Tilawan, 2012-07-19 Inspiring entertaining intriguing and thrilling He had a smooth and great command of the English language that left one in no doubt of the type of education he had I was not particularly elated about getting a male caller The men have a way of drawing you to their problems which often had to do with their business deals or financial difficulties and you would end up giving the same advice all over again and thus turning the show to be a boring repetition of talks But with the ladies you are sure to bounce on an interesting topic that reveals a lot of a sleazy life history It was not that the men had no history of scandals of theirs to reveal but it was the ladies that normally were more imminent on their life stories Hello DJ SST he said He was definitely not a regular caller probably not even a first caller My buddies on the show were all used to calling me with just SST Yeah you are welcome to the motivation dance club on Peoples FM and what dance steps do you have for us today I asked in my usual polite and rehearsed manner of speaking to a new caller Really sir this is my first time he said rather apologetically I was right He was a first time caller And he was coming with this sir stuff that I haven't heard on the show for such a long time Since I became a buddy and household name to my callers in Lagos everybody was quick to address me just as SST There was no sir or Mr for me now For a caller not to call me with my familiar initials could imply he was a new person on the show as I call it And nobody wants to be seen as a new person on the show in Lagos Anyway I think I like the guy He sounded a little cultured and might even turn out to be a gentleman A gentleman in Lagos Well why not You never know as they say OK you are welcome to the motivation dance club and as you know I am DJ SST and we don't need introduction on the motivation dance club in Lagos We just need more people to move on to our dance floor and show us their dancing steps I was trying to loosen the tension that he exhibited in his voice Yes thanks sir he said **Police Instruction Book** Robert Peacock, 1900 Don't Leave God Alone Hank

Kunneman, 2012-10-08 In today's fast paced society it is easy to get distracted until your much needed time with God is lost But God wants your attention more than anything The Bible is filled with examples of great men and women who would not leave God alone Their cries to God changed their lives the lives of others and altered the course of history Don't Leave God

Alone explains the way to develop this type of personal relationship with God the kind that moves His heart and makes a difference in the world
