"The Church as the Image of the Trinity" Kevin J. Bidwell, 2011-06-10 A resurgence of Trinitarian interest gained momentum in the twentieth century and it is showing little sign of abating in the twenty first century This research endeavors to critically evaluate Miroslav Volf's ecclesial model for the church as the image of the Trinity one that he presents with the English title *After Our Likeness* Volf proposes a social doctrine of the Trinity one that is heavily influenced by the theological writings of Jurgen Moltmann and he puts forward that this nonhierarchical Trinity should be reflected in the structures and theology of the church If Volf is correct then a radical reshaping is needed for the church to conform to an egalitarian pattern one that is after the likeness Gen 1:26 of an egalitarian God In this critical examination Kevin J Bidwell begins by stating the theological influences that are pertinent to Volf's thesis in *After Our Likeness* and the assumptions that undergird and inform his whole theological paradigm An important theological excursus is offered to assess the theology of John Smyth the first English Baptist who is Volf's representative figure for the location of his own ecclesiology the Free Church A critical analysis follows of Volf's engagement with his two chosen dialogue partners who represent both Western and Eastern theological traditions Joseph Ratzinger and John D Zizioulas Volf presents five theses for the church as the image of the Trinity which could be labeled as Volf's Free Church in the image of Volf's revised doctrine of the Trinity This monograph offers extensive insight into the contemporary debate on the doctrine of the Trinity but it also assesses many aspects of ecclesiology from both Eastern and Western perspectives

Unquiet Things Colin Jager, 2015 In Great Britain during the Romantic period governmental and social structures were becoming more secular as religion was privatized and depoliticized If the discretionary nature of religious practice permitted spiritual freedom and social differentiation however secular arrangements produced new anxieties *Unquiet Things* investigates the social and political disorders that arise within modern secular cultures and their expression in works by Jane Austen Horace Walpole Samuel Taylor Coleridge Lord Byron and Percy Shelley among others Emphasizing secularism rather than religion as its primary analytic category *Unquiet Things* demonstrates that literary writing possesses a distinctive ability to register the discontent that characterizes the mood of secular modernity Colin Jager places Romantic era writers within the context of a longer series of transformations begun in the Reformation and identifies three ways in which romanticism and secularism interact the melancholic mood brought on by movements of reform the minoritizing capacity of literature to measure the disturbances produced by new arrangements of state power and a prospective romantic thinking Jager calls after the secular The poems novels and letters of the romantic period reveal uneasy traces of the spiritual past haunted by elements that trouble secular politics at the same time they imagine new and more equitable possibilities for the future In the twenty first century Jager contends we are still living

within the terms of the romantic response to secularism when literature and philosophy first took account of the consequences of modernity

The Necessity of Christ's Satisfaction Joshua D. Schendel, 2022-10-04 The seventeenth century Reformed Orthodox discussions of the work of Christ and its various doctrinal constitutive elements were rich and multifaceted ranging across biblical and exegetical historical philosophical and theological fields of inquiry Among the most contested questions in these discussions was the question of the necessity of Christ's satisfaction This study sets that great controverted point as Richard Baxter called it in its historical and traditional contexts and provides a philosophical and theological analysis of the arguments offered by two representative Reformed scholastic theologians William Twisse and John Owen

Peter Martyr Vermigli (1499-1562) and the Outward Instruments of Divine Grace Jason Zuidema, 2008-08-20 Der reformierte Theologe Peter Martyr Vermigli 1499-1562 war ein Moderator Er suchte den Mittelweg zwischen theologischen Extremen Dafür typisch waren seine Überlegungen zu den äußeren Zeichen der göttlichen Gnade Solche Zeichen die menschliche Natur Christi die vernehmbaren Worte der Schrift und die sichtbaren Worte der Sakramente sollten laut Vermigli weder zu stark verfleischt noch zu stark spiritualisiert werden Obwohl Gott auch direkt ohne dazwischen geschaltete Zeichen handeln könnte hat er verfügt Heil durch diese Zeichen zu erwirken Deshalb lassen sich die innere spirituelle Kraft und das äußere Zeichen nicht voneinander trennen Vermigli ein gebildeter humanistischer Forscher vertrat wohl bedachte distinktierte Positionen Ein tieferer Blick in seine Theologie wie ihn Zuidema wagt lohnt sich um die inneren theologischen Vernetzungen seiner Zeit besser kennen zu lernen

Thoughtful Christianity Matthew C. Shrader, 2021-04-15 Baptists in the nineteenth century grew from a small struggling denomination to the second largest Protestant denomination in America They constructed conventions schools churches and benevolent works American Baptists transformed from cultural outsiders to insiders Despite this growth in size organization and influence there is surprisingly few attempts to understand them historically This is even more true for Northern Baptists as opposed to their Southern counterparts despite the fact that Northern Baptists in many respects were the theological leaders of the denomination This raises questions about what their theology was what it was rooted in and how well it could handle the surplus of challenges that nineteenth century religion threw at it Chief among these were the challenges toward biblical and theological authority Perhaps the brightest star of the Northern Baptist constellation and doubtless the most well connected was Alvah Hovey from Newton Theological Institute in Newton Centre Massachusetts This book the first book length treatment of this Baptist giant since Hovey s son published a biography in 1929 chronicles Hovey s life and career focusing on how he coped with the challenges of biblical criticism and a rapidly changing theological context Hovey produced a theology he understood as thoughtful Christianity
