Bernard Schlager, David Kundtz

Reformation Of The Heart Seasonal Meditations By A Gay Christian:

Reformation of the Heart Chris Glaser, 2001-01-01 Presents another collection of Christian meditations for gays lesbians and their friends and families starting with Advent and Christmas and continuing throughout the calendar to address Epiphany Lent reformation and more Original **Ministry Among God's Queer Folk, Second Edition** Bernard

Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care **Radical Love** Patrick S. Cheng, 2011-03-01 The first introductory textbook on

the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians Chris Glaser, 2009-07-01

With the removal of sexual orientation as a bar to ordination in the Presbyterian Church U S A pending approval of a majority of presbyteries and the Episcopal Church's 2009 General Convention calling for the development of theological and liturgical resources for same sex blessings sexual orientation especially with regard to marriage is a central issue Secularly too the topic is front page news with the recent California same gender marriage ruling and subsequent Proposition 8 vote and the update of the Massachusetts same gender marriage law This book sets forth the case for religious institutions blessing of same gender marriage positing that same gender marriage does not detract from the sacredness of heterosexual marriage but rather enhances and nourishes the institution Chapters include Claiming the Blessing Deeper Than Scripture Traditional Family Values The Sacred Source of Marriage Sex and the Body of Christ Marriage As a Spiritual Discipline **The Final Deadline** Chris Glaser, 2010-09-01 In contrast to religious traditions that attempt to shield us from death by promising eternal life or by denying or demeaning physical existence Glaser looks at death directly and with appreciation for what it

teaches us about life Death is an inscrutable and even stern Zen master ready to teach us a spiritual director eager to inspire us a soul friend reminding us that our lifespan has sacred worth Glaser writes movingly of the deaths that have shaped his soul whether those deaths occurred through assassination murder suicide accident divorce illness or AIDS A few deaths were especially transforming and personal and all will open readers hearts to their own discoveries when facing The Final Deadline
