Richard Wagner The Man His Mind And His Music

Robert William Gutman

Richard Wagner The Man His Mind And His Music:

Richard Wagner Robert W. Gutman,1968 *Richard Wagner* Robert W. Gutman,1972 *Richard Wagner* Robert William Gutman,1968 A Companion to Wagner's Parsifal William Kinderman,Katherine Rae Syer,2005 These essays demonstrating and exploring the abiding fascination of Wagner s controversial work **Richard Wagner : !b the Man, His Mind, and His Music** Robert W. Gutman,1972 Richard Wagner and the Jews Milton E. Brener,2015-01-27 It is well known that Richard Wagner the renowned and controversial 19th century composer exhibited intense anti Semitism The evidence is everywhere in his writings as well as in conversations his second wife recorded in her diaries In his infamous essay Judaism in Music Wagner forever cemented his unpleasant reputation with his assertion that Jews were incapable of either creating or appreciating great art Wagner s close ties with many talented Jews then are surprising Most writers have dismissed these connections as cynical manipulations and rank hypocrisy Examination of the original sources however reveals something different unmistakeable undeniable empathy and friendship between Wagner and the Jews in his life Indeed the composer had warm relationships with numerous individual Jews Two of them resided frequently over extended periods in his home One of these the rabbi s son Hermann Levi conducted Wagner s final opera Parsifal based on Christian legend at Wagner s request no one Wagner declared understood his work so well Even in death his Jewish friends were by his side two were among his twelve pallbearers The contradictions between Wagner s antipathy toward the amorphous entity The Jews and his genuine friendships with individual Jews are the subject of this book Drawing on extensive sources in both German and English including Wagner s autobiography and diary and the diaries of his second wife this comprehensive treatment of Wagner s anti Semitism is the first to place it in perspective with his life and work Included in the text are portions of unpublished letters exchanged between Wagner and Hermann Levi Altogether the book reveals astonishing complexities in a man long known as much for his prejudice as for his epic contributions to opera **The New Grove Guide to Wagner and His Operas** Barry Millington,2006-08-15 One of the most controversial figures in the history of ideas as well as music Richard Wagner continues to stimulate debate whenever his works are performed Drawing upon the scholarship of The New Grove Dictionary of Opera the most comprehensive dictionary of opera in the world Barry Millington offers a concise portable survey and guide which will make a welcome addition to the shelf of anyone who loves opera Millington has completely updated the original pieces and contributed four new chapters on Wagner including a summary of Wagner productions from 1876 to the present day a suggested listening and viewing gyide complete chronology of Wagner s operas and a glossary of terms that will delight any opera goer In addition there are detailed entries on each of Wagner s operas a main biographical section and a group of separate articles on such topics as Leitmotif and Gesamtkunstwerk as well as a newly revised updated article on Bayreuth Complete with a new preface updated bibliography glossary and discography including first release dates of each recording The New Grove Guide to Wagner and his Operas furnishes both seasoned

Wagner lovers and neophytes with all they require for an in depth appreciation of this unique historical figure **The New Grove Wagner** John Deathridge,Carl Dahlhaus,1984 Contains a concise account of Wagner s life by John Deathridge and a treatment of Wagner s music aesthetics and individual operas and music dramas by Carl Dahlhaus which is a tour de force Joseph Kerman New York Review of Books **The Aesthetic State** Josef Chytry,2024-06-04 Shortly after the middle of the eighteenth century a number of thinkers from the German speaking lands began to create a paradigm drawn from their impressions of a distant historical reality ancient Athens added to it a new mode of thought modern dialectics and at times even paid homage to the ancient Greek deity Dionysos to materialize their longing for an ideal The influence of these forces came to permeate modern German consciousness deifying the concept and activity of art reviving the Platonic and Sanskrit vision of the cosmos as play and aesthetic creation and projecting a way of life and labor that would honor not the commodity but the aesthetic product With rigorous commitment to primary sources and an unflagging critical engagement with the ideas and concrete situations they raise Josef Chytry provides a comprehensive and extensive study of this central motif in German thought from Winckelmann to Marcuse Chytry takes aesthetic state to signify the concentrated modern intellectual movement to revitalize the radical Hellenic tradition of the polis as the site of a beautiful or good life The movement begins with the classicism of Winckelmann Wiemar aesthetic humanism Wieland Herder Goethe and Schiller s formal theory of the aesthetic state and continues through the idealism of the Swabian dialecticians Holderlin Hegel and Schelling and the realism of Marx Wagner and Nietzsche It culminates in the postrealism of Heiddegger Marcuse and the aesthetic modernist artist Walter Spies who initiated a dialogue with the non Western theatre state of the isle of Bali Josef Chytry concludes that the future speculation on the ideal of an aesthetic state must come to terms with the postrealist themes of ontological anarchy aesthetic ethos and theatre state In a bold effort to stimulate such speculation Chytry indicates how proponents of the aesthetic state might join forces with Rawlsian political theory to promote further the organon of persuasion that in his view serves as the common fount for the ancient dialectical and contractarian quests for the polis This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 **Wagner** Paul Lawrence Rose,1992-01-01 It has long been acknowledged that Richard Wagner was a virulent antisemite yet the composer has also been characterized as an idealistic revolutionary and historians have puzzled over the paradox of these conflicting elements in his character In this fascinating book Paul Lawrence Rose argues that Wagner did not suddenly change from a progressive revolutionary into a reactionary racist for him as for many other Germans the idea of revolution always contained a racial and antisemtic core Rose approaches Wagner on varying levels so as to see him as he really was he places Wagner within the context of mid nineteenth century German revolutionary culture he studies the

composer s whole range of theoretical and artistic works tracing his career and the evolution of his thought and he considers Wagner s personality and his personal relationships especially with those Jews who considered themselves his friends Rose demonstrates that Wagner s conversion to antisemitism dates not from 1850 the year in which his infamous essay Judaism in Music was published but from his conflict with the Jewish composer Giacomo Meyerbeer three years earlier over the Berlin production of Rienze This affects our understanding of the genesis of the Ring operas In addition Rose offers fresh and stimulating interpretations of Tristan und Isolde Die Meistersinger and Parsifal based on an analysis of their revolutionary and antisemitic elements

This Enthralling Realm of E-book Books: A Comprehensive Guide Unveiling the Pros of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent portability and simplicity of availability, have liberated readers from the limitations of physical books. Done are the days of carrying cumbersome novels or carefully searching for specific titles in bookstores.
