## **CHRISTMAS REFLECTIONS**

**Reflect this year at Christmas  
on what the Lord has done for us.  
He gave up Heaven's glory  
to walk on this earth's dust  
As a tiny baby, placed Himself in mortals' hands.  
He could have trod the streets of gold  
but chose to walk in sand.  
He spent His life in service  
to those who should have served:  
Then he hung upon the cross  
and took what we deserved.  
So, as we think of what he gave  
to us by coming here,  
Let us purpose in our hearts  
to live differently next year.  
May our resolution  
be commitment to our Lord,  
Renewed determination  
to live according to His word.**

Boyer, 2017-05-23 Fruit of the Vine A Biblical Spirituality of Wine is designed to help the reader grow in spirituality through reflecting on biblical vineyard stores wine making and wine as a metaphor for life A spirituality of wine categorized as a spirit connects the spirit in wine to the universal spirit all share Wine appeals to all five senses Its bouquet can be smelled its complexity often compared to fruit can be tasted its shades of red designating its body can be seen as it clings to or quickly runs down the inside of a glass One can hear the pop as the cork leaves the bottle's neck and the gurgle of the wine leaving the bottle as it is poured into a glass Wine is a major sign of transformation in the process of growth from blossom sunlight and water to grapes which are in turn broken apart integrated into a whole and fermented into alcohol While the wine is aged it undergoes even more transformation People are transformed when they share this already multiple times transformed beverage The vineyard and all it produces can reveal the divine if a person but opens his or her eyes to see     Reflections of Immanuel Scott Lencke, 2020-09-30 Each year society cycles back around to the all important date of December 25 This date is bookended by Thanksgiving and New Year's Day yielding a five to six week festive holiday period within American culture Yet the historic church has held to a different rhythm one that begins with the season of Advent and then moves into the twelve days of Christmas The word Advent means coming or arrival It's a time of preparation and anticipation as we head toward the celebration of Christ's birth Some of us have previously walked through the seasons of the church's calendar others perhaps not But it is a story that is deeply enriching Reflections of Immanuel invites the reader to wait for Christmas and join the church's rhythmic story of Advent As we patiently move through the season and then on to Christmas itself this little book offers fresh insights on familiar Scripture passages and themes     O Marvelous Exchange John J. McIlhonn, 1991 This small volume of reflections on the office of readings from the Liturgy of the Hours is not a how to do it book Rather it invites us to reflect on the mystery of Christ's incarnation not for answers to the question What are we to do but with light for the question What are we to be Christ's never ending mission calls us to be transformed into the likeness of Christ's incarnation     **Reflections of Life** Johnny Ishmel Henry, 2012-08 This book is about expressing the experiences of life from

the heart and soul It will reveal within its readers the inner spiritual treasures of life through childhood memories love adventures and heart aches but also uplift the readers as they journey through the pages of this lyrical masterpiece May the readers find solace in their lives as they discover the true nature of their inner desires and engross themselves in the realm of poetic bliss Allow the poems to help release the shackles that bind your heart and soul and allow the universal flow of love to connect you to a spiritual realm of infinite joy and peace This book is about finding a happy medium within your lives as you traverse the maze of life With two different writing styles the authors of this book hope to give you two different but complementary viewpoints on experiences that have shaped their view of life their view of love and their view of poetry We hope that reading this collection of poems will lead you to a more fulfilling and joyous life adding excitement and adventure as well as discovery and enrichment of character
