recent historians an unlikely liberal Nixon's Shadow rediscovers these competing images of the protean Nixon showing how each was created and disseminated in American culture and how Nixon's tinkering with his own image often backfired. During Nixon's long tenure on the national stage and through the succession of new Nixons so brilliantly described here, Americans came to realize how thoroughly politics relies on manipulation. Since Nixon, it has become impossible to discuss politics without asking: What is the politician's real character? How authentic or inauthentic is he? What image is he trying to project? More than what Nixon did, this fascinating book reveals what Nixon meant. The Publishers Weekly, 1972

Nixon's Secrets Roger Stone, 2014-08-11 Learn the inside scoop on Watergate, the Ford Pardon, and the 18-minute Gap. Roger Stone, The New York Times bestselling author of *The Man Who Killed Kennedy* and *The Case Against LBJ*, gives the inside scoop on Nixon's rise and fall in Watergate in his new book *Nixon's Secrets*. Stone charts Nixon's rise from election to Congress in 1946 to the White House in 1968, after his razor-thin loss to John Kennedy in 1960, his disastrous campaign for Governor of California in 1962, and the greatest comeback in American Presidential history. Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times, the myth of Watergate prevents a reappraisal of our 37th President, said Stone, whose book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy's murder. Stone reveals how the Kennedy's wiretapped Nixon's hotel room the night before the Nixon-Kennedy debate and stole Nixon's medical records from his psychiatrist's office. Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud, while Mayor Richard Daley stole Illinois, and how JFK actually lost the popular vote. Stone looks at the Nixon Presidency: the desegregation of the public schools, the progressive social programs, Nixon's struggle to end the war in Vietnam, the historic SALT arms reduction agreement with Russia, the saving of Israel in the Six Days War, the opening to China, and the disastrous decision to take America off the Gold Standard. The mainstream media's interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth, said Stone. A cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post. The author outlines how White House Counsel John Dean planned, pushed, and covered up the Watergate break-in, then sought to avoid responsibility for it. Stone examines the bungled Watergate break-in to determine what exactly Nixon's agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break-in to gain leverage over Nixon. Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination. Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro-peace détente foreign policy, his withdrawal of troops from Vietnam, his arms limitation agreement with the Soviets, and his opening to Red China. Discover how Vice President Spiro Agnew was set up to move him out of the line of presidential succession. Stone makes the compelling case that General Alexander Haig orchestrated Nixon's removal from office in a coup d'état and brokered the deal for his pardon. Finally, the public will learn

what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights **Nixon's Shadow** David Greenberg,2017-07-03 How an image obsessed president transformed the way we think about politics and politicians To his conservative supporters in 1940s southern California Richard Nixon was a populist everyman to liberal intellectuals of the 1950s he was Tricky Dick a devious manipulator to 1960s radicals a shadowy conspirator to the Washington press corps a pioneering spin doctor to his loyal Middle Americans a victim of liberal hatred to recent historians an unlikely liberal Nixon s Shadow rediscovers these competing images of the protean Nixon showing how each was created and disseminated in American culture and how Nixon s tinkering with his own image often backfired During Nixon s long tenure on the national stage and through the succession of new Nixons so brilliantly described here Americans came to realize how thoroughly politics relies on manipulation Since Nixon it has become impossible to discuss politics without asking What is the politician s real character How authentic or inauthentic is he What image is he trying to project More than what Nixon did this fascinating book reveals what Nixon meant *Publishers Weekly* ,1974 **On Nixon's Madness** Zachary Jacobson,2023-03-28 Was Richard Nixon actually a madman or did he just play one When Richard Nixon battled for the presidency in 1968 he did so with the knowledge that should he win he would face the looming question of how to extract the United States from its disastrous war in Vietnam It was on a beach that summer that Nixon disclosed to his chief aide H R Haldeman one of his most notorious risky gambits the madman theory In *On Nixon s Madness* Zachary Jonathan Jacobson examines the enigmatic president through this theory of Nixon s own invention With strategic force and nuclear bluffing Nixon attempted to coerce his foreign adversaries through sheer unpredictability As his national security advisor Henry Kissinger noted Nixon s strategy resembled a poker game in which he push ed so many chips into the pot that the United States foes would think the president had gone crazy From Vietnam Pakistan and India to the greater Middle East Nixon applied this madman theory Foreign relations were not a steady march toward peaceful coexistence but rather an ongoing test of mettle Nixon saw the Cold War as he saw his life as a series of ordeals that demanded great risk and grand gestures For decades journalists critics and scholars have searched for the real Nixon behind these acts Was he a Red baiter a worldly statesman a war criminal or in the end a punchline Jacobson combines biography and intellectual and cultural history to understand the emotional life of Richard Nixon exploring how the former president struggled between great effusions of feeling and great inhibition how he winced at the notion of his reputation for rage and how he used that ill reput e to his
