Reflection Of Christs Mind Paperback By Ferrini:

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today

Real Happiness Paul Ferrini, 2007 Provides a crystal clear roadmap for personal transformation This book is not about the kind of happiness you see on billboards or television commercials It is about being present right now for the ups and downs of life in a loving and compassionate way It is about being ourselves fully and being responsible for what we are creating in our lives It is about being willing to heal our wounds so that we can reconnect with the joy that is our birthright

The Wounded Child's Journey Into Love's Embrace Paul Ferrini, 1991 Healing the Wounded Child The wounded child cannot be kept separate from you If s he is in fear you need to love the one in fear You must be willing to feel her pain This is a sacred journey through fear to love You must learn to approach the child not as a judgmental parent but as a loving one For only love releases the pain Only love gently brings the darkness into the light The process of recovery does not end until there is no one left to blame or shame including yourself It does not end until you can see the light behind your shadow It is time now to take the little child into your arms and rock her and speak to her softly the words of love s he needs to hear Do not be afraid of her anger or her pain but remember that all s he wants is love and that is the only gift you can offer her

Return to the Garden Paul Ferrini, 1998 In the Garden all our needs were provided for We knew no struggle of hardship We were God s beloved But happiness was not enough for us We wanted the freedom to live our own lives To evolve we had to learn to become love givers not just love receivers We all know what happened then We were cast out of the Garden and for the first time in our lives we felt shame jealousy anger lack We experienced highs and lows joy and sorrow Our lives became difficulty We had to work hard to survive We had to make mistakes and learn from them Initially we tried to blame others for our mistakes But that did not make our lives any easier It just deepened our pain and misery We had to learn to face our fears instead of projecting them onto each other Returning to

the Garden we are different than we were when we left hellbent on expressing our creativity at any cost We return humble and sensitive to the needs of all We return not just as created but as co creator not just as son of man but also as son of God

Illuminations on the Road to Nowhere Paul Ferrini,2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us It must be found in our own hearts on the other side of our pain This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another If we want to be authentic we can t allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person This provocative book challenges many of our basic assumptions about personal happiness and the meaning of our relationship with others and with God

Grace Unfolding Paul Ferrini,1998-02 This book is not about surrender to an outside authority but to an inside one It is about the relinquishment of our ego consciousness our separated states of heart and mind to a greater consciousness to the essence of love which is the source of who we are

Dancing with the Beloved Paul Ferrini, 2001 Romance may open the door to love but it does not help us walk through it Something else is needed Something deeper Something ultimately more real Challenging times must be weathered Love must be strengthened beyond neediness and self interest It must die a thousand deaths to learn to rise like the phoenix beyond adversity of any kind Love is not a fragile shiny thing kept separate from the pain and misery of life It is born of our willingness to learn from our mistakes and encounter the depth of our pain as well as our partner's pain That is the way it is In time we learn that all pain is the same pain And we have compassion for the other people who inadvertently step on our toes as they learn to find the inner rhythms of the dance Like us they will stumble and fall hundreds of times until that moment of profound acceptance when grace comes and the beloved takes their hand in the circle
