Contemporary Authors ,1998 **Replications** J. P. Telotte,1995 A haunting fascination fuels our interest in the robot the android the cyborg the replicant Born in science fiction literature the artificial human has come into its own in films lurching to life holding a mirror to humanity s soul Beginning with a pre history of the filmic robot J P Telotte traces its development through early sci fi landmarks such as Metropolis 1926 the alien films of the 1950s including Forbidden Planet and recent explorations of the artificial human in Blade Runner Robocop and the Terminator films Replications also considers the tension between the technological wonders that science fiction depicts and the human values it champions Film makers employ the latest developments in technology to fashion ever more realistic human doubles and then use them to explore what it means to be human Telotte shows us how the sci fi genre has always addressed changing cultural attitudes toward technology the body gender roles human intelligence reality and even film itself **Science Fiction and Fantasy**

Reference Index, 1878-1985: Subject entries Halbert W. Hall,1987 Docufictions Gary D. Rhodes,John Parris Springer,2014-10-01 Through most of the 20th century the distinction between the fictional narrative film and the documentary was vigorously maintained The documentary tradition developed side by side with but in the shadow of the more commercially successful feature film In the latter part of the century however the two forms merged on occasion and mockumentaries fictional works in a documentary format and docudramas reality based works in a fictional format became part of the film and television landscape The 18 essays here examine the relationships between narrative fiction films and documentary filmmaking focusing on how each influenced the other and how the two were merged in such diverse films and shows as Citizen Kane M A S H This Is Spinal Tap and Destination Moon Topics include the docudrama in early cinema the industrial film as faux documentary the fear evoked in 1950s science fiction films the selling of reality in mockumentaries and reality television and documentary forms The essays provide a foundation for significant rethinking of film history and criticism offering the first significant discussion of two emerging and increasingly important genres Instructors considering this book for use in a course may request an examination copy here **Interfacing with the Internet in Popular Cinema**

Simultaneous Worlds Jennifer L. Feeley, Sarah Ann Wells, 2015-10-01 Since the 1927 release of Fritz Lang's pioneer film *Metropolis* science fiction cinema has largely been regarded a Western genre In *Simultaneous Worlds* Jennifer L. Feeley and Sarah Ann Wells showcase authors who challenge this notion by focusing on cinemas and cultures from Cuba to North Korea not traditionally associated with science fiction This collection introduces films about a metal eating monster who helps peasants overthrow an exploitative court an inflatable sex doll who comes to life a desert planet where matchsticks are more valuable than money and more *Simultaneous Worlds* is the first volume to bring a transnational interdisciplinary lens to science fiction cinema Encountering some of the best emerging and established voices in the field readers will become immersed in discussions of well known works such as the *Ghost in the Shell* franchise and Neill Blomkamp's *District 9* alongside lesser known but equally fascinating works by African Asian European and South American filmmakers Divided into five parts that cover theoretical concerns such as new media economies translation the Global South cyborgs and socialist and postsocialist cinema these essays trace cinema's role in imagining global communities and power struggles Considering both individual films and the broader networks of production distribution and exhibition *Simultaneous Worlds* illustrates how film industries across the globe take part in visualizing the perils of globalization and technological modernity Ultimately this book opens new ways of thinking about world cinema and our understanding of the world at large

Melchior A La Carte Ib Melchior, 2013-02-03 New short stories from the master _x000D_ _x000D_ _x000D_ Melchior La Carte is a delight These engaging stories are filled with wonderful original characters and unexpected turns of events In each one of them one learns something new about the world and about oneself Melchior's characters enter your mind and stay there Uniquely Melchior tells not just the story itself but in an addendum what inspired each of them the precipitating event that is often as interesting as the story itself Dip into these surprising tales as into a box of great Belgian chocolates You'll find them addictive Andrew Kaplan author of *Scorpion Dragonfire* _x000D_ _x000D_ Ib Melchior's *Melchior La Carte* collection of short stories is more than a potpourri of delicacies it is a feast of literary delights reminiscent of the tales told by those master story tellers Conrad and Maugham In short for those readers who delight in looking for wide ranging story turns and subjects for meaningful entertainment Melchior's book is a must have S L Stebel author of *Spring Thaw The Boss's Wife* _x000D_ _x000D_ Ib Melchior is an extraordinary story teller His writing is always provocative and wise as he lays out the stuff of which dreams are made Mann Rubin screenwriter of *The Best of Everything Brainstorm* _x000D_ **Science Fiction, Children's Literature, and Popular Culture** Gary Westfahl, 2000-04-30 In a constantly changing world individuals are forever growing to meet the challenges and developments that emerge around them In contemporary society technology is at the heart of change Literature too reflects the evolution of culture and increasingly represents and considers technology

And as children become young adults their reading helps shape their understanding of the world This book examines representative works of science fiction children s literature and popular culture to show how these works reflect the process of growing up in a technological world The volume looks at the simple picture books and comic books that appeal to small children the formulaic adventures that fascinate older children the films and television programs that are watched by children and young adolescents the music videos and programming that appeal to young adults and the popular novels that interest older readers Included are discussions of Superman the Hardy Boys Star Trek science fiction films and music videos The book points to similarities among popular culture science fiction and children s literature and demonstrates the relevance of these works to contemporary society **New Serial Titles** ,1996 A union list of serials commencing publication after Dec 31 1949 *The Fantastic Made Visible* Matthew Wilhelm Kapell,Ace G. Pilkington,2015-05-01 Fantasy and science fiction began in print and from the first films to the latest blockbusters print stories have provided the inspirations the ideas and in some cases the detailed blueprints Adaption Studies has long been an area of intense debate in literature and film studies but no single work has ever approached fantasy and science fiction texts as unique and important areas of inquiry by themselves The Fantastic Made Visible with 16 fresh essays is the first book to do exactly that From the earliest adaptations of Jules Verne Robert A Heinlein and Shakespeare to recent films based on The Hobbit Planet of the Apes and The Hunger Games this book offers a wide range of critical approaches and films from around the world **The British National Bibliography Cumulated Subject Catalogue** ,1968
