celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions Reformed Theology and Evolutionary Theory Gijsbert Van den Brink,2020-02-25 Many books aim to help beginners explore whether or not evolutionary science is compatible with Christian faith This one probes more deeply to ask What do we learn from modern evolutionary science about key issues that are of special theological concern And what does Christian theology especially in its Reformed expressions say about those same key issues Gijsbert van den Brink begins by describing the layers of meaning in the phrase evolutionary theory and exploring the question of how to interpret the Bible with regard to science He then works through five key areas of potential conflict between evolutionary theory and Christian faith spelling out scientific findings and analyzing Christian doctrinal concerns along the way His conclusion although some traditional doctrinal interpretations must be adjusted evolutionary science is no obstacle to classical Christian faith **The Oxford Handbook of Presbyterianism** Gary Scott Smith,Paul Charles Kemeny,2019 The Oxford Handbook of Presbyterianism provides a state of the art reference tool written by leading scholars in the fields of religious studies and history **Quest for Identity** Roger E. Gordon Melton,2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism Celebrating God's Cosmic Perichoresis Bryan Jeongguk Lee,2011-08-05 In the face of today s unprecedented ecological crisis Christianity is often seen not only as sharing in the guilt of causing this crisis but also as unwilling and incapable of providing any help in re envisioning the required new way of life on earth This view is justified when we consider how modern Christian theology has tended to denigrate the natural world and how the prevalent world deserting Christian eschatology forms a spirituality that is fundamentally insensitive and indifferent to nature In light of this a meaningful Christian contribution to today s world of enormous ecological suffering must lie in envisioning a fundamentally new ecological vision of humanity s relationship to nature as well as providing an ethical energy to transform our current path of self destruction In this book Bryan J Lee finds in Jurgen Moltmann s eschatological panentheism a viable pathway toward a Christian ecological re envisioning of the relationship between God and humanity and between humanity and nature Furthermore Lee demonstrates in a persuasive way how Christian worship can and should be the epicenter of ecological transformation of the society emphatically interpreting Christian worship as an ecological eschatological anticipation of God s cosmic perichoresis Confessing Christ in the Naga Context Bendangjungshi,2011 In this book author Bendangjungshi brings into dialogue the three leading Northeast Indian tribal theologians Renty Keitzar K Thanzauva and Wati Longchar with the Western theology of Dietrich Bonhoeffer who suffered martyrdom under the Nazi dictatorship in Germany Negotiating between Bonhoeffer s political approach and Naga

A History of Christianity in Asia, Vol. II Samuel Hugh Moffett,2014-07-30 The story of Christianity in the West has often been told but the history of Christianity in the East is not as well known The seed was the same the good news of Jesus Christ for the whole world which Christians call the gospel But it was sown by different sowers it was planted in different soil it grew with a different flavor and it was gathered by different reapers It is too often forgotten that the faith moved east across Asia as early as it moved west into Europe Western church history tends to follow Paul to Philippi and to Rome and on across Europe to the conversion of Constantine and the barbarians With some outstanding exceptions only intermittently has the West looked beyond Constantinople as its center It was a Christianity that has for centuries remained unashamedly Asian A History of Christianity in Asia makes available immense amounts of research on religious pluralism of Asia and how Christianity spread long before the modern missionary movement went forth in the shelter of Western military might Invaluable for historians of Asia and scholars of mission it is stimulating for all readers interested in Christian history
