Baker

Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance

In Changing Times Ronald L Higdon,2015-04-15 Being in ministry means dealing with change In fact living itself means dealing with change Church leadership however organized will have to deal with change This book looks at the types of change that might occur in ministry and the difficulties involved and presents practical approaches to dealing with conflict and change in a postive affirming edifying way Chapter titles such as The Big Picture Provides Perspective The Dangers of Listening for the Applause and Major on Conversation Candor and Compassion tell a story of practical experience applied to real world situations Each chapter includes suggestions for activities and items for reflection Dr Ronald Higdon author of Surviving A Son s Suicide brings his five decades in ministry including ten years of intentional interim ministry and ten years as an adjunct seminary professor to extend his hands of encouragement and experience to other pastors His is practical encouragement because he has lived what he teaches This book is suitable for individual study small group study and particularly colleague fellowship groups

Metaphors for Environmental Sustainability Brendon Larson,2011-06-07 Scientists turn to metaphors to formulate and explain scientific concepts but an ill considered metaphor can lead to social misunderstandings and counterproductive policies Brendon Larson observes in this stimulating book He explores how metaphors can entangle scientific facts with social values and warns that particularly in the environmental realm incautious metaphors can reinforce prevailing values that are inconsistent with desirable sustainability outcomes Metaphors for Environmental Sustainability draws on four case studies two from nineteenth century evolutionary science and two from contemporary biodiversity science to reveal how metaphors may shape the possibility of sustainability Arguing that scientists must assume greater responsibility for their metaphors and that the rest of us must become more critically aware of them the author urges more critical reflection on the social dimensions and implications of metaphors while offering practical suggestions for choosing among alternative scientific metaphors

Persuasions of God Paul Lynch,2024-02-20 The nations of the global north find themselves in a post secular or post Christian period one in which the practice expression and effects of religion are undergoing massive shifts In Persuasions of God Paul Lynch pursues a project of theorhetoric a

radical new approach to speaking about the divine Searching for new religious forms amid the lingering influence of Christianity Lynch turns to Ren Girard the most important twentieth century thinker on the sacred and its expression within the Christian tradition Lynch repurposes Girard s mimetic theory to invent a post Christian way of speaking to for and especially about God Girard theorized the sacred as the nexus of violence order and sacralization that lies at the heart of religion What Lynch advocates in our current moment of religious kairos is a paradoxically meek rhetoric that conscientiously refuses rivalry actively exploits tradition through complicit invention and boldly seeks a holiness free of exclusionary violence The project of theorhetoric is to reinvent God through the reimagined themes of meekness sacrifice atonement and holiness From these Persuasions of God offers religion reimagined for our post secular age An interdisciplinary mix of philosophy sociology rhetorical studies and theology this book draws on mimetic theory to answer the question of where religion goes next It will be valued by religious studies and communications scholars as well as anyone interested in the future of Christianity in our modern world

Rethinking Research in the Art Museum Emily Pringle, 2019-07-16 Rethinking Research in the Art Museum presents an original and radical perspective on how research can function as an agent of change in art museums today The book analyses a range of art organisations and draws on numerous interviews with museum professionals to outline the limitations of existing models of museum research Arguing for a more democratic formulation in tune with the current needs and ambitions of the art institution Emily Pringle puts forward a framework for practitioner led co produced research that redefines how knowledge is created in the museum Recognising that museums today negotiate multiple agendas the book outlines the value of constructing the art museum professional as a practitioner researcher and their work as a mode of practice based research be they educators archivists curators or conservators Locating these arguments within the framework of new museology critical pedagogy professional and organisational studies and epistemology the book offers insights and guidance for those interested in how art museums function and the role research plays within these complex institutions Rethinking Research in the Art Museum provides a timely and important resource for museum professionals and scholars students artists and community members It should be of particular interest to those invested in exploring how art museums can continue to make the most of their unique resources whilst becoming more collaborative inclusive and relevant to the twenty first century
