Martin Halliwell

Richard M Nixon 1913 Chronology Documents Bibliographical Aids:

Richard M. Nixon, 1913 Richard Milhous Nixon, United States. President (1969-1974 : Nixon), 1975 A chronology of the life of former president Richard M Nixon a compilation of twenty four of his speeches and a bibliography of books articles and documents by and about him

The Presidency of Richard Nixon Melvin Small, 1999 A lively anecdotal account features every facet of Nixon's controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos

Therapeutic Revolutions Martin Halliwell, 2013-04-19 Therapeutic Revolutions examines the evolving relationship between American medicine psychiatry and culture from World War II to the dawn of the 1970s In this richly layered intellectual history Martin Halliwell ranges from national politics public reports and healthcare debates to the ways in which film literature and the mass media provided cultural channels for shaping and challenging preconceptions about health and illness Beginning with a discussion of the profound impact of World War II and the Cold War on mental health Halliwell moves from the influence of work family and growing up in the Eisenhower years to the critique of institutional practice and the search for alternative therapeutic communities during the 1960s Blending a discussion of such influential postwar thinkers as Erich Fromm William Menninger Erving Goffman Erik Erikson and Herbert Marcuse with perceptive readings of a range of cultural text that illuminate mental health issues among them Spellbound Shock Corridor Revolutionary Road and I Never Promised You a Rose Garden this compelling study argues that the postwar therapeutic revolutions closely interlink contrasting discourses of authority and liberation

American Presidents of the 20th Century N. O. Kura, 2000 A bibliography that lists by president books journals reports and films of all American presidents of the 20th century

The American Presidents Norman S. Cohen, 1989 Following a thoughtful introductory overview of the presidency this volume is arranged chronologically and offers a selective list of primarily book length studies on each of the forty presidents and the presidency in general The critical annotations furnish insights into each book's contents and approach to the subject While other guides to the presidents and the presidency exist this one offers annotations far more extensive than are to be found elsewhere In addition the information covers the general historical problems related to any particular presidency and will assist the student in selecting topics for further school related research papers
