Modern Ireland R. English, G. Masculinity and Irish Popular Culture Tiger s Tales is an interdisciplinary collection of essays by established and emerging scholars analysing the shifting representations of Irish men across a range of popular culture forms in the period of the Celtic Tiger and beyond *Men and Masculinities in Irish Cinema* D. Ging, 2012-12-03 Spanning a broad trajectory from the New Gaelic Man of post independence Ireland to the slick urban gangsters of contemporary productions this study traces a significant shift from idealistic images of Irish manhood to a much more diverse and gender politically ambiguous range of male identities on the Irish screen *Irish Writers and the Thirties* Katrina Goldstone, 2020-12-29 This original study focusing on four Irish writers Leslie Daiken Charles Donnelly Ewart Milne and Michael Sayers retrieves a hitherto neglected episode of Thirties literary history which highlights the local and global aspects of Popular Front cultural movements From interwar London to the Spanish Civil War and the USSR the book examines the lives and work of Irish writers through their writings their witness texts and their political activism The relationships of these writers to George Orwell Samuel Beckett T S Eliot Nancy Cunard William Carlos Williams and other figures of cultural significance within the interwar period sheds new light on the internationalist aspects of a Leftist cultural history The book also explores how Irish literary women on the Left defied marginalization The impetus of the book is not merely to perform an act of literary salvage but to find new ways of re imagining what might be said to constitute Irish literature mid twentieth century and to illustrate how Irish writers played a role in a transforming political moment of the twentieth century It will be of interest to scholars and students of cultural history and literature Irish diaspora studies Jewish studies and the social and literary history of the Thirties **Books** **Ireland** , 2001 A New History of Ireland Volume VII J. Masculinities and Manhood in Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women's and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis
