Horror Noire Robin R. Means Coleman, 2013-03-01 From *King Kong* to *Candyman* the boundary pushing genre of the horror film has always been a site for provocative explorations of race in American popular culture In *Horror Noire: Blacks in American Horror Films from 1890s to Present* Robin R. Means Coleman traces the history of notable characterizations of blackness in horror cinema and examines key levels of black participation on screen and behind the camera She argues that horror offers a representational space for black people to challenge the more negative or racist images seen in other media outlets and to portray greater

diversity within the concept of blackness itself Horror Noire presents a unique social history of blacks in America through changing images in horror films Throughout the text the reader is encouraged to unpack the genre s racialized imagery as well as the narratives that make up popular culture s commentary on race Offering a comprehensive chronological survey of the genre this book addresses a full range of black horror films including mainstream Hollywood fare as well as art house films Blaxploitation films direct to DVD films and the emerging U S hip hop culture inspired Nigerian Nollywood Black horror films Horror Noire is thus essential reading for anyone seeking to understand how fears and anxieties about race and race relations are made manifest and often challenged on the silver screen

African Americans and Popular Culture Todd Boyd, 2008-10-30 The African American influence on popular culture is among the most sweeping and lasting this country has seen Despite a history of institutionalized racism black artists entertainers and entrepreneurs have had enormous impact on American popular culture Pioneers such as Oscar Micheaux Paul Robeson Satchel Paige Josh Gibson Langston Hughes Bill Bojangles Robinson and Bessie Smith paved the way for Jackie Robinson Nina Simone James Baldwin Bill Russell Muhammad Ali Sidney Poitier and Bill Cosby who in turn opened the door for Spike Lee Dave Chappelle Dr Dre Jay Z Tiger Woods and Michael Jordan Today hip hop is the most powerful element of youth culture white teenagers outnumber blacks as purchasers of rap music black themed movies are regularly successful at the box office and black writers have been anthologized and canonized right alongside white ones Though there are still many more miles to travel and much to overcome this three volume set considers the multifaceted influence of African Americans on popular culture and sheds new light on the ways in which African American culture has come to be a fundamental and lasting part of America itself To articulate the momentous impact African American popular culture has had upon the fabric of American society these three volumes provide analyses from academics and experts across the country They provide the most reliable accurate up to date and comprehensive treatment of key topics works and themes in African American popular culture for a new generation of readers The scope of the project is vast including popular historical movements like the Harlem Renaissance the legacy of African American comedy African Americans and the Olympics African Americans and rock n roll more contemporary articulations such as hip hop culture and black urban cinema and much more One goal of the project is to recuperate histories that have been perhaps forgotten or obscured to mainstream audiences and to demonstrate how African Americans are not only integral to American culture but how they have always been purveyors of popular culture

Fantasies of the Master Race Ward Churchill, 1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights In this volume of incisive essays Ward Churchill looks at representations of American Indians in literature and film delineating a history of cultural propaganda that has served to support the continued colonization of Native America During each phase of the genocide of American Indians the media has played a critical role in creating easily digestible stereotypes of Indians for popular consumption Literature about Indians was first written and published in order to

provoke and sanctify warfare against them Later the focus changed to enlisting public support for civilizing the savages stripping them of their culture and assimilating them into the dominant society Now in the final stages of cultural genocide it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth The primary means by which this is accomplished is through the powerful publishing and film industries Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's *Don Juan* the exotic mythical Indians constitute no threat to the established order Literature and art crafted by the dominant culture are an insidious political force disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom This book is offered to counter that deception and to move people to take action on issues confronting American Indians today

Fatherhood and Masculinities Catherine Gallais, 2023-08-09 Based on novel ethnographic research conducted in New York City this book explores through the lens of intersectionality how gender impacts men's experiences of full time fatherhood as well as how sexuality race class faith and so on result in unequal access to choices and opportunities as parents Chapters analyze how perspectives on caregiving are complicated by varying cultural gendered and racialized stereotypes and representations that pull different fathers toward or push them away from particular models of fatherhood in an urban context Additionally the author interrogates how societal conceptions of men's bodies also play a role in how men understand their experiences of fatherhood This book will be of interest to scholars and students studying gender masculinity and fatherhood

Pleading the Blood Christopher Sieving, 2022-02 The definitive look at one of the most important Black art films and original filmmakers of the 1970s Bill Gunn's *Ganja Hess* 1973 has across the decades attained a sizable cult following among African American cinema devotees art house aficionados and horror fans thanks to its formal complexity and rich allegory *Pleading the Blood* is the first full length study of this cult classic *Ganja Hess* was withdrawn almost immediately after its New York premiere by its distributor because Gunn's poetic re fashioning of the vampire genre allegedly failed to satisfy the firm's desire for a by the numbers blaxploitation horror flick for quick sell off in the urban market Its current status as one of the classic works of African American cinema has recently been confirmed by the Blu ray release of its restored version by its continued success in screenings at repertory houses museums and universities and by an official remake *Da Sweet Blood of Jesus* 2014 directed by Spike Lee one of the original picture's longtime champions *Pleading the Blood* draws on Gunn's archived papers screenplay drafts and storyboards as well as interviews with the living major creative participants to offer a comprehensive absorbing account of the influential movie and its highly original filmmaker

Gender in the Media Niall Richardson, 2014-05-19 This lively and engaging text introduces students to the key contemporary issues in the study of gender and the media Integrating cultural theory with text based criticism *Gender in the Media* analyses recent debates in feminist cultural theory masculinity studies and queer theory before applying these cultural paradigms to critical readings in relevant media contexts Richardson and Wearing address a wide range of new media texts

and topics covering television dramas make over shows life style magazines internet dating and more Critical current and far reaching this book is invaluable for all students of media and gender studies as well as for anyone interested in gender representation in different media forms **Mediated Critical Communication Pedagogy** Ahmet Atay,Deanna L.

Fassett,2019-11-13 Mediated Critical Communication Pedagogy explores the role of both traditional and new media in critical communication pedagogy This edited volume addresses not only how new and other forms of media serve as tools towards social justice in the communication classroom but also how those media transform the classroom interaction itself in empowering and disempowering ways Contributors describe and assess how particular instances of media use particularly the use of new media technologies support or challenge critical communication pedagogy Each chapter engages in critical analysis of how to effectively use particular mediums in the classroom how classroom communication is affected by uses of new media and particular instances of critical communication pedagogy in teaching Scholars of communication and education will find this book particularly useful Why Any Woman Keira V. Williams,2023-11-15 Scholars are revisiting the history of feminist activism and organizations mining it for a revisionist grassroots gender politics in the South Why Any Woman advances this line of historical inquiry by focusing on one of the most productive sites of late twentieth century southern feminisms popular culture by and about southern women The nature of popular culture is such that the challenges it poses to the gendered and racial order for instance are likely to be consumed privately in theaters or at home alone or with friends or family by more people than would ever read a feminist manifesto attend a civil rights demonstration or lobby a legislator for change In the cultural desert of the late twentieth century pre internet South during a time in which there were fewer avenues of activism and organizing other sources of feminism predominated and pop culture is where many of us turned for guidance for role models and whether or not we knew it for consciousness raising In a region and during a time of neoconservative backlash in which women s liberation was under attack southern women s pop culture offered a bridge between the second and third waves of feminism and a major challenge to contemporary antifeminist forces Why Any Woman examines key texts by and about southern women the play Crimes of the Heart the novels The Color Purple and Ugly Ways the films Thelma and Louise and Beloved the television shows Designing Women and The Oprah Winfrey Show as a means of understanding the role of regional popular culture in defining and redefining American feminisms as we approached the twenty first century Taken as a collective these texts expand how we think about the whats wheres whens and hows of feminisms in recent U S history Why any woman give a shit what people think is a mystery to me muses the blueswoman Shug Avery in Alice Walker s The Color Purple Why Any Woman features southerners who like Shug rejected and reshaped gender norms and their stories illustrate some of the ways regional pop culture has been and still is a crucial site of American feminisms Culture, Identities and Technology in the Star Wars Films Carl Silvio,Tony M. Vinci,2014-11-26 Released in May 1977 the original Star Wars movie inaugurated the age of the movie blockbuster It also redefined the use of cinematic

special effects creating a new textual universe that now stretches through three decades two trilogies and generations of fascinated viewers The body of critical analysis that has developed from this epic focuses primarily on the Star Wars universe as a contemporary myth However like any fiction it must also be viewed and consequently analyzed as a product of the culture which created it The essays in this book analyze the Star Wars trilogies as a culturally and historically specific phenomenon Moving away from the traditional myth based criticism of the films the essayists employ a cultural studies model to examine how this phenomenon intersects with social formations such as economics technology race and gender Critical approaches are varied and include political and economic analysis informed by feminism contemporary race theory Marxism new media studies and post humanism Among the topics covered are the connections between the trilogies and our own cultural landscape the problematic issues of race and gender and the thematic implications of Lucas presentation of technology

Instructors considering this book for use in a course may request an examination copy here *Dames in the Driver's Seat* Jans B. Wager, 2009-03-06 With its focus on dangerous determined femmes fatales hardboiled detectives and crimes that almost but never quite succeed film noir has long been popular with moviegoers and film critics alike Film noir was a staple of classical Hollywood filmmaking during the years 1941 1958 and has enjoyed a resurgence in popularity since the 1990s *Dames in the Driver's Seat* offers new views of both classical era and contemporary noirs through the lenses of gender class and race Jans Wager analyzes how changes in film noir's representation of women's and men's roles class status and racial identities mirror changes in a culture that is now often referred to as postmodern and postfeminist Following introductory chapters that establish the theoretical basis of her arguments Wager engages in close readings of the classic noirs *The Killers* *Out of the Past* and *Kiss Me Deadly* and the contemporary noirs *L.A. Confidential* *Mulholland Falls* *Fight Club* *Twilight* *Fargo* and *Jackie Brown* Wager divides recent films into retro noirs made in the present but set in the 1940s and 1950s and neo noirs made and set in the present but referring to classic noir narratively or stylistically Going beyond previous studies of noir her perceptive readings of these films reveal that retro noirs fulfill a reactionary social function looking back nostalgically to outdated gender roles and racial relations while neo noirs often offer more revisionary representations of women though not necessarily of people of color
