Lord Henry Carrington believes the world owes him and is a most cruel and hard master. When he finds out that the estate manager had embezzled from the estate, he wants the man to pay. Unfortunately, he is dead, and he has no sympathy for the widow whom he believes spent the money with her husband. But the simple Christmas story told by the destitute widow changes the heart of the very cold and embittered man, and the magic of the season brings love to two lonely hearts. **One**
