**Michael Kort**

## **Reevaluating Eisenhower American Foreign Policy In The 1950s:**

**Reevaluating Eisenhower** David Allan Mayers, 1988-01-15 These essays offer diverse opinions and provocative insights. They are a welcome reflection of current scholarly assessments of Eisenhower Dulles foreign policies. *Journal of American History*. Probably the most balanced analysis of Eisenhower's handling of foreign and national security policy that has yet appeared. This book deserves to be widely read. Highly recommended. **Choice**

**Reevaluating Eisenhower** Richard A. Melanson, 1987

**Dwight Eisenhower and American Foreign Policy during the 1960s** Richard M. Filipink Jr., 2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office. Eisenhower sought to influence his successors' policies for a number of reasons, including his underrated partisanship, his desire to protect the reputation of his administration, and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests. Despite his steadily declining health, Eisenhower played both a public and behind-the-scenes role in shaping American foreign policy during the 1960s that had long-term consequences for the country. This book traces the interactions between Eisenhower and his two successors from the pre-inaugural meetings with John F. Kennedy, their direct contacts on Cuba, the use of intermediaries such as John McCone and General Andrew Goodpaster, and the constant contact initiated by Lyndon B. Johnson. Through these direct and indirect contacts, Eisenhower constrained the choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life.

*The History of American Foreign Policy from 1895* Jerald A. Combs, 2015-02-12 This important text offers a clear, concise, and affordable narrative and analytical history of American foreign policy since the Spanish American War. The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate, the domestic pressures on those policy makers, and the ideologies, preferences, and personal idiosyncrasies of the leaders themselves.

**American Foreign Relations Reconsidered** Gordon Martel, 2002-11-01 This major new textbook brings together twelve of the leading scholars of U.S. foreign relations. Each contributor provides a clear, concise summary of an important period or theme in U.S. diplomatic and strategic affairs since the Spanish American War. Michael Hunt and Joan Hoff provide an overview of the traditions behind U.S. policy and a preview of things to come. Together, the contributors offer a succinct explanation of the controversies and questions that historians have grappled with throughout the twentieth century. Students will find these essays a reliable and useful guide to the various schools of thought which have emerged. Although each of the scholars is well known for their detailed and original work, these essays are new and have been specially commissioned for this book. The articles follow the chronological development of the emergence of the United States as a world power, but special themes such as the American policy process, economic interests, relations with the Third World, and the dynamics of the nuclear arms race have been

singled out for separate treatment American Foreign Relations Reconsidered 1890 1993 represents essential reading for upper level undergraduates studying modern American history The book has been designed and written exclusively to meet the needs of students either as a major course text or as a set of supplementary readings to support other texts     **US Foreign Policy Decision-Making from Truman to Kennedy** A. Hybel, 2014-03-12 The book has three objectives to expose students to the ways different US presidents handled major foreign policy making problems to test the explanatory value of alternative decision making models And to reintroduce students to a wide range of critical US foreign policy issues     **The Eisenhower Presidency, 1953-1961** Richard Damms, 2016-09-17 This seminar study examines the Eisenhower presidency The author argues that the presidency marked an important stage in the evolution of modern America but left a decidedly mixed legacy for future presidents Domestically Eisenhower pursued a middle way Imbued with a profound distrust of politics and politicians Eisenhower sought as much as possible to concentrate public policy making in the hands of an enlightened elite of public and private experts Internationally Eisenhower's policies exacerbated the nuclear arms race institutionalised the Cold War and extended the East West struggles to new arenas in the Third World This new account offers an up to date synthesis of this newly emerging literature and reviews Eisenhower's record from the mishandling of the Civil Rights movement to the escalation of the arms race and the intensification of the Cold War     *Perceptions of China and White House Decision-Making, 1941-1963* Adam S.R. Bartley, 2019-11-26 This book assesses and evaluates the decision making behavior of United States presidents and their chief advisers from Roosevelt to Kennedy pertaining to China Seeking to dispel with the notion that each administration sought policy outcomes on the basis of a rational decision making model Bartley highlights the contradictions of adopted presidential decision making processes and the nature of domestic politics as playing prejudicial and debilitating roles The book demonstrates that elite decision making processes interacted with assumptions made about Chinese behavior interests and attitudes only superficially and in some cases not at all Misinformation and misperception were the natural outcomes Reinforced by the politics of McCarthyism at home intellectual debate on China policy was squashed parochialism and nuance were shunned and information was closed off Ultimately a divorce between the norm of behavior and the search for rational policy was registered in each administration The net result was a lasting and destructive cognitive dissonance to fit expectations of a China reality constructed information was ignored overlooked and distorted Offering new insights into the China policies of consecutive administrations from 1941 to 1963 this volume will be of great interest to scholars and students of American foreign policy security studies and international relations     **America in the World** Michael J. Hogan, 1995 A survey of the historical literature on intelligence and national security during the Cold War     **Dueling Visions** Ronald R. Krebs, 2001 The presidential election of 1952 unlike most others before and since was dominated by foreign policy from the bloody stalemate of Korea to the deepening menace of international communism During the campaign Dwight Eisenhower and his spokesmen fed the public's imagination with their

promises to liberate the peoples of Eastern Europe and created the impression that in office they would undertake an aggressive program to roll back Soviet influence across the globe But time and again during the 1950s Eisenhower and his advisers found themselves powerless to shape the course of events in Eastern Europe they mourned their impotence but did little In *Dueling Visions* Ronald R Krebs argues that two different images of Eastern Europe's ultimate status competed to guide American policy during this period Finlandization and rollback Rollback championed by the Joint Chiefs of Staff and the Central Intelligence Agency was synonymous with liberation as the public understood it detaching Eastern Europe from all aspects of Soviet control Surprisingly the figure most often linked to liberation Secretary of State John Foster Dulles came to advocate a more subtle and measured policy that neither accepted the status quo nor pursued rollback This American vision for the region held up the model of Finland imagining a tier of states that would enjoy domestic autonomy and perhaps even democracy but whose foreign policy would toe the Soviet line Krebs analyzes the conflicting logics and webs of assumptions underlying these dueling visions and closely examines the struggles over these alternatives within the administration Case studies of the American response to Stalin's death and to the Soviet Yugoslav rapprochement reveal the eventual triumph of Finlandization both as vision and as policy Finally Krebs suggests the study's implications for international relations theory and contemporary foreign affairs

**U.S. Presidents and Foreign Policy** Carl C. Hodge, Cathal J. Nolan, 2006-12-13 This work is a unique single source for information on the foreign policy wars treaties initiatives and doctrines of all 43 presidents of the United States From George Washington's isolationism to the Monroe Doctrine of hemispheric right to domination to Teddy Roosevelt's imperialism through George W. Bush's global war against terror U.S. foreign policy has charted a varied course As the area where the president has the most freedom of action foreign policy can and often does change precipitously according to the incumbent's view of the world No other branch of government rivals the president's role in America's rise from liberal republic to global superpower This work brings together the scholarship of leading historians and political scientists to present in depth examination of the foreign policy of each president of the United States This thorough presentation covers all aspects of international relations although the work is not primarily interpretive it does not shy from pointing out both notable successes and failures The book's 43 essays present quick access to the whole of the history of American foreign policy

*Making Sense of the Vietnam Wars* Mark Philip Bradley, Marilyn B. Young, 2008-04-30 Making sense of the wars for Vietnam has had a long history The question why Vietnam dominated American and Vietnamese political life for much of the length of the wars and has continued to be asked in the decades since they ended This volume brings together the work of eleven scholars to examine the conceptual and methodological shifts that have marked the contested terrain of Vietnam War scholarship Editors Marilyn Young and Mark Bradley's superb group of renowned contributors spans the generations including those who were active during wartime along with scholars conducting research in Vietnamese sources and uncovering new sources in the United States former Soviet Union China and Eastern and Western

Europe Ranging in format from top down reconsiderations of critical decision making moments in Washington Hanoi and Saigon to microhistories of the war that explore its meanings from the bottom up these essays comprise the most up to date collection of scholarship on the controversial historiography of the Vietnam Wars      **A Study of Crisis** Michael Brecher, Jonathan Wilkenfeld, 2022-06-07 As the twentieth century draws to a close it is time to look back on an epoch of widespread turmoil including two world wars the end of the colonial era in world history and a large number of international crises and conflicts This book is designed to shed light on the causes and consequences of military security crises since the end of World War I in every region across diverse economic and political regimes and cultures The primary aim of this volume is to uncover patterns of crises conflicts and wars and thereby to contribute to the advancement of international peace and world order The culmination of more than twenty years of research by Michael Brecher and Jonathan Wilkenfeld the book analyzes crucial themes about crisis conflict and war and presents systematic knowledge about more than 400 crises thirty one protracted conflicts and almost 900 state participants The authors explore many aspects of conflict including the ethnic dimension the effect of different kinds of political regimes notably the question whether democracies are more peaceful than authoritarian regimes and the role of violence in crisis management They employ both case studies and aggregate data analysis in a Unified Model of Crisis to focus on two levels of analysis hostile interactions among states and the behavior of decision makers who must cope with the challenge posed by a threat to values time pressure and the increased likelihood that military hostilities will engulf them This book will appeal to scholars in history political science sociology and economics as well as policy makers interested in the causes and effects of crises in international relations The rich data sets will serve researchers for years to come as they probe additional aspects of crisis conflict and war in international relations Michael Brecher is R B Angus Professor of Political Science McGill University Jonathan Wilkenfeld is Professor and Chair of the Department of Government and Politics University of Maryland They are the coauthors of *Crises in the Twentieth Century A Handbook of International Crisis* among other books and articles      **Unfinished History** Philip L. Wickeri, 2016-09-30 This is the first collection of essays to discuss the impact of the Cold War 1945 1990 on Christianity in East Asia In historical overviews case studies and theological reflections scholars from Asia Europe and North America explore the variety of ways in which the Cold War has shaped the churches involvement in society politics and culture The Cold War continues to have an impact the Korean peninsula in Greater China and throughout the region Churches are challenged to address the issues of the past that affect Christian life today Die in diesem Band gesammelten Aufs tze setzen sich erstmals aus unterschiedlichen Perspektiven mit den Auswirkungen des Kalten Krieges 1945 1990 auf das Christentum in Ostasien auseinander In geschichtlichen bersichten Fallbeispielen und theologischen Er rterungen erkunden Wissenschaftler aus Asien Europa und Nordamerika die vielf ltigen Wege in denen er das Engagement der Kirchen in Gesellschaft Politik und Kultur beeinfl u t hat Der Kalte Krieg wirkt auf der Koreanischen Halbinsel China und vielen anderen

Lndern der Region noch stets nach Die Kirchen sind herausgefordert sich diesem geschichtlichem Erbe zu stellen das  
 Auswirkungen bis in das christliche Leben heute hat **Latin America's Democratic Crusade** Allen Wells,2023-09-26 By  
 emphasizing Latin American reformers decades long struggle to defeat authoritarianism this transnational history challenges  
 the timeworn Cold War paradigm and recasts the region s political evolution Scholars persist in framing the Cold War as a  
 battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and  
 Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely  
 neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the  
 struggle was not between capitalism and communism that was Washington s abiding preoccupation but between democracy  
 and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political  
 ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential  
 threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the  
 hemisphere Dictators retaliated often with deadly results exporting strategies that had been honed at home to guarantee  
 their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the  
 aftershocks of which are still felt today Notable U.S. Ambassadors Since 1775 Cathal J. Nolan,1997-10-28 This book  
 spans more than 200 years of U S diplomatic history Its geographical scope widens along with the expanding interests of  
 America itself from initial exclusive concern with the empires of Europe to the emerging nations of Latin America to the  
 commercial opportunities and geopolitical concerns of Asia and Africa The ambassadors chosen for inclusion reflect these  
 historical changes in American foreign relations Organized alphabetically the biographies present an implicit account of the  
 evolution of the U S diplomatic service from its founding and early principles through the 20th century evolution of its habits  
 and culture The Columbia Guide to the Cold War Michael Kort,2001-03-08 The Cold War was the longest conflict in  
 American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we  
 have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy  
 economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to  
 American history and culture that will offer a wealth of interpretive information in different formats to students scholars and  
 general readers alike This reference contains narrative essays on key events and issues and also features an A to Z  
 encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD  
 ROMs on Cold War themes *Perils of Dominance* Gareth Porter,2006-09-20 Gareth Porter presents a new interpretation of  
 how and why the US went to war in Vietnam He provides a challenge to the prevailing explanation that US officials adhered  
 blindly to a Cold War doctrine that loss of Vietnam would cause a domino effect leading to communist dominance of the area  
The Middle East and the United States David W. Lesch,2018-09-03 This volume addresses the changes in the Middle East

and in the United States as well that has significantly affected the US Middle Eastern dynamic It provides an objective cross cultural assessment of U S foreign policy in the Middle East      *Groupthink or Deadlock* Paul A. Kowert, 2012-02-01 The danger of groupthink is now standard fare in leadership training programs and a widely accepted explanation among political scientists for policy making fiascoes Efforts to avoid groupthink however can lead to an even more serious problem deadlock *Groupthink or Deadlock* explores these dual problems in the Eisenhower and Reagan administrations and demonstrates how both presidents were capable of learning and consequently changing their policies sometimes dramatically but at the same time doing so in characteristically different ways Kowert points to the need for leaders to organize their staff in a way that fits their learning and leadership style and allows them to negotiate a path between groupthink and deadlock

### **Reevaluating Eisenhower American Foreign Policy In The 1950s Introduction**

In the digital age, access to information has become easier than ever before. The ability to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has opened up a world of possibilities. Downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Reevaluating Eisenhower American Foreign Policy In The 1950s*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has transformed the way we access information. With the convenience,

cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Reevaluating Eisenhower American Foreign Policy In The 1950s Books

**What is a Reevaluating Eisenhower American Foreign Policy In The 1950s PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reevaluating Eisenhower American Foreign Policy In The 1950s PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Reevaluating Eisenhower American Foreign Policy In The 1950s PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Reevaluating Eisenhower American Foreign Policy In The 1950s PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Reevaluating Eisenhower American Foreign Policy In The 1950s PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
