Rich Church--poor Church? Enzo Gatti, 1974 Rich Church--Poor Church? Some Biblical Perspectives Enzo Gatti, 1974 Sharing Possessions Luke Timothy Johnson, 2011-01-24 This book is written as an exercise in theological reflection on one of the knottiest questions imaginable the connection between being a Christian and the way we own and use things When we turn to thinking about money and possessions we find ourselves in murky waters The things we own and use like our sexuality lie close to the bone of our individual and collective sense of identity So writes respected scholar Luke Timothy Johnson in his introduction to Sharing Possessions What Faith Demands Stepping purposefully into the murky waters of owning and sharing Johnson endeavors to clarify and define the ambiguous concept of human possession especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness This second edition reflecting thirty years of Johnson's further thinking on the subject features chapters expanded with fresh insights helpful new study questions for each chapter and a substantial epilogue updating the work All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight Those for whom this is a first encounter will find out what made it worth reissuing after thirty years Sondra Ely Wheeler Wesley Theological Seminary **Catalog of Copyright Entries. The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master's Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible

Institute Bookstore Christian Discrepancy, Disputes, Disservice and Devious Behaviour: 'An Evangelical Perspective' Rev Anthony George Small, 2012-04-12 This book will give the reader a better understanding as to why there are different organizations denominations one Bible but so many interpretations conflicts and warfare among believers and corruption that is filtered down from leadership to the congregation as a spark that can either set off a fire or cause financial material and wealth gluttons to follow and pursue their devious ways of deception Jewish and Christian Views on Bodily Pleasure Robert Cherry, 2018-10-01 At the beginning of the Common Era Jewish renewal movements including Jesus ministry had similar views embracing moderate ascetic behavior Over the next three centuries however they moved in opposite directions Christianity came to firmly privilege anti pleasure views and female lifelong virginity while the Babylonian Talmud strongly embraced positive views on bodily pleasures and female sexuality The books most distinguishing feature is that it is the first time that one book contrasts in detail the evolution of Christian and Jewish ascetic beliefs More than other books it systematically presents the critical role played by Babylonian Jewry how they became the center of world Jewry with the virtual extinction of the Palestinian community their decisive rejection more so than the Palestinian community of any ascetic tendencies and how they came to migrate to the European continent during the medieval period It concludes by relating how the eighteenth century Hasidic movement and the nineteenth century Irish devotional movement reestablished the contrasting views that helps explain why Jewish immigrants and not Irish Catholics came to dominate twentieth century vaudeville *The One Another Principles* , **The Human Condition in Biblical Perspective** Harold C. Warlick, 1998 A renowned Christian communicator revises portions of his previously published material and together with a newly organized thematic format and updated focus addresses the religious issues and questions of our day In today s clamoring society Warlick applies theological reflection and ethical study to troubling and difficult issues Hal Warlick is a foremost Christian educator preacher who is not afraid to handle some of the most difficult theological and ethical issues But he writes every day language as he makes the connection between biblical concepts and emergent human conditions Each chapter is accompanied by Scripture reference and appropriate footnotes **A Gendered African Perspective on Christian Social Ethics** Joseph Loïc Mben, S.J., 2021-03-09 Combining Catholic social teaching feminist and African liberation theology and the social sciences Joseph Lo c Mben SJ develops a contextual gendered African Christian social ethic that addresses the oppression and marginalization of working women in Sub Saharan Africa He focuses primarily on African women from working and poor classes living in either urban or rural settings particularly in Cameroon and thus shows the necessity of inflecting Catholic social teaching along the differential of gender
