-93 to 1996-97 Plan periods with no strong evidences of poverty reduction This incompatible result is partially explained by comparing growth of the agricultural sector with the role of the sector in providing employment and income generation at the household level and by comparing social indicators particularly literacy rate with the growth of the nonagricultural sector Tables
