Regaining Consciousness Resuscitating The Soul:

Regaining Consciousness Frank J. Broucek, 2002-04-25 The last decade has seen a flurry of excitement among workers in neurobiology cognitive science Artificial Intelligence analytic philosophy and evolutionary psychology over the prospects of reaching a scientific understanding of consciousness Is this effort likely to be successful or not Your answer most likely depends on your philosophical commitments something that you probably don't question or think much about In this provocative work psychiatrist Frank Broucek takes a critical look at the taken for granted presuppositions underlying the scientific worldview to assess their adequacy for providing a valid framework for the understanding of consciousness He explores the many problems that face scientific materialism when it comes to understanding our mental life One such problem is trying to separate what can only be distinguished such as subject object consciousness world organism environment Broucek takes the reader through an exciting review of some of the recent literature on the brain and consciousness Darwinian evolutionary theory and the prospects of conscious machines Whether you agree with him or not you will find his excursion into the field of consciousness studies an intellectual tour de force with important spiritual implications

How to Die Consciously: Secrets from Beyond the Veil Diane Goble, 2011-10-29 The author had a near death experience in 1971 and was given certain information to bring back with her to share with others For the past 40 years she has been working in the field of death and dying as a spiritual counselor hospice volunteer and is the author of several books and a major NDE web site Beyond the Veil She recently created a training course to teach people to be Transition Guides for those who are getting ready to leave their bodies and return to their spiritual home according to their own beliefs Her message is that we don't die only our bodies die but we don't need them any more Our consciousness survives the death of our body We are beautiful spiritual beings of light on an eternal journey and shedding our skin is part of our spiritual growth and the evolution of consciousness How to Die Consciously is a handbook for caregivers and patients offering a simple method of meditation and guided imagery practice of remembering who we really are while still in our body by practicing to die consciously before we die physically so that when we do we are prepared and aware of what's happening when we find ourselves out of our body no matter how it died This book is for every one because we are all after all going to die one day but it is especially for anyone who has received a diagnosis of an illness that has even the slightest potential to cause death and for adult children caring for their aging parents It will help you and your family have the conversations you need to have about end of life care last wishes and quality of life and death It will help the person leaving reconcile their life and prepare for a peaceful transition on their own terms You'll find information about palliative and hospice care final arrangements and Death With Dignity laws You'll delve into the subject of near death experiences and the current research into the survival of consciousness and the ancient mysteries that gave birth to our understanding of death and the afterlife This is no ordinary book and it is guaranteed to change your life

The Spirit Ambulance Scott Stonington, 2020-08-25

The Spirit Ambulance is a journey into decision making at the end of life in Thailand where families attempt to craft good deaths for their elders in the face of clashing ethical frameworks from a rapidly developing universal medical system to national and global human rights politics to contemporary movements in Buddhist metaphysics Scott Stonington's gripping ethnography documents how Thai families attempt to pay back a debt of life to their elders through intensive medical care followed by a medically assisted rush from the hospital to home to ensure a spiritually advantageous last breath The result is a powerful exploration of the nature of death and the complexities arising from the globalization of biomedical expertise and ethics around the world

Reviving The 1980s - How A Family Thrived Together Erith Irwin, Before her death Zhou Xi never imagined she could be reborn Yet she found herself reborn in the 1980s in the body of a young woman and most importantly the original owner had left behind a pair of twin children a boy and a girl Whoa becoming a mother without any pain was truly a first time experience for Zhou Xi Surprisingly she adapted quickly Why Because although the family wasn't rich she had a golden cheat an entire spatial system that guaranteed she would never lack food or clothing Moreover this family placed no real restrictions or demands on the original owner meaning if she wanted to leave she could simply pack up and go Still since she had just arrived Zhou Xi decided to stay put for a while get familiar with the environment and in the meantime just muddle along and wait for time to pass in this backward and unfamiliar era However after getting familiar with everything her plan of lying flat and doing nothing gradually changed One step at a time she began to fulfill the dreams she had had in her past life passing university entrance exams starting businesses and making money One day as she stared at the growing balance in her bank account she fell into deep thought At that moment a strong armed man hugged her from behind and gently asked What's wrong Still feel like you're a little short of becoming a rich lady Don't worry I earned some more today I'll deposit it all into your account it's all yours

Souls in Love... Madly. Truly. Badal Verma,2022-08-20 Souls in Love Madly Truly is a love story that transcends time The book is premised on the imagination that everything is connected and everything that once lived lives on forever in the eternity of time The spinning wheel turns round and round in a circle One fate is tied to the next The thread red like blood cleaves together all our deeds One cannot unravel the knots but they can be severed Someone severed the knot of the protagonists with a sharp blade Yet something remained behind that could not be severed an invisible bond The bond is held together by a love that admits to hierarchical needs and is a subject of souls Love evolves with time and reaches an intermediate stage where souls fall in love and identical souls yearn to reunite much before the bodies meet each other The story of Souls in Love is a small part of the journey of love that is experienced by Rahul and Saral in their present life felt in a future life as Param and Sneha and again experienced in the next life where their identical souls reunite

as Abhay and Nusrat in most unlikely circumstances When they do so they feel the bond of love from their past lives The Creator communes with them through dreams imagination intuition hope longing and love to make them aware of such a bond between them But there is no way of knowing that ever Rahul and Saral or Param and Sneha or for that matter Abhay and Nusrat are just the names The choice of couple and or names are immaterial because souls are experiencing love through the bodies In that sense mythology defines every couple as cloud and rain that is Badal and Varsha Mishmi Verma Rao *Great British Spirit* Charlotte Browne,2020-10-15 The pride in who we are is not part of our past it defines our present and our future The Queen From Big Ben to James Bond from the Battle of Hastings to the Beatles from William Shakespeare to the Royal Family our tiny island nation has a famed and varied history But we are special as a country not just because of those who have gone down in history but for those who haven't In *Great British Spirit* we celebrate the incredible British national character our sense of community and the superhuman efforts of ordinary people across the United Kingdom providing the perfect antidote to the turbulent times we live in This book will champion our nation and its incredible people while remembering other incredible struggles we have overcome as a nation in the last century *Great British Spirit* will remind us all why being British is something not just to be proud of but to celebrate **He Dwells Among Us** William Emmanuel Abraham,2021-08-20 This book traces and clarifies steps towards the fulfillment of the promise to Abraham through the twists and turns of Israelite history to culminate in the unexpected manner of its fulfillment The manner of the fulfillment is to be understood not through prophecy but through Levitical Law which Jesus declared he had come to observe and not set aside To do otherwise would ignore that declaration and inevitably distort the nature of Jesus mission and salvific work This book accordingly provokes new questions but also leads to conformable answers Why would the magi come from Babylon to worship a Judahite baby Why was there the temptation in the wilderness Why did Jesus establish a priesthood How does Levitical law explain Jesus missing body Above all what does it really mean to say that the Son of God and Lord of life died *YER BORN, LIFE SUCKS, DEATH HAPPENS plus THE IRAQLE DEBACLE, A WRECK-TROSPECTIVE* appleton schneider,2011-02-11 Excerpts from my Existential Series herein just my thoughts and theories regarding various aspects of being and being human I derived these ideas and perspectives over my lifetime and wrote it up over a period of several years These pages contain my mind so to speak It and they seem unique I hope those who read will find interest in combining my ideas with theirs
