## **Refutation Of Moral Relativism Interviews With An Absolutist:**

A Refutation of Moral Relativism Peter Kreeft, 2009-12-04 No issue is more fateful for civilization than moral relativism. History knows not one example of a successful society which repudiated moral absolutes. Yet most attacks on relativism have been either pragmatic looking at its social consequences or exhorting preaching rather than proving and philosophers' arguments against it have been specialized technical and scholarly. In his typical unique writing style Peter Kreeft lets an attractive honest and funny relativist interview a Muslim fundamentalist absolutist so as not to stack the dice personally for absolutism. In an engaging series of personal interviews every conceivable argument the sassy Black feminist reporter Libby gives against absolutism is simply and clearly refuted and none of the many arguments for moral absolutism is refuted.

*How to Do Apologetics* Patrick Madrid, 2016-07-13 From one of the most respected names in Catholic Apologetics Patrick Madrid comes the new book *How to Do Apologetics: Making the Case for Our Faith*. And it couldn't be more timely. Seismic cultural shifts and increased attacks on religious liberty often place Christians in the uncomfortable position of having to defend their beliefs even their belief in God when their Faith is called into question by atheists, agnostics, Protestants or people from other religions. This book is the apologist's toolkit covering all the topics you need to understand and apply Patrick Madrid's own successful approach to giving reasons to believe. Using logic, arguments and evidence to defend the Truth. Apologetics with atheists, moral relativists and non-Christians. Special advice and examples for use with Protestants as well as lukewarm or inactive Catholics. Proven strategies for responding graciously to opponents. Making a compelling case for God, Jesus Christ and the Catholic Church. What you need to do apologetics well PLUS Patrick Madrid's recommended books, CDs and a glossary of key apologetics terms. Patrick Madrid shows how YOU can demonstrate confidently and effectively that Catholic teaching is reasonable, consistent and compelling. **The Challenge of Relativism** Patrick J.J.

Phillips, 2011-11-13 Offering a comprehensive overview and introduction to the concept of relativism and relativistic arguments, this book surveys important relativist philosophers both classical and modern. *The Moral Disciple* Kent A. Van Til, 2012-08-13 The ability to judge good from bad, right from wrong is a uniquely human characteristic. However, given the complexity of life, it is often difficult to discern which choice to make where our responsibilities lie or what the consequences of an action or of a nonaction will be. In *The Moral Disciple*, Kent Van Til surveys the skills and dispositions that we need to address moral issues responsibly. This basic introduction to Christian ethics, the systematic evaluation of morality, highlights the centrality of Christ and the Christian faith in moral formation and it offers an ethical framework to guide Christians as they engage a host of moral dilemmas including those surrounding wealth, sexuality and the end of life. Using easy-to-read prose and defining terms carefully, Van Til provides an accessible introduction to this crucial and practical subject.
