

Reflections in Time

Above there is reflection
Colorful and bright
Dancing in the sunlight
Shimmering at night

Just below the surface
Another world awaits
Holding onto mysteries
Until some future date

Our view will let us marvel
That these two coexist
And think on our experiences
And those we might have missed

The world is full of beauty
And also some surprise
Perhaps it is the future
Reflecting in our eyes

Reflections In Poetry:

Reflections in Poetry R. Ray Sette, 2021-01-06 Incidents in the mind and intent of the poet this book is based on the past present and future reflections Hoping these poems will give solace and thought to those who read them Critical

Reflections on Poetry, Painting, and Music Dubos, Abb, 1978 **Reflection in Poetry and Prose** Diana Lykins

Howard, 2021-02-04 **Reflections in Poetry** Glenn Dell Chatmon, 2010-06-01 Reflections in Poetry Reflections in Poetry was first thought about when I was working down in the Gulf of Mexico Twelve hours a day five days a week I use to write during my lunch break or back at the motel I put together some material in a legal pad and left everything in the Motel under the mattress When I relocated back to Sumter SC it was very hard getting started with so many things on my mind I asked God to give me the peace of mind that I needed to put my thoughts on paper I stayed up one night until four in the morning writing I needed that to get a lot of stuff off my chest and off my mind I really enjoyed putting Reflections in Poetry together it reflects on those that have passed on good people whose memories I ll always treasure and will never forget Friends that I met over the years our paths crossed and we connected platonically They inspired me in their own unique way to write about them in poetry Reflections in Poetry are collections of treasured thoughts from my heart to yours Enjoy Glenn Dell Chatmon

Reflections on Poetry and the World Emily Grosholz, 2021-02 This collection brings together 40 years of essays about poetry and literature written by Emily Grosholz The first section includes essays about some of her favorite poets and thinkers in the United States England France and Germany The second section brings poetry into relation with ethics politics and practical deliberation and the third considers it alongside science and imagination The last section is an homage to The Hudson Review for whom she has served as an Advisory Editor for many years As a philosopher Emily Grosholz has written and thought about feminism racism and mathematics and science which has led her to admire all the more the distinct wisdom of poetry These essays show how poetry reorganized language and memory eros and experience and time and place and how and why it deepens our understanding of life **Reflections in Poetry and Prose** Dorothy E. Terry, 1976

Life'S Reflections: a Collections of Poems Dr. Vernita Black, 2017-02-03 Dr Black has always enjoyed writing poetry filled with peace love and serenity In this collection of poems Lifes Reflections A Collections of Poems Dr Vernita Black offers her experiences through faith and wisdom of lifes beauty The poems reflect Dr Blacks personal and professional ups and downs both the good and the bad times The poems are also reflections of life through pain hope beliefs military travels and Gods love The poetry collection starts with Listen My Child which is a reflection of her very first poem written over a decade ago Still Standing and Thank You God her last two poems in the collection show Dr Blacks discovery that in spite of all the trials and tribulations that life presents you can still hold on to faith and stand in the midst of it all **Leaves Falling Upon the Sky** Estelle Watson Sanders, 2021-04-29 The collection of poems Leaves Falling Upon the Sky a Reflection of a Life So Far invites the reader to examine ordinary life events such as Mowing the Lawn or Peeling Potatoes from a unique

perspective Estelle's way of seeing is as the title suggests like looking at autumn leaves drifting upward towards the sky rather than falling down to earth By looking at our shared experiences from the humorous morning weigh in depicted in The Scale to the serious business of caring for loved ones in The Sick Child the writer shows that we can find meaning in the routines that make up a life In the Reflections section the poem On Ageing recalls the ageing Ulysses embarking on a new quest as an optimistic view that old age can be a beginning rather than an end Finally some thoughts on our shared Covid isolation in My Library Fridge and Acres of Time demonstrate the variety and relevance of this Reflection of a Life So Far The works mentioned are just an excerpt from over 50 pieces in this book that I hope you will find inspiring as well as fun to read

Reflections of Me Melissa O. Freeman, 2007-04 The enclosed poems are on various subjects most of which are my own personal religious viewpoints from anything as typical as finding a poem at a garage sale i e prayer by an unknown Confederate soldier patriotic poems two poems about dogs i e Ode to Dominique and O Good Shepherd with religious crossovers many of them carry my affinity toward angels anywhere from a few lines i e Harken to the Angels to mere mentionings of angels or other religious topics that I feel strongly about i e Circles from Heaven which is basically about man and wife three poems about Christmas poems either about Jesus or my personal feelings on societal topics most of which I have tried to overlay religious topics and mix them with how I feel certain topics of society should be Then there are also everyday topics i e nature friendship old neighbors soothsayers etc that may or may not have religious overtones and poems on holidays i e Easter Memorial Day the aforementioned Christmas poems etc I tried to include poems also for those people who don't believe in God i e Where do Atheists go all poems written with feeling and inspiration were not written to offend anyone and said author apologizes beforehand if certain viewpoints of said poems which were written with enjoyment do offend anyone The author hopes that if you do have a notion to pick up this book that you will at least find one poem you do like as the author tried to put some variety in her poetry

Poetic Reflections Dr Tapati Ray, 2021-08-02 This collection is a tapestry woven with a hint of metaphor and a glimpse of more than meets the eye poetry tempered by the consciousness of the muse translating from the heart Tapati's muse translates with her through her first language with subtlety in observation reflection and storytelling This discerning selection of poems is written with a keen range of receptive candor while still reaching deep Reflection a passionate sensitivity for love Light of a Thousand Suns mystery Burial of Love personification and story telling The River and the Mountain a love of nature April and tenderness in grief Trail Walk Passionate colorful and compelling this is an intuitive and fine work a complexity cloaked with a sensitive harmony that is worthy of a second read written in the voice of a natural poet there is indeed more than meets the eye Robin Odam
