Refugees From Militarism Draft Age Americans In Canada:

Refugees from Militarism Ren e G. Kasinsky, 1976-01-01 The Borderlands of the American and Canadian Wests Sterling Evans, 2006-01-01 The Borderlands of the American and Canadian Wests is the first collection of interdisciplinary essays bringing together scholars from both sides of the forty ninth parallel to examine life in a transboundary region The result is a text that reveals the diversity difficulties and fortunes of this increasingly powerful but little understood part of the North American West Contributions by historians geographers anthropologists and scholars of criminal justice and environmental studies provide a comprehensive picture of the history of the borderlands region of the western United States and Canada The Borderlands of the American and Canadian Wests is divided into six parts Defining the Region Colonizing the Frontier Farming and Other Labor Interactions the Borderlands as a Refuge in the Nineteenth Century the Borderlands as a Refuge in the Twentieth Century and Natural Resources and Conservation along the Border Topics include the borderlands environment its aboriginal and gender history frontier interactions and comparisons agricultural and labor relations tourism the region as a refuge for Mormons far right groups and Vietnam War resisters and conservation and natural resources These areas show how the history and geography of the borderlands region has been transboundary multidimensional and unique within North America Encyclopedia of North American Immigration John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more Refugees from Militarism Renee Goldsmith Kasinsky, 1971 **Unguarded Border** Donald W. Maxwell, 2023-05-12 Unguarded Border tells the stories of the 50 000 Americans who fled across the border to Canada in the 1960s and 1970s a migrant experience that does not fit the usual paradigms Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities permanently changing perceptions of military service nation and citizenship Cross-Border Cosmopolitans Wendell Nii Laryea Adjetey, 2022-12-06 African American history from 1900 to 2000 cannot be told without accounting for the significant influence of Pan African thought just as the story of twentieth century U S foreign policy cannot be told without accounting for fears of an African World In the early 1900s Marcus Garvey and his followers perceived the North American mainland particularly Canada following U S authorities deportation of Garvey to Jamaica as a forward operating base from which to liberate the Black masses from colonialism After World War II Vietnam War resisters Black Panthers and Caribbean students joined the throngs of cross border migrants to denounce militarism imperialism and capitalism In time as urban uprisings proliferated in northern U S cities the prospect of coalitions among the Black Power Red Power and Quebecois Power movements inspired U S and Canadian intelligence services to collaborate infiltrate and sabotage Black organizations across North America Assassinations of Black messiahs further radicalized revolutionaries rekindling the dream for an African World from Washington D C to Toronto to San Francisco to Antigua to Grenada and back to Africa Alarmed Washington s national security elites invoked the Cold War as

the reason to counter the triangulation of Black Power in the Atlantic World funneling arms clandestinely from the United States and Canada to the Caribbean and then to its proxies in southern Africa By contending that twentieth century global Black liberation movements began within the U S Canadian borderlands as cross border continental struggles Cross Border Cosmopolitans reveals the revolutionary legacies of the Underground Railroad and America s Great Migration and the hemispheric and transatlantic dimensions of this history *The International Refugee Crisis* Vaughan Robinson,2016-07-27 There may be 20 million refugees around the world today For many their search for freedom ends in camps in countries of first asylum There they wait for offers of permanent resettlement in the West This book explores how two countries traditionally noted for their humanitarian treatment of refugees have responded to the refugee crisis of the 1980s and 90s how they have recast their admission criteria developed reception policies and constructed resettlement programmes

Doctors beyond Borders Laurence Monnais,David Wright,2016-01-01 Doctors beyond Borders provides an essential historical perspective on the transnational migration of health care practitioners *Vietnam's Prodigal Heroes* Paul Benedikt Glatz,2021-01-12 Vietnam s Prodigal Heroes examines the critical role of desertion in the international Vietnam War debate Paul Benedikt Glatz traces American deserters odyssey of exile and activism in Europe Japan and North America to demonstrate how their speaking out and unprecedented levels of desertion in the US military changed the traditional image of the deserter **The United States and the Vietnam War, 1954-1975** Louis Peake,2007-11-13 The United States in the Vietnam War 1954 1975 is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of The United States in the Vietnam War 1954 1975 is an invaluable reference tool for researchers and students of the Vietnam War Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **Making Men, Making History** Peter Gossage,Robert Rutherford,2018-05-01 What has it meant to be a man in Canada Alexander Ross fur trader Percy Nobbs architect fisherman fencer Andy Paull residential school survivor and athlete Yves Charbonneau jazz musician and commune member James black and gay in postwar Windsor Who were these men and how did they identify as masculine

Populated with figures both well known and unknown *Making Men Making History* frames masculinity as a socially and historically constructed category of identity susceptible to variation across time place and social context This examination of historical Canadian masculinities reveals the dissonance between hegemonic ideals of manhood and masculinity and the everyday lives of men and boys The volume showcases some of the best new work in masculinity studies With an introduction that contextualizes the international origins of the field *Making Men Making History* is the first book to explore these themes entirely in Canadian historical settings **Vietnam 1964-1973 : an American dilemma. , Encyclopedia of American**

Social Movements Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice *Worth Fighting For* Lara Campbell, Michael Dawson, Catherine Gidney, 2015-04-02 Historians veterans museums and public education campaigns have all documented and commemorated the experience of Canadians in times of war But Canada also has a long rich and important historical tradition of resistance to both war and militarization This collection brings together the work of sixteen scholars on the history of war resistance Together they explore resistance to specific wars including the South African War the First and Second World Wars and Vietnam the ideology and nature of resistance national ethical political spiritual and organized activism against militarization such as cadet training the Cold War and nuclear arms As the federal government continues to support the commemoration and celebration of Canada's participation in past wars this collection offers a timely response that explores the complexity of Canada's position in times of war and the role of social movements in challenging the militarization of Canadian society

Peace Now! Rhodri Jeffreys-Jones, 2001-02-08 How did the protests and support of ordinary American citizens affect their country's participation in the Vietnam War This engrossing book focuses on four social groups that achieved political prominence in the 1960s and early 1970s students African Americans women and labor and investigates the impact of each on American foreign policy during the war Drawing on oral histories personal interviews and a broad range of archival sources Rhodri Jeffreys Jones narrates and compares the activities of these groups He shows that all of them gave the war solid support at its outset and offers a new perspective on this arguing that these outsider social groups were tempted to conform with foreign policy goals as a means to social and political acceptance But in due course students African Americans and then women turned away from temptation and mounted spectacular revolts against the war with a cumulative effect that sapped the resistance of government policymakers Organized labor however supported the war until almost the end Jeffreys Jones shows that this gave President Nixon his opportunity to speak of the great silent majority of American citizens who were in favor of the war Because labor continued to be receptive to overtures from the White House peace did not come quickly *Historical Dictionary of Canada* Stephen Azzi, Barry M. Gough, 2021-04-15 Canada has become a leader among the modern nations of the world It has emerged as a modern industrial nation and as a key player in the resource commodities

and financial institutions that make up today's world. This third edition of the Historical Dictionary of Canada contains a chronology, an introduction, and an extensive bibliography. It includes over 700 cross-referenced entries on a wide range of topics covering the broad sweep of Canadian history from long before European contact until present day. Topics include Indigenous peoples, women, religion, regions, politics, international affairs, arts and culture, the environment, the economy, language, and war. This is an excellent resource for students, researchers, and anyone wanting to know more about Canada. It introduces readers to the successes and failures, the conflicts and accommodations, the events and trends that have shaped Canadian history.

Northern Passage John Hagan, 2001-05-31 More than 50,000 Americans migrated to Canada during the Vietnam War. Hagan himself, a member of the exodus, searched declassified government files, consulted previously unopened resistance organization archives, and contemporary oral histories, and interviewed American war resisters settled in Toronto to learn how they made the momentous decision.

The Crosswinds of Freedom, 1932-1988 James MacGregor Burns, 2012-04-10 A Pulitzer Prize winner's immensely readable history of the United States from FDR's election to the final days of the Cold War. Publishers Weekly: *The Crosswinds of Freedom* is an articulate and incisive examination of the United States during its rise to become the world's sole superpower. Here is a young democracy transformed by the Great Depression, the Second World War, the Cold War, the rapid pace of technological change, and the distinct visions of nine presidents. Spanning fifty-six years and touching on many corners of the nation's complex cultural tapestry, Burns's work is a remarkable look at the forces that gave rise to the American Century.

The American Experiment James MacGregor Burns, 2013-05-21 The Pulitzer Prize-winning author's stunning trilogy of American history spanning the birth of the Constitution to the final days of the Cold War. In these three volumes, Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural, economic, and political events of American history. In *The Vineyard of Liberty*, he combines the color and texture of early American life with meticulous scholarship. Focusing on the tensions leading up to the Civil War, Burns brilliantly shows how Americans became divided over the meaning of Liberty. In *The Workshop of Democracy*, Burns explores more than a half-century of dramatic growth and transformation of the American landscape through the addition of dozens of new states, the shattering tragedy of the First World War, the explosion of industry, and in the end, the emergence of the United States as a new global power. And in *The Crosswinds of Freedom*, Burns offers an articulate and incisive examination of the US during its rise to become the world's sole superpower through the Great Depression, the Second World War, the Cold War, and the rapid pace of technological change that gave rise to the American Century.

Law and Asylum Simon Behrman, 2018-06-18 In contrast to the claim that refugee law has been a key in guaranteeing a space of protection for refugees, this book argues that law has been instrumental in eliminating spaces of protection, not just from one's persecutors but also from the grasp of sovereign power. By uncovering certain fundamental aspects of asylum as practised in the past and in present-day social movements, namely its

concern with defining space rather than people and its role as a space of resistance or otherness to sovereign law this book demonstrates that asylum has historically been antagonistic to law and vice versa In contrast twentieth century refugee law was constructed precisely to ensure the effective management and control over the movements of forced migrants To illustrate the complex ways in which these two paradigms asylum and refugee law interact with one another this book examines their historical development and concludes with in depth studies of the Sanctuary Movement in the United States and the Sans Papiers of France The book will appeal to researchers and students of refugee law and refugee studies legal and political philosophy ancient medieval and modern legal history and sociology of political movements

Eventually, you will categorically discover a additional experience and triumph by spending more cash. yet when? pull off you undertake that you require to get those all needs like having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more as regards the globe, experience, some places, gone history, amusement, and a lot more?

It is your no question own get older to measure reviewing habit. among guides you could enjoy now is **Refugees From Militarism Draft Age Americans In Canada** below.
