Curran,2006-01-01 Provides a systematic analysis of the moral theology that underlies Pope John Paul II moral teachings and its astonishing influence This book focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written to examine how well the pope has addressed the broad issues and problems in the Church **Rich in Mercy** ,2016 [The Mercy of God](#) Catholic Church. Pope (1978-2005 : John Paul II),Pope John Paul II,1980-12 Centering on the theme of mercy John Paul II hopes to underline this strongest attribute of God especially in the modern age He continues his discussion of world problems that was first began in Redeemer of Man teaching that love informed by God s mercy is the only response to these situations He appeals to the world s population to turn to the mercy of the Father and to find in God s love a refuge from the impersonal technologically driven world we live in *Gift of St. John Paul II*, The Cardinal Donald Wuerl,2013-10-22 Celebrate the upcoming canonization of John Paul II with The Gift of Saint John Paul II In this book Cardinal Donald Wuerl Archbishop of Washington captures the vision that John Paul had for the Church and the world Cardinal Wuerl is known for his gift of teaching the faith and in this book he explores the spiritual and pastoral wealth of John Paul s writings as found in his encyclicals and apostolic exhortations The Cardinal unfolds these treasures for us presenting not only St John Paul s teachings but also showing us how we can apply them in our lives Formerly available as The Gift of Blessed John Paul II This is a profoundly spiritual deeply theological and engagingly pastoral presentation of the faith of the Church the gospel imperative and its implications and applications to the circumstances of our lives Cardinal Stanislaus Dziwisz Archbishop of Krakow Poland and Personal Secretary to Pope John Paul II **The Legacy of Pope John Paul II** Alan Schreck,2012 Popes are the Church s chief shepherds While some focused on governing the Church and addressing challenges from the world others recognized their primary responsibility to proclaim and teach the Gospel Author Alan Schreck calls these the teaching popes and John Paul II was such a pope leading the Church and impacting the world with his witness and his teaching The encyclical letter has been in modern times the instrument for popes to express their most important teaching teachings that have lasting value for the Church and often for the whole world Dr Schreck invites the reader to become familiar with the encyclical letters of Pope John Paul II In The Legacy of Pope John Paul II Dr Schreck breaks down more scholarly writing into accessible language The reflection questions and suggestions for further reading at the end of each chapter help facilitate a systematic study of the central teachings of this brilliant but pastoral pope who conveyed the truth in love [Rich in Mercy](#) Pope John Paul II,2006 In his encyclical Rich in Mercy Dives in Misericordia St Pope John Paul II demonstrated how God the Father is rich in mercy through a masterful exposition of Scripture especially the Gospel parable of the Prodigal Son John Paul II rooted the message of God s mercy in both Scripture and Church Tradition speaking of how the merciful love of the

Father is revealed in Christ as the Incarnation of Mercy and the inexhaustible source of mercy Further St John Paul II as the Great Mercy Pope emphasized that Christ s messianic program the program of mercy must become the program of the Church Particularly in our modern times the Church has the right and duty to profess and proclaim God s mercy to introduce it and make it incarnate in the lives of all people and to call upon the mercy of God imploring it for the whole world This text is essential reading for every Catholic who desires to help carry on the legacy of the Great Mercy Pope Back cover

Healer of Souls Kathleen E. Quasey, 2008-06-13 We all have weaknesses that affect our body mind and spirit But it is our will to overcome them that decides how we live With men this is impossible but with God all things are possible Mt 19 26 Father Peter Mary Rookey O S M The healing priest Father Peter Mary Rookey O S M received Christs Gift of Healing in 1948 Since then thousands of healings have been reported worldwide Witness letters some with medical consensus have been submitted to the International Compassion Ministry When asked about the healings Father Rookey simply says I just do what He told us to do and the people are delivered and healed We are answering the last command of Jesus They shall lay their hands upon the sick and they shall recover Mk 16 18 For the first time in his own words Father Rookey explains his lifes journey that has been guided by his constant Yes to God With gentle humor and keen intelligence Father Rookey provides practical direction of how deepening trust in Gods Laws and Love leads to the healing of serious hurts and the overcoming of lifes most difficult challenges In the process Father Rookey says Our souls begin to recognize that we belong to Him and He is Love Ultimately filled with His Love we can give the gift of ourselves to Christ and His Love will come forth through us Nihil Obstat Rev Anthony J Brankin S T L Imprimatur Rev George J Rassas Archdiocese of Chicago November 2005 it is all I can do to put it down There is so much to this book The testimonies of numerous healings are wonderful to read The insights into Fathers life are also wonderful to read But perhaps the most important parts of this book deal with his answers to the insightful questions which the author asks For example in asking Father about spiritual enslavement he talked of conversion and turning away from serving Satan toward serving God Father says Thats what we are about in the healing ministry Although some sickness for example is allowed by God to purify us and sanctify us because there is no prayer no sanctifier like suffering Jesus Himself proved that by suffering terribly and even dying in agony to open the Gates of Heaven for us There is nothing compared with suffering to sanctify and to be a power for good in the world This is just a very small example of the wisdom contained in this book from Father Rookeys heart and mind Often times I had to reread what he said it is so beautiful and touching The numerous pictures throughout the book are amazing This is the first book I have ever read preparing to do a review that I do not feel qualified to review I have known Father Rookey for many years yet had no idea how brilliant a man he is I knew he was a holy man but had no idea the depth of his holiness I knew he healed many people but had no idea how many This book is a treasure Mary Sue Eck Editor Medjugorje Magazine I am 3 4 of the way done I am speechless My prayer life has changed because of this book I often find myself going through the motions at Mass praying as

though I should This book has helped me reflect on our religion Mass and the sacraments especially reconciliation The book about Father Rookey has had a deep impact on me Jamie I think it is the best book so far because of the vast amount of spiritual advice and information It should be read daily and the various chapters over and over again to absorb them because of the depth and intelligence of the advice Richard The Encyclicals of John Paul II Richard A. Spinello, 2016-12-08 Pope John Paul II was the second longest serving pope in history and the longest serving pope of the last century His presence was influential not only to Catholics but also throughout the world The Encyclicals of John Paul II is the first book to focus in depth on the pope s fourteen encyclicals through which he communicated many of the key themes of his papacy The first part of the book includes helpful background information a brief biographical sketch of John Paul II s life his intellectual formation and central theological themes of his papacy including some of the major controversies of the 20th century The first section of the book also provides invaluable background on the nature of an encyclical including the history of this papal document The second part of the book provides a thorough commentary on these encyclicals The encyclicals are grouped by theme introduced individually and analyzed to trace broad themes through John Paul II s work and theology The Encyclicals of John Paul II provides an important discussion of these key documents from John Paul II s papacy
