Riches Stored In Secret Places:

Riches Stored in Secret Places V. Davis, Verdell Davis, 1994 When Verdell Davis's husband was killed in a plane crash as he returned home from a Focus on the Family retreat in 1987 God showed Himself to her in ways she had never seen before Davis weaves the painful story of losing a loved one with beautiful poetry and heartfelt prayer A unique gift trimmed size book with classic cover art

Secret Trails and Buried Treasure Savta Chapman, 2015-07-27 Within every human spirit there exists a special place a place where the hopes and dreams of the imagination soar unchained from the slavery of logic and the tangible physical world A place where the supernatural culture of Heaven's Kingdom is the fullest reality For some visiting this unique place is a frivolous waste of time a mental blowing of dust bunnies For others this place becomes the mountain meadow within the soul the sweeping expanse of rugged peaks wildflowers and fragrant grasses where streams of pure glacial water tumble and crash in prismatic waterfalls where the spirit runs free dancing in worship and joy It is a place where the impossible flourishes where dreams survive the inferno of reality to become the miraculous wonders that draw us forward into the Father's presence It is a spiritual journey for the spiritual pilgrim it is the place where the supernatural is the expected reality It is a place where hardships devastations sorrow pain and peril pass through the savage cleansing fire to be transformed into a rare and priceless masterpiece of exquisite beauty If you are this kind of pilgrim on a spiritual journey come along on the secret trails to discover buried treasure in Heaven's Kingdom on the earth This Book 2 is a continuation of Book 1 of the Midwife's Heritage series and continues the exciting adventure that just happens to occur in the lives of two midwives These true stories will hopefully stir up curiosity expand your vision and wonder and awaken a hunger for the things unseen that can impact the birth of each new spirit vessel exponentially It is His story written through the lives of His people This is the Midwife's Heritage one that brings Glory to God our Father and brings us closer to the Father that is our God

No Ordinary View Naomi Reed, 2011-10-01 2009 Australian Christian Book of the Year Winner The Himalayan view from our back porch was normally breathtaking but that day I sat there and wondered Ten years of civil war a deteriorating health system an economic crisis and a political stalemate It was a background of hopelessness for the lives of our Nepali friends and the community that we lived in In such a setting of pain and darkness how could God reveal his nature And how could he call me by name I wasn't sure I didn't think it was possible From within the uncertainty of Nepal's civil war Naomi Reed continues the story of her family's desire to train Nepali physiotherapists and share God's love in word and action Her honesty and genuine longing to see God's purposes and sovereignty make this unforgettable reading While we as readers don't all live through times of war we all need to grow in our dependence on God in the hard times that we face Through reading this story we too will be inspired to trust the Lord the God of Israel who summons you by name
