## **Reflections On The Gospels Reflections On The Gospel:**

*Reflections on the Bible* Dietrich Bonhoeffer, 2004 What caused Dietrich Bonhoeffer a well educated and philosophical pastor from Berlin to risk his reputation his freedom and finally his life to stand with others against the brutality of the Nazis In this special collection of his writings Bonhoeffer reveals his thoughts and struggles as he reflects on the Bible This unique collection includes excerpts from Bonhoeffer s letters meditations expositions sermons lectures and seminar papers with topics stretching from his thematic study of the historical critical method to his study of selected portions of Psalms 119 which he regarded as the crown of theological life Bonhoeffer s statements about the Bible and his struggle with those statements remain remarkably relevant today for individuals and churches for Christians and non Christians He still challenges us to decide whether we are willing to trust the word of the Bible or not Back of the book     **The Challenge of the Gospel** Joseph A. Slattery, 2004 The Gospels call us to pattern our lives after that of Jesus and by bringing God s love to the world to transform it into His Kingdom The challenge of the Gospels is to resist the temptation to do evil and to employ all our energies in doing good to take up our cross each day and follow Jesus Each Sunday one or another aspect of that challenge is placed before us in these brief reflections on the Gospels for Cycle A of the liturgical readings     *The Gospels* Henry Augustus Boardman, 1855     *Bible Reflections* Allison Light, 2016-11-14 Devout Christians struggle with questions like What is the unpardonable sin Is healing for today What about spiritual gifts do I have any What about angels and demons What is Heaven like Is Hell real Can I know that I m saved and so much more This is the go to book for Bible answers     *With Jesus in the Upper Room* David Winter, 2001 This text presents six weeks of daily Bible readings comments and points for reflection for Lent and Easter The focus is a devotional study of the so called Upper Room Discourses found in chapters 13-17 of John s Gospel which record the conversation between Jesus and his disciples on the night before he died The book takes a systematic study of a Bible passage rather than a thematic approach and includes group study material     **Reflections for Lent 2021** Guli Francis-Dehqani, Graham James, Mark Oakley, Margaret Whipp, 2020-11-30 Reflections for Lent is designed to enhance your spiritual journey through the forty days from Ash Wednesday to Holy Saturday 17 February 3 April 2021 Covering Monday to Saturday each week it offers reflections on readings from the Common Worship Lectionary written by some of today s leading spiritual and theological writers Each day includes Full lectionary details for Morning Prayer A reflection on one of the Bible readings A Collect for the day This volume offers daily material for 17 February to 3 April 2021 taken from the Reflections for Daily Prayer 2020-21 annual edition It is ideal for individuals and groups seeking Lectionary based reflections for use during Lent and Holy Week or for anyone wishing to try Reflections for Daily Prayer before committing to a year s worth of material It also features a simple form of morning and night prayer and a guide to Lent     *The One Year Bible Reflections NLT* Tyndale, Tyndale House Publishers Staff, 2017-01-10 Daily reading Bible with space to read write and reflect Cover     *Practical Reflections on Every Verse of the Holy Gospels. *Verse of the New Testament from Acts to Revelation*) Clergyman,1881      **Reflections on the Gospels** Vance Havner,2004-01-01 Vance Havner s Reflections on the Gospels was rescued by Michael Catt from a collection of newspaper columns and compiled for the first time into book form The result is a wonderful devotional volume that gives a unique insight into God s Word through the eyes of this great preacher      **Jesus, the Divine Physician** Christoph Schönborn,Christoph von Schönborn,2008 Cardinal Schonborn the well known Archbishop of Vienna Austria and renowned spiritual writer and teacher presents this third book in his series of meditations on the Gospels seeking to help the reader to have a deep personal encounter with Jesus Christ as seen in the Sacred Scriptures His first two books focused on the Gospels of Matthew and Mark and this new book covers Luke      Practical reflections on every verse of the holy Gospels, by a clergyman [H.T. Morgan]. Henry Thornhill Morgan,1881      **Reflections on the Apostle Paul's Prison Letters: A Verse by Verse Bible Study** Dr. Randy L. James,2025-05-08 This book contains personal reflections on the labors of the Apostle Paul who is credited with authoring the biblical letters of Galatians Ephesians Philippians and Colossians Each verse of these letters is reviewed commented on and used for personal direction and inspiration for Christians in the 21st century Each passage and commentary is followed by four questions meant to provoke meaningful discussion within Bible study groups

*You Have the Words of Eternal Life* Martin Hogan,2020-07-31 Many people feel drawn to basing their prayer on the Scriptures in particular the gospels These short reflections attempt to listen to the gospel text on its own terms while showing how it can continue to speak to our church and our world today The book will appeal to priests in parishes who may wish to prepare a short homily for the weekday Mass as well as to parishioners who wish to prayerfully reflect on the weekday gospel readings as well as Lectio Divina groups in parishes The calendar of the book helps the busy presider as the reflections are linked to the readings by calendar date rather than the church calendar      *Following the Gospel Through the Year* Raymond Chapman,2001 Week by week in thousands of places of worship and in homes Christians gather around the Scriptures to hear the gospel of Jesus Christ proclaimed The Revised Common Lectionary now used widely by church communities throughout the world has restored the Early Church principle of continuous readings through the Gospels Matthew in Year A Mark in Year B and Luke in Year C with additional readings from John in all three years This pattern of reading enables the narrative of each to unfold and invites reflection on the distinctive style and approach of each of the Evangelists Following the Gospel through the Year aims to enrich and deepen understanding by providing for each Sunday Holy Day and major festival It offers a summary of the essential message of the Gospel reading a link to the other readings of the day an extended meditation and reflection an illustrative quote from the spiritual classics a closing prayer With additional background notes on each of the Gospels and of the seasons of the Christian year this book is an inspiring resource for worship leaders preachers and those who help to lead the intercessions and a reliable guide for personal devotional reading at all times      Expository Thoughts on the Gospels John Charles Ryle,1880      **My Words Will Not Pass Away** Martin

Hogan,2021-09-01 Heaven and earth will pass away but my words will not pass away Luke 21 33 At the weekday Eucharist we read from sections of all four gospels in the course of the liturgical year The reflections in this book are based predominantly on the gospel readings for the weekdays of the coming liturgical year 2021 22 with occasional references to the first reading They follow the sequence of the weeks of the calendar year beginning on the 29th November Monday of the first week of Advent In the course of the liturgical year the gospel readings present us with a significant selection of the words and deeds of Jesus from all four gospels In and through these gospel readings we encounter the living word of the risen Lord to his church There is rich fare here to nourish our faith life and to help us to grow in our knowledge and love of the Lord These short reflections attempt to listen to the Scripture passages on their own terms while showing how they can continue to speak to our church and our world today Many people feel drawn to basing their prayer on the Scriptures in particular the gospels It is hoped that these reflections will serve as a help to prayer for people of faith They may also be of service to priests who seek to offer a short reflection on the gospel reading of the day to their parishioners In parishes where from time to time there is a Liturgy of the Word in place of Mass the Minister of the Word might read the corresponding reflection after the gospel reading On most week days the same readings are proclaimed in the church throughout the world in the setting of the Eucharist To read and reflect upon the readings for the weekdays of the liturgical year is to go on a spiritual journey with the universal church

Johannes Lauten, 2022-03-24 The Gospel of John occupies a special place among the four Gospels Not only is it precise in its historical details and its descriptions of the events of Jesus life and work lending support to its claim of being an eye witness account but it also offers a deep insight into the person of Jesus Christ through his questions statements and other utterances In this perceptive book Christian Community priest Johannes Lauten reflects upon the many layers of meaning in John s Gospel He explores some of the less well known figures surrounding Christ examines recurring words and phrases such as the Son of Man and the seven I am statements and illuminates themes like knowledge faith the workings of grace and Christ s path to the Cross Lauten also considers the origins of the gospel and questions the accepted notion that it was written by John the son of Zebedee and the brother of James He suggests that the account of the raising of Lazarus a story not recorded in the other gospels holds the key to the true identity of the disciple whom Jesus loved his thought provoking book will be of interest to biblical scholars and those wishing to gain a deeper insight into the central meaning of Christianity
