**At the Community College: Smiles and Reflection** Jeffrey Ross, 2019-08-15 Community colleges provide valuable learning experiences for millions of Americans. But they are not mini-universities or dedicated trade schools; they offer a unique higher-ed pathway which is often misunderstood and sometimes underappreciated. This book provides a behind-the-scenes look at daily community college life from student, administrative board, and faculty perspectives. You will learn or recognize a great deal about daily community college machinations and the characters who are hard at work to make the community college journey sustainable. Both humorous and revealing, the engaged reader will come away with a new appreciation for the American Community College. *Event: A Reflection of Me* Sidney Mason, 2017-04-28 We all see a bit of ourselves in our children in a lot of the things they do, from the good to the bad, when they succeed and when they fail. In a sense, one might believe that to teach our children right from wrong, we are indeed teaching those same lessons to ourselves as the saying goes: to point a finger only to have three more pointing back at you. Follow Mason Broady, a man long in years and experience, for a weekend while searching for some sort of sustenance from his own days alone. He finds himself now a widower, and routine is losing its flavor. Until, by happenstance, he runs into an old friend from a good while ago who will remind him that he is very much alive. Follow his family, his children, and grandchildren, being a reflection of who he is and who he was. They too would have to navigate life's intricacies, its hills and valleys, with the sort of questioning that would force an individual to either scream for an answer or fall to silence from simply not knowing. They'll learn it's okay not knowing sometimes. But still, in the end, they are a family, sometimes loving one another and sometimes not so much. They are still a family. A reflection of one another or, as Mason Broady would say, a reflection of me.

**Reflection On A Revolution** Shahid Al-Bilali, 2019-03-21 **REFLECTION ON A REVOLUTION: THE EVOLUTION OF OUR MINDS** seeks to bring the knowledge of a turbulent era in Louisville, Kentucky, and America in the late 1960s and 70s. Drawing from my own participation in that movement, hoping with this book will bring a greater understanding of the people and struggle of that era that fought to eradicate racial inequality in America.
