Reflections Of A Whale Watcher:

Reflections of a Whale-watcher Michelle A. Gilders,1995 A biologist describes her voyages and experiences through the Sea of Cortez and the Pacific Ocean in search of whales Eye of the Whale Dick Russell,2001 Eye of the Whale focuses on one great whale in particularthe coastal traveling California gray whale Gray whales make the longest migration of any mammal from the lagoons of Baja California to the feeding grounds of the Bering Strait between Alaska and Siberia nearly 6 000 miles That the gray whale exists today is nothing short of miraculous Whaling fleets twice massacred the species to near extinction first during the nineteenth century and again during the early part of the twentieth century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Whale Watcher's Guide** Patricia Corrigan,1999 An updated edition of the book that helps plan a whale watching trip With new information regarding whale tours in North America this valuable guide explains everything from where to see these magnificent animals and what a tour will cost to what to watch for and what to wear Includes updated information on pricing dates tour operators and contact information 35 illustrations **In Pursuit of Leviathan** Lance E. Davis,Robert E. Gallman,Karin Gleiter,2007-12-01 In Pursuit of Leviathan traces the American whaling industry from its rise in the 1840s to its precipitous fall at the end of the nineteenth century Using detailed and comprehensive data that describe more than four thousand whaling voyages from New Bedford Massachusetts the leading nineteenth century whaling port the authors explore the market for whale products crew quality and labor contracts and whale biology and distribution and assess the productivity of the American fleet They then examine new whaling techniques developed at the end of the nineteenth century such as modified clippers and harpoons and the introduction of darting guns Despite the common belief that the whaling industry declined due to a fall in whale stocks the authors argue that the industry s collapse was related to changes in technology and market conditions Providing a wealth of historical information In Pursuit of Leviathan is a classic industry study that will provide intriguing reading for anyone interested in the history of whaling Miraculous Air C. M. Mayo,2007 This exquisite book is a rare jewel in the literature of Mexico and its little known peninsula Baja Describing her adventures on this austere and beautiful slip of land C M Mayo creates a multi layered map of place filled with daredevil aviators sea turtle researchers Stone Age cave painters and countless other colorful characters Covering Baja from Cabo San Lucas to Tijuana Mayo s wit and curiosity help her weave a story that seamlessly combines history myth art and local color Focus on Your World Mark Edwards,2002

A Second Reflection Stacey Gatrost,2018-06-30 Hannah Barstow becomes aware of a ghostly presence that coincides with recurring dreams that wake her from sleep After her husband and son are killed in an accident she is catapulted into shock and grief and finds herself drawn into a relationship with the ghost as he begins to reveal himself to her He proves to be a spirit who last reincarnated in 1776 and has come to the 21st century from a parallel universe to protect her help her find her inner strength to rebuild her life and redefine herself The more he reveals himself to her she learns why he is so familiar to her and why she is so significant to him It is intensely romantic and filled with a measure of suspense and a slight touch of comedy as you cross the bridge between two realities

REFLECTION Kim Cresswell,2014-05-23 Reflection is a romantic thriller fueled with heart pounding suspense and high octane action in the tradition of Karin Slaughter Lisa Gardner and Michael Connelly An illegal human cloning project An innocent child hidden from the world An investigative reporter determined to expose the truth Starts bold and holds you captive to the very end New York Times Bestseller Dianna Love After receiving a lead pointing to the world s first cloned human now a small child Whitney Steel vows to unravel the truth However sifting through the facts proves to have dangerous results including death threats and murder When she s nearly killed but is saved by undercover FBI Special Agent Blake Neely he refuses to let her get in the way of his own objective at least not right away Caught in a lethal game between a billionaire obsessed with genetic perfection his hit man s thirst for retribution and a Colombian drug lord fresh out of prison determined to make Blake pay for his twin brother s death over a decade ago Can they save an innocent child before it s too late Faced with tough choices with deadly consequences for many Whitney soon realizes that sometimes a story becomes more than just a story

Whalewatcher ,2002 *Animals in Person* John Knight,2020-08-29 Our relationship with animals is complex and contradictory we hunt kill and eat them yet we also love respect and protect them This ambivalent relationship is further complicated by the fact that we attribute human emotions and intelligence to animals We even go as far as likening them to children and treating them as family members Drawing on a diverse range of case studies *Animals in Person* attempts to unravel our close and fascinating link with the animal kingdom This book highlights the theme of cross species intimacy in contexts such as livestock care pet keeping and the use of animals in tourism The studies draw on data from different parts of the world including New Guinea Nepal India Japan Greece Britain The Netherlands and Australia *Animals in Person* documents the existence of relations between humans and animals that in many respects recall relations among humans themselves

The Doryman's Reflection Paul Molyneaux,2017-07-25 What happens when the oceans are emptied of all their fish What happens when three hundred years of human knowledge and

expertise disappear before the onslaught of the technology driven world The Doryman's Reflection is simply the most accurate and eloquent account of what transpired in the New England fisheries over the past half century as told by the people who lived it including author Paul Molyneaux Fishermen survive as relics the last hunter gatherers among us Their boats crammed with ropes and nets carry the mystique of a nearly forgotten world ruled by the elements Now an accomplished writer Molyneaux as a young man journeyed to Maine with no experience and a dream of working on a boat This is the story of his apprenticeship with Bernard Raynes one of Maine's last independent commercial fishermen The Doryman's Reflection speaks to those who want to know what really happened and what will happen on our oceans Part coming of age memoir part biography it is a very personal account of what families in this dying but important industry face each day Molyneaux shares his own history as a young man seeking the fisherman's life in Maine and Alaska Originally published in 2005 it has been thoroughly updated to cover the events of the past ten years Told through the life of the colorful and engaging Bernard Raynes The Doryman's Reflection is alive and real and powerful far from a dry pedantic treatise on the economics of commercial fishing [Watching Whales & Dolphins in Southern Africa](#) Noel Ashton,2012-07-11 Southern Africa has some of the best whale and dolphin watching opportunities in the world with over half of the world's species being found in our waters Watching Whales Dolphins in Southern Africa is an essential guide to watching the region's 12 more common species In addition to species accounts and charts that aid identification this guide provides detailed information on cetaceans their evolution senses behaviour classification and anatomy Multiple clear images both photographic and illustrated help identify each species by showing how to read the partial signs that cetaceans usually offer such as a flipper tail or even just their blow The book also discusses the tragic toll that hunting has had on whale populations and the ongoing struggle to protect these majestic mammals This is an invaluable guide for anyone wishing to know more about whales and dolphins of the region **Fathoms** Rebecca Giggs,2021-07-20 When writer Rebecca Giggs encountered a humpback whale stranded on her local beachfront in Australia she began to wonder how the lives of whales reflect the condition of our oceans [Emotional and Ecological Literacy for a More Sustainable Society](#) Giuliana Panieri,Margherita Paola Poto,Emily Margaret Murray,2024-05-22 This open access book aims to promote ecological and emotional research and education for sustainability by cultivating values and behaviours consistent with how nature makes us feel connected and nurtured Built upon the intersection of ecological literacy and socio emotional learning grounded in sustainability and relational thinking the research developed in the book covers a wide range of themes connected to the Agenda 2030 [Library Journal](#) ,1995 **San Francisco Review of Books** ,1995 **Managing Natural and Cultural Heritage for a Durable Tourism** Anna Trono,Valentina Castronuovo,Petros Kosmas,2024-04-28 This contributed volume offers a wealth of cases that explore the factors and conditions required for heritage tourism to be economically and socially beneficial to local communities without impairing the natural environment cultural heritage preservation or sustainability for future

generations The studies presented here comprise an examination of measures which have been and can be implemented to ensure sustainable use of natural and cultural systems leading to a new concept of tourism that incorporates science and community practices together to create a favorable environment where tourists and locals can experience meaningful interactions and experiences The book focuses on the role of stakeholders in the development of a new policy regarding the sustainable management of cultural tourism and the possibility of their involvement in the processes governing policy making Emphasis is placed on the role and commitment of local and international authorities including UNESCO in preserving the world s endangered cultural and natural heritage as well as the responsibilities of Member States and public and private actors with respect to future conservation challenges *AB Bookman's Weekly* ,1997 **Choice** ,1995
