Miller, Laura Bernstein, 2006 **GROWING BEYOND OUR WOUNDED HISTORY** **Crossing the Deserts of Life** J. M.
Wright, 2009-12-29 I meditated on how I could establish a relationship with God I've come to believe that it was necessary for
me to encounter my past so that I would eventually seek Him In my life experiences I've always found myself wandering
and alone with no one to give me guidance or encouragement It seemed like I was bewildered and lost as I trudged through
my life My desert like crossings were emotionally and mentally exhausting but turn out to be a learning experience I
learned to journal some episodes of my past and this book is the reward of doing that I'm sometimes able to see the error of my
ways and now am capable to pray for change and not make the same mistakes again I've come to a place in my life where I
can see my emotional and spiritual growth from my book I saw how at times I was self absorbed and I did not trust anyone not
even God I'm able to reflect back on the struggles and confusion of my adolescent not knowing what direction to take never
making rational decisions Some of my experiences led me deep into the deserts and made me consider turning my life over to
God Never did I realize that these difficulties would catapult me to a spiritual dimension that revealed God's love for me
God still continues to develop and mature my relationship with Him I concluded that as long as I stayed self reliant and self
centered I would be distant from God then my relationship with others will remain empty and desolate like a desert Because of
His unconditional love for me He has led me to a place of rest and restoration away from the confusion in my desert an oasis
in the Desert **Dancing in the Desert Devotional Bible NLT** Tyndale, 2015-10-29 2016 Christian Book Award finalist
Bibles category Stories of Scripture are often portrayed two dimensionally making people in the Bible seem familiar
predictable even flat We don't always read their stories with much awareness of the pressures they faced the doubts they had
the assumptions they made or the alternatives they have chosen The Dancing in the Desert Devotional Bible in the New
Living Translation encourages readers to take an honest look at the people in the Bible Chris Tiegreen author of many
popular devotionals for both men and women has written 270 devotionals that explore the lives of people in the Bible and
how they faced their own life's wilderness and found meaning significance and purpose with God When we keep our gaze
fixed on a story bigger than our own lives we too can learn to dance in even the driest of our deserts *In Real Life* Jon
Mitchell, 2014-12-16 Technology can help us with some of our most difficult work It can also offer us endless distractions Can
technology help us as individuals and communities in our most important task that of being a good person Jon Mitchell sets
out to identify and explore the ways in which we can develop a more thoughtful relationship with technology Rather than
only using our technological devices as a medium for connecting with the world he recommends we rethink our relationship

with technology and see it as a resource that allows us to have a more intimate and personal relationship with ourselves and the world around us Mitchell offers concrete practices for streamlining and improving the way we use technology in our daily lives Writing in a relatable conversational easy to read style Mitchell draws on his years of experience as a tech journalist and mindfulness practitioner to propose a rethinking of both the design of technology and its use [Whitaker's Book List](#)
