Refresh My Heart In Christ Pauses On The Journey To God:

Refresh My Heart in Christ Rev Paul Leonard, Cahal B. Daly, 1992-07-01 Soul Reset Junius B. Dotson, 2019-09-01

Everything was going fine until it wasn't. For Reverend Junius B. Dotson it took an actual breakdown during a funeral for him to realize he needed a reset. As he recalls his own journey through grief, depression, burnout, and emotional breakdown, Dotson is passionate about calling for a Soul Reset for pastors, church leaders, and all disciples of Jesus Christ. This is a 6-week churchwide study for everyone who moves at breakneck speed through their daily lives, often relying only on their own strength to bring God's kingdom on earth. Jesus shows us a different way, an easier, unforced rhythm of what kingdom work looks like. It's a balance of work, rest, play, worship, exercise, and eating well, spiritual practices that keep our souls hydrated and healthy as we do the work of the church in the world. Soul Reset Breakdown Breakthrough and the Journey to Wholeness includes a book, a DVD, downloadable video segments, age-level discussion guides for children, youth, and adults, sermon starters, and more. Soul Reset is a call for the church and all of Jesus' disciples to reset and reorder their lives around spiritual practices to learn to walk through our difficult seasons with our souls connected to the source of Living Water, so that we don't burn out or break down. And if we do burn out or break down, we learn to lift one another up and point one another back to Jesus. The Reset DAVID STEVENS, 2011-11-04 If you suddenly discovered a reset button that if pushed would immediately undo all of your past mistakes and failures and would restore your current life to better circumstances would you be tempted to give it a try Most of us would but of course there is no such button However in THE RESET you will enjoy a 28 day journey that will enable you to reclaim the life that you should be living If you are ready for a fresh start now and a bright new hope for your future start today and read one chapter a day for the next 28 days Learn 7 life transforming Resets in 28 days and reclaim and finally live the life that God designed just for you THE RESET is both engaging and practical in its style but most

importantly it works When you end this 28 day reset journey you will put down a book but you will wake up each day thereafter with a new mind set ready to go out every day and live your life with overflowing confident hope Here are just a few of the highlighted quotes For all of us life is a journey and we really want to give it our best shot every day Even though we can only see in part where our daily journey is taking us and what the cumulative outcomes will be we would like to feel good about our efforts and ourselves at the end of each day It is quite a game changer when we realize that God thinks about us quite differently than most of us think about ourselves No other healing of a broken relationship in life compares to the restoration of your friendship with God I firmly believe that most of our defeats and setbacks in life come because we do not diligently guard our hearts God never engineered your hope tank to be empty or even half full Instead He intends for you to max out and overflow with hope so that some of His hope will spill out on others around you No matter what start you had you can now have a great finish

The Awesome Journey David Adam,2015-07-16 Drawing on a lifetime of Christian pilgrimage David Adam reflects on biblical encounters with the divine and offers profound insights on grief and glory emptiness and fulfilment repentance and forgiveness loving and being loved that will transform the way we live and the way we relate to God here and now For example God s question to Adam Where are you is relevant to us all Abraham s long journey of hearing and obeying and learning the art of having no agenda is ours too Jacob s great discovery that heaven is found on earth and earth is raised to heaven helps us become aware that we often already possess what we think we re searching for Moses desert experiences of grief and glory encourage us that we journey forward to the Promised Land while Elijah s powerlessness reminds us that God often calls us out of darkness and weakness for we may need stillness to hear him Written by a best selling author and distinguished spiritual director with a proven track record Inspires in us through Bible passages story poetry and meditation a sense of awe for the journey we are on and the courage to live life in abundance The understanding that God is as pervasive and perceptible as the atmosphere in which we are bathed Teilhard de Chardin comes through in all David s writing and his confidence and delight in the nearness of God is surely one of the reasons his books are so popular
