Reflections Of A Country Vet:

Reflections of a Country Vet Eric I. Williams,1996 *Reflections of a Country Vet* Eric Williams,1996-01-01

Reflections; the Stories and Life of a Country Vet Robert Hirt,2015-09-23 This little book is an attempt to introduce the general reading public into the reality of what makes a country veterinarian both a professional on the one hand and the get down and dirty requisite necessary to get the job done in an environment that is often neither welcoming nor particularly clean In a world that is ever espousing cleanliness and order the fact remains that in nature animals especially farm animals do not live by that code Farming and agribusiness requires that to remain profitable decisions have to be made by those in charge to save or salvage an animal in the most humane and medically expedient way And along the way there is often humor and kindness that often brings out the best in these rural folks and their veterinarian English spelling grammar and word usage was always very enjoyable for me as a young man Now into retirement I have found great joy in writing stories of my youth and especially of my career as a veterinarian The positive comments on some of my stories by noted author and classical guitarist Anthony Weller gave me incentive to put these stories and experiences into book form It is my hope the you the reader enjoy reading these stories as much as I have enjoyed writing them **Vet's Reflections on Life** Russell

Pyle,2019-08-01 After the Vietnam War Russell lived in Everett Washington having spent the end of his enlistment in Bremerton shipyard across the water from Seattle in Puget Sound After attending college and settling in civilian life after six years Navy time it became necessary to return home Social stigma after Vietnam and finances left a choice of leaning on friends or a return to home to start over at the age of twenty seven The return to Nashville helped keep the thread of music and writing alive Finding adapting to civilian life and work lonely and difficult he began retreating mentally and emotionally into himself and began writing down thoughts beginning with a letter to a friend left behind Typical of letters not mailed and thoughts unsaid these were collected over the years reflecting on deeper meaning of life experiences viewpoints of the past searching identity and meaning of the present as each page was recorded anticipation and remembrance highs and lows of life Collected by his wife Suzanne for family sister and Indian friend and mentor in a volume for the holidays one year This book is the narrative of those collected thoughts **Whitaker's Books in Print** ,1998 **Journal of the American**

Veterinary Medical Association ,1997 **City Girl, Country Vet** Cathy Woodman,2012-09-04 London veterinarian Maz Harwood has learned the hard way that love and work don t mix So when Emma her best friend from vet school asks her to look after her practice in the English countryside for six months Maz decides that is just the change of scenery she needs But country life is trickier than she could have imagined It is one thing to trade her smart heels for wellies it s another to deal with unwelcoming locals an intense rivalry with the town s other vet practice and worse yet the realization that her friend s practice is in as bad a shape as Maz s own broken heart Things get even more complicated when she meets her rival s dashing son who is totally unsuitable as a prospect or is he Can Maz win over the locals save the lives of her patients keep

Emma's practice from going under and find love again Cathy Woodman a fresh new voice in women's fiction has written a warm breezy romantic comedy with just enough mishap and plenty of adorable four legged creatures Previously published in the UK as Trust Me I'm A Vet **It Really Does Happen to a Vet!** Joe Inglis,2016-05-19 Joe Inglis star of BBC 1's award winning series Vets in Practice has written his diary for a year It spans his first job after finishing training with a small Devonshire practice where farmyard crises loom large to an urban one where domestic pets in trouble are more the norm although he had to give the kiss of life to a snake on camera Even the newly qualified raw young vet can see that there are good vets and bad sound practice and short cuts Joe Inglis diary is very amusing and full of incident but also outspoken about some aspects of caring for animals the countryside and about people who keep animals Funny and very touching Family Circle

The Best of James Herriot James Herriot,1998-09-15 The Best of James Herriot is one of the most extraordinary volumes ever devoted to the work and world of a contemporary writer Within its covers are unforgettable episodes from the remarkable series of memoirs that began with All Creatures Great and Small the ones my family and I have laughed at over the years and the ones my readers have said they most enjoyed as Herriot himself put it Yet the book is far more than a simple anthology Its gorgeous pages also include hundreds of line drawings and color photographs capturing Herriot's Yorkshire in a worthy complement to the writer's words The 1991 publication of Every Living Thing rendered the original edition of this book incomplete This fall will mark the publication of the complete definitive edition with the addition of five of his best more recent stories as well as new art Once again The Best of James Herriot becomes the quintessential Herriot volume one of those invaluable books that
