**Dancing from the Heart** Kalissa Alexeyeff, 2009-03-23. Dancing from the Heart is the first study of gender, globalization, and expressive culture in the Cook Islands. It demonstrates how dance, in particular, plays a key role in articulating the overlapping local, regional, and transnational agendas of Cook Islanders. Kalissa Alexeyeff reconfigures conventional views of globalization's impact on indigenous communities, moving beyond diagnoses of cultural erosion and contamination to a grounded exploration of creative agency and vital cultural production. Central to the study is a rich and textured ethnographic account of contemporary Cook Islands dance practice. Based on fieldwork, in-depth interviews, and archival research, it offers an engrossing analysis of how Cook Islands social life is generated through expressive practices. Dance is explored in a variety of settings, including beauty pageants, tourist venues, nightclubs, and community celebrations at home and within Cook Islands communities abroad. Contemporary Cook Islands dance practices are also shaped by competing ideas about the past. Debates about precolonial traditions, missionization, and colonialism pervade discussions about dance and expressive culture. Alexeyeff shows how the politics of tradition reflect the competing moral, political, personal, and economic practices of postcolonial Cook Islanders. Throughout the work, the stories and voices of individuals are brought to the fore.

Their views are juxtaposed with scholarship on tradition modernity and social dynamics Engaging and accessible *Dancing from the Heart* illuminates specific and intimate aspects of Cook Islands social life while at the same time addressing fundamental questions within anthropology and indigenous performance and postcolonial studies **Bluebird Rising** John DeCure, John DeCure, 2003-12-15 In this brooding atmospheric mystery John DeCure once again brings the seemingly disparate worlds of law and surfing together with engaging results For J Shepard prosecuting attorney with the California State Bar Association only one thing in his life keeps him centered riding waves When the surf is rising J has never had a problem coming up with an excuse to cut out of work But with a new fianc e and a troubling internal audit beginning at work J has little time these days to hit the sand When a legal mentor from his distant past washes up in his office stinking of alcohol and hoping for a second chance at life J drops everything including his surfboard But will he be able to help The man is in deep trouble and J will have to use every tool at his disposal both in the courtroom and on the beach to get him out of it A wrenching suspenseful follow up to John DeCure s critically acclaimed *Reef Dance* *Bluebird Rising* is a taut novel sure to please established fans and new readers alike *Ocean Flows* Sita Kanaka Valli Rantala, 2010-03 As the book opens we find all species of salmon on the brink of extinction due to global warming and over fishing *Ocean Flows* Book One in poetry *Surfing* Essazz is written with the specific goal of raising the consciousness of society in general and school children and college students in particular Teacher Ali Khan and his school are about to begin their journey to the fresh water rivers where they were born He guides his students toward the famous Bearing Land Bridge where these Pacific salmon are ready to spawn A tsunami a torrential churning seismic force washes the school to the pristine waters of Australia As the salmon wash up on the coast of Australia they are confronted by Lord Wavely the King of the Australian Coral Reef With tact and talent Ali Khan with the help of cock salmon Essazz and hen salmon Mathela wins over Lord Wavely s kind heart At the same time Due to global warming another calamity occurs at the South Pole Because of unusually warm temperatures the ice has begun to melt and a loose mass of ice is gathering force and gaining speed to form an avalanche Many sharks are caught in the force of this avalanche and are washed up on Australian shores By the time they arrive the sharks are famished and ready to feast on the salmon King Wavely protects the salmon by using electrical storms and venom attacks to drive off the sharks He then asks the salmon to enjoy living in the Australian waters After a successful spawning season the young salmon become victims of flash floods and drought Following months of struggle the others head out to sea **Echoes at Fishermen's Rock** UNESCO, 2012-12-11 1 Food from the land the ocean shores and the tree canopy 2 The lagoon 3 The reef 4 The open sea 5 Omens stars singing and other valuable things *Stories on the Move* Arlene Cohen, 2007-05-30 Energize your story programs by infusing them with the power of movement This guide offers you dozens of interactive ready to use age appropriate and story based activities that get children actively involved in learning Designed to expand the child s self awareness range of expression and aesthetic sensibility at particular stages of development from infancy to puberty these
