acquaintances is known to say Bob's your uncle Except that Amelia is so sincere so trustworthy so devoted to Caroline and it's possible that both she and princess are in grave danger Now Perry has a problem how does he tell the truth to the woman he's been lying to even as he falls in love with her Don't miss the book that precedes this story featuring Morgan Drummond The Butler Did It Michaels truly shines in this gem of a historical romance rich in witty dialogue and intriguing political maneuverings Review by Patty Engelmann American Library Association

Conflict and Colonialism in 21st Century Romantic Historical Fiction Hsu-Ming Teo, Paloma Fresno-Calleja, 2024-06-13 This book explores how postmillennial Anglophone women writers use romantic narrativisations of history to explore revise repurpose and challenge the past in their novels exposing the extent to which past societies were damaging to women by instead imagining alternative histories The novelists discussed employ the generic conventions of romance to narrate their understanding of historical and contemporary injustice and to reflect upon women's achievements and the price they paid for autonomy and a life of public purpose The volume seeks firstly to discuss the work of revision or reparation being performed by romantic historical fiction and secondly to analyse how the past is being repurposed for use in the present It contends that the discourses and genre of romance work to provide a reparative reading of the past but there are limitations and entrenched problems in such readings
