Communities, Politics, and Reformation in Early Modern Europe Thomas Brady, 2021-10-25 The studies united in this volume explore themes of community politics religion gender and social conflict and accommodation during the first decades of the Reformation movement Other chapters investigate historiographical themes especially the interpretation of early modern German history Two longer chapters address European themes the historical sociology of early modern societies in terms of legal definitions of status and modern conceptions of economic class and the difference between central and western European development in a global context Taken together the studies explore the transition zone between medieval and modern history in both microhistorical especially urban and regional and broadly comparative contexts Some of the studies are supplementary to the author's books on the sixteenth century Protestant Reformation at Strasbourg in southern Germany and in the Holy Roman Empire

Die lutherische Reformation, ihre unmittelbare Auswirkung auf den Salzburger Bauernkrieg 1525 und die damit verbundenen Forderungen, 2025-03-19 Studienarbeit aus dem Jahr 2023 im Fachbereich Geschichte Europas Mittelalter Frühe Neuzeit Note 1,5 Sprache Deutsch Abstract Max Lenz bezeichnete in seinem Werk Diktatur und Revolution welches im Jahr 1904 veröffentlicht wurde den Bauernkrieg als Religionskrieg für die

Reformation Der Zusammenhang zwischen den Bauernkriegen die sich vor allem im Südwesten und Südosten des Heiligen Römischen Reichs ausbreiteten und der Reformation ist auch heute nicht zu bestreiten Der Bauernkrieg im Erzstift Salzburg setzte eher spät ein und wird daher häufig auch als Nachhall des Bauernkrieges bezeichnet Auch hier fiel das neue religiöse Gedankengut auf fruchtbaren Boden Die Bewohner des Erzstifts Salzburg vor allem die Bauern und Berggewerken litten unter den hohen Zahlungen an die Kirche und wünschten sich zunehmend mehr politische Rechte sowie Freiheit vom finanziellen Druck der Kirche Der Salzburger Bauernkrieg weist einige Besonderheiten auf Nicht nur setzte er wesentlich später ein als die Erhebungen in Schwaben die bereits im Jahr 1524 ihren Höhepunkt erreichen der Begriff Bauernkrieg scheint zudem nicht wirklich passend Die Erhebung in Salzburg ist vielmehr ein gemeinsamer Aufstand vieler Bewohner des Erzstifts Salzburg Nicht nur die Bauern erheben sich gegen ihren Landesfürsten und Grundherren Auch die Stadtbevölkerung und die Berggewerken des Erzstifts sind am Aufstand beteiligt und äußern in ihren Forderungen den Wunsch nach grundlegenden Veränderungen und vor allem einen weltlichen Herrscher Der Salzburger Bauernkrieg ist durch zeitgenössische Handschriften sowie Korrespondenzen äußerst gut dokumentiert und überliefert Von besonderer Bedeutung ist die ausführliche Quellensammlung von Friedrich Leist die zahlreichen Korrespondenzen aus dem gesamten Erzstift umfasst Zudem sind die Forderungen der Bauern und Berggewerken durch Albert Hollaender überliefert In dieser Arbeit möchte ich untersuchen inwiefern die bürgerlichen Forderungen der 24 Artikel der gemeinen Landschaft Salzburg von reformatorischen Grundsätzen geprägt sind beziehungsweise inwiefern diese Forderungen die Ideen und das Weltbild Luthers aufgreifen und repräsentieren Dabei möchte ich zuerst auf die wirtschaftliche politische und soziale Lage im Erzstift Salzburg eingehen Anschließend werde ich die 24 Artikel der gemeinen Landschaft Salzburg erläutern und in drei Teilbereiche unterteilen um diese dann auf reformatorische Grundzüge und Einflüsse zu untersuchen

The Counter-Reformation in Central Europe Regina Pörtner, 2001-09-06 This is a detailed and scholarly account of religious belief and conflict in the strategically important province of Inner Austria between 1580 and 1630 Regina Pörtner shows how Protestantization in the first half of the sixteenth century was linked to communication with the Protestants of the rest of the Empire and to the failure of ecclesiastical reform in the church province of Salzburg of which Styria formed part The Protestant success of 1578 however proved deceptive because it lacked constitutional substance and was defended by an inherently weak union of the Inner Austrian estates Dr Pörtner analyses the aims achievements and shortcomings of the Habsburgs confessional crusade in Styria showing how although the progress of Protestantization was reversed the Counter Reformation left an ambivalent legacy to the modern Austrian state

The Council of Trent: Reform and Controversy in Europe and Beyond (1545-1700) Wim François, Violet Soen, Christopher B. Brown, Günter Frank, Bruce Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Zsombor Tóth, Günther Wassilowsky, Siegrid Westphal, 2018-09-10 Exactly 450 years after the solemn closure of the Council of Trent on 4 December 1563 scholars from diverse regional disciplinary and confessional backgrounds convened in Leuven to reflect upon the

impact of this Council not only in Europe but also beyond Their conclusions are to be found in these three impressive volumes Bridging different generations of scholarship the authors reassess in a first volume Tridentine views on the Bible theology and liturgy as well as their reception by Protestants deconstructing many myths surviving in scholarship and society alike They also deal with the mechanisms Rome developed to hold a grip on the Council s implementation The second volume analyzes the changes in local ecclesiastical life initiated by bishops orders and congregations and the political strife and confessionalisation accompanying this reform process The third and final volume examines the afterlife of Trent in arts and music as well as in the global impact of Trent through missions A Negotiated Settlement Joseph F. Patrouch,2021-10-25

The changes associated with reformed Catholicism in the decades around 1600 and how they affected men and women can only be understood by looking at the interactions between politics and social and religious requirements on a local level This study first of all sketches the Austrian rural territory that will be analyzed Next the local administrative disputes are outlined The third chapter looks closely at one monastery estate while chapter four details the administrators responsible for the implementation of policies The concluding chapter concentrates on the experiences of women Religious cultural and women s historians interested in rural social transformations in the early modern period will find this an important book The political landscape which stretched from the Council of Trent to the bodies of pregnant girls proved to be exceedingly complex This local study of the Counter Reformation makes use of a variety of previously unexamined archival sources **Religion,**

Community, and Slavery on the Colonial Southern Frontier James Van Horn Melton,2015-06-04 This book tells the story of Ebenezer a frontier community in colonial Georgia founded by a mountain community fleeing religious persecution in its native Salzburg This study traces the lives of the settlers from the alpine world they left behind to their struggle for survival on the southern frontier of British America Exploring their encounters with African and indigenous peoples with whom they had had no previous contact this book examines their initial opposition to slavery and why they ultimately embraced it Transatlantic in scope this study will interest readers of European and American history alike **Music, Piety, and**

Political Power in 17th-Century Salzburg Kimberly Beck Hieb,2024-08-20 Music Piety and Political Power in 17th Century Salzburg traces the role of sacred music in the service of politics at the archbishopric of Salzburg one of many jurisdictions that made up the Holy Roman Empire in the second half of the 17th century The author reveals that the use of music to present political cultural and religious meanings was not limited to cross confessional communities the Imperial capital of Vienna or other early modern metropolitan centers such as Munich and Paris Presenting music as a powerful cultural artifact that informs our understanding of the religious and political relationships shaping the history of central Europe this study expands our understanding of the history of music absolutism and Catholicism in the 17th century and will be of interest to scholars working in those areas *Rebellion, Community and Custom in Early Modern Germany* Norbert Schindler,2002-10-17 When this volume first appeared in German it inspired a whole generation of young scholars Schindler

recreates the lives of both the poor and excluded the milieu of the burghers and the rumbustuous lifestyles of the Counts von Zimmern A true archivist he evokes the lost worlds of sixteenth and seventeenth century people He investigates popular nicknames snowball fights carnival rituals even what people did at night time before the advent of lighting A final essay deals with an extraordinary late set of trials for witchcraft in which over 200 people died Translated into English for the first time the volume contains a new Foreword by Natalie Zemon Davis and a new introductory essay setting out the key influences of Schindler's work Norbert Schindler is the leading exponent of historical anthropology in the German speaking world A founding member of the German journal *Historische Anthropologie* Schindler teaches at the University of Salzburg

Pietism in Germany and North America 1680-1820 Hartmut Lehmann, James Van Horn Melton, 2016-12-05 This collection explores different approaches to contextualizing and conceptualizing the history of Pietism particularly Pietistic groups who migrated from central Europe to the British colonies in North America during the long eighteenth century Emerging in German speaking lands during the seventeenth century Pietism was closely related to Puritanism sharing similar evangelical and heterogeneous characteristics Dissatisfied with the established Lutheran and Reformed Churches Pietists sought to revivify Christianity through godly living biblical devotion millennialism and the establishment of new forms of religious association As Pietism represents a diverse set of impulses rather than a centrally organized movement there were inevitably fundamental differences amongst Pietist groups and these differences and conflicts were carried with those that emigrated to the New World The importance of Pietism in shaping Protestant society and culture in Europe and North America has long been recognized but as a topic of scholarly inquiry it has until now received little interdisciplinary attention Offering essays by leading scholars from a range of fields this volume provides an interdisciplinary overview of the subject Beginning with discussions about the definition of Pietism the collection next looks at the social political and cultural dimensions of Pietism in German speaking Europe This is then followed by a section investigating the attempts by German Pietists to establish new religiously based communities in North America The collection concludes with discussions on new directions in Pietist research Together these essays help situate Pietism in the broader Atlantic context making an important contribution to understanding religious life in Europe and colonial North America during the eighteenth century

Peace in the Post-Reformation John Bossy, 1998-11-05 Christians are supposed to love their neighbours including their enemies This is never easy When feud and honour are common realities it is even harder than usual This book sketches the history of peace making between people not countries as an activity of churches or of Christianity between the Reformation and the eighteenth century The story is recounted in four countries Italy France Germany and England and in several religious settings including Roman Catholic Lutheran Church of England and Calvinist Each version is a variation upon a theme what the author calls a moral tradition which contrasts as a continuing imperative with the novelties of theory and practice introduced by the sixteenth century reformers In general the topic has much to say about the destinies of Christianity in each

country and more widely and strikes a chord which will resonate in both the social and the religious history of the West

The Counter-Reformation Anthony D. Wright, 2017-09-29 Modern scholarship has effectively demonstrated that far from being a knee jerk reaction to the challenges of Protestantism the Catholic Reformation of the sixteenth and seventeenth centuries was fuelled primarily by a desire within the Church to reform its medieval legacy and to re-enthuse its institutions with a sense of religious zeal In many ways both the Protestant and Catholic Reformations were inspired by the same humanist ideals and though ultimately expressed in different ways the origins of both movements can be traced back to the patristic revival of the fifteenth and sixteenth centuries Nevertheless it is undeniable that many contemporaries and subsequent historians came to view the Catholic Reformation as an attempt to challenge the Protestants and to cut the ground from beneath their feet In this new revised edition of Dr Wright's groundbreaking study of the Counter Reformation the wide panoply of the Catholic Reformation is spread out and analysed within the political religious philosophical scientific and cultural context of late medieval and early modern Europe In so doing this book provides a fascinating guide to the many doctrinal and interrelated social issues involved in the wholesale restructuring of religion that took place both within Western Europe and overseas

Cultures of Power in Europe During the Long Eighteenth Century Hamish M. Scott, Brendan Simms, 2007-07-05 An analysis of the forces which shaped politics and culture in Germany France and Great Britain in the eighteenth century

"Poor Sinning Folk" David Myers, 2019-05-15 In *Poor Sinning Folk* W David Myers investigates the sixteenth century fate of the medieval Christian sacrament of penance the process of confessing to a priest in secret one's sins against God and other humans In Pre Reformation Germany numerous layers of public ritual expectation and display surrounded the central secret act of confessing and conditioned its meaning Less frequent and less private than the ritual familiar to modern Catholics medieval penance was for most German speaking Christians a seasonal event with social as well as spiritual ramifications for participants Protestantism swept confession away from many German lands Even where Catholicism survived and flourished as in the lands comprising modern Bavaria the sacrament of penance changed profoundly The modern confessional booth was introduced making the sacrament more prominent more secure from scandal and ultimately more private This reform coincided with the efforts of secular rulers to fashion a more disciplined obedient population New religious orders most notably the Society of Jesus in Bavaria saw the frequent confession of lay people as a means to piety and spiritual discipline amidst the temptations of worldly affairs By the middle of the seventeenth century political and religious forces combined to forge the sacrament of penance into an effective instrument of spiritual discipline which would fashion the modern Catholic conscience and endure essentially unchanged into the late twentieth century

Exul Austriacus Hans Krawarik, 2010

Der Salzburger Dom 1598-1630 Wolfgang Lippmann, 1999-01-01 Dem Salzburger Dom kommt als Kirche eines bedeutenden Erzbistums in Süddeutschland und Österreich eine besondere Rolle zu Der Brand des romanischen Vorgängerbaus 1599 war der Anlaß einen Neubau in gewaltigen Maßstäben zu beginnen Der

regierende Erzbischof Wolf Dietrich von Raitenau 1587 1611 selbst als Architekturdilettant tätig berief aus Venedig den Architekten Vincenzo Scamozzi der ihm einige Pläne lieferte. Doch die Arbeiten konnten aus verschiedenen Gründen erst unter dem Nachfolger Erzbischof Markus Sittikus von Hohenems 1612 1619 richtig beginnen. Er berief nicht nur einen neuen Architekten Santino Solari sondern gab der Domplanung auch ein ganz anderes Konzept. Gegenreformatorische Ideen traten nun architekturtheoretischen Vorstellungen zur Seite. Beide Erzbischöfe waren in Italien aufgewachsen weshalb sie den italienischen Baustil bevorzugten. Anliegen der Untersuchung ist jedoch auch die anderen Einflüsse und die verschiedenen historischen Ereignisse darzustellen welche Baugeschichte und Gestalt des Domes mitbestimmt haben. Die kulturellen Wechselwirkungen zwischen Nord und Südeuropa, die Rezeption italienischer Architekturtraktate und die Verbreitung des italienischen Baustils nördlich der Alpen werden eingehend behandelt. Ein wichtiges Kapitel gilt der Interpretation der beiden Dombaupläne Vincenzo Scamozzis die hier erstmals zusammen vorgestellt werden. Ein weiterer Schwerpunkt des Buches liegt darin den Vorbildcharakter einzelner Bauwerke darzustellen und die Bedeutung dieser Bauten für den Salzburger Dom zu erklären. Im Anhang werden zum Teil noch unbekannte Quellen zum Dombau sowie Dompläne vorgestellt. Die Arbeit erhielt 1993 den Salzburger Landespreis. Karl Borromäus und die katholische Reform Mariano Delgado, Markus Ries, 2010

The Salzburg Transaction Mack Walker, 1992. In this elegant book Mack Walker not only provides the most complete available account of the expulsion but also makes a strikingly original contribution to historical method. He tells the story in five different ways: as an episode in the history of the Salzburg archbishopric, in the history of the Prussian state, in the confessional and constitutional life of the Holy Roman Empire, in the experience of the emigrants themselves and in the legendry of German, especially Prussian, Protestantism. His unusual narrative method enables him to reveal as perhaps no previous historian has done the intricate inner workings of the Holy Roman Empire where conflicting confessional, dynastic, political and economic interests were held in constantly shifting balance. The exile of the Salzburg Protestants Walker shows satisfied all parties concerned except possibly the migrants themselves.

Immerse yourself in the artistry of words with Crafted by is expressive creation, Immerse Yourself in **Reformation Katholische Reform Und Gegenreformation Im Erzstift Salzburg** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
