*Reflections of a Healing Heart* T. Monique, 2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged

**Daily Reflections on Divine Mercy** John Paul Thomas, 2016-03-17. *Daily Reflections on Divine Mercy* was written to provide an awakening to the abundant Mercy of God. It offers daily reflections and prayers to help deepen the day-to-day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska. *Divine Mercy in My Soul* by Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime. However, many find this invitation intimidating, not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina's notebook entries. This book, *Daily Reflections on Divine Mercy*, was written with the hope of guiding you through Saint Faustina's Diary and her six notebooks of reflections. It can be used on its own to help you pause and reflect on the beauty of Jesus' messages to her, or as a companion book as you simultaneously read Saint Faustina's Diary. *Daily Reflections on Divine Mercy* offers 365 daily teachings, reflections, and prayers based upon the pages of Saint Faustina's Diary. The structured way to use this daily reflection book is to do just that: reflect upon one page each day. However, some may feel called to skip around a bit, read a few reflections at a time, or return to a particular reflection through which God spoke to you. Therefore, though this book was written with the intent of providing one reflection for each day of the year, the best way to use it is any way you feel called.

and the way that benefits your relationship with God the most The first paragraph for each day offers this author s insights to the words and teachings of Saint Faustina The section of her Diary used for the day s teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day s reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God s Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others
