**Peter Handke**

## **Ride Across Lake Constance Other Plays:**

*The Ride Across Lake Constance* Peter Handke, 2025-09-23 A collection of six plays by Nobel Prize winner Peter Handke spanning the early years of the Austrian playwright's career The first full length play *The Ride Across Lake Constance* is one of Handke's best known works It deals directly with one of Handke's favorite themes the realities of theater itself independent of the offstage world and the way language dialogue and objects props operate in the skewed world of the stage Therein it anticipates *They Are Dying Out* the second full length play in this volume In some ways more conventional than many of Handke's plays *They Are Dying Out* presents one of his most fascinating protagonists Quitt a businessman who first induces a group of colleagues to set up a monopoly and then torpedoes the scheme The four short plays that round out the book *Prophecy Calling for Help Quodlibet* and *My Foot My Tutor* were written before *The Ride Across Lake Constance* and show Handke moving from the experimental mode of his early work toward the richness and complexity that have marked him as the most important dramatist since Beckett Together Handke's plays bear witness to the truth of Richard Gilman's observation that in Handke's theater language exposed assaulted wrestled with driven to limits and pursued still further begins to take on like the color returning to the cheeks of a nearly hanged man the signs of a strange and unexpected resurrection

*The Ride Across Lake Constance and Other Plays* Peter Handke, 1976-01 **RIDE ACROSS LAKE**

**CONSTANCE & OTHER PLAYS. TRANS. M. ROLOFF.** Peter Handke, **The Jukebox and Other Essays on**

**Storytelling** Peter Handke, 2025-09-23 Nobel Prize winner Peter Handke offers three intimate eloquent meditations that map a self reflexive journey from Alaska to the Austria of his childhood while illuminating the act of writing itself In his *Essay on Tiredness* Handke transforms an everyday experience often precipitated by boredom into a fascinating exploration of the world of slow motion differentiating degrees of fatigue the types of weariness its rejuvenating effects as well as its erotic cultural and political implications The title essay is Handke's attempt to understand the significance of the jukebox a quest which leads him while on a trip in Spain into the literature of the jukebox the history of the music box and memories of the Beatles music in turn elucidating various stages of his own life And in his *Essay on the Successful Day* for which there is no prescription Handke invents a picture of tranquility using a self portrait by Hogarth as his point of departure to describe a state of being at peace Playful reflective insightful and entertaining *The Jukebox and Other Essays on Storytelling* constitutes a literary triptych that redefines the art of the essay and challenges the form of the short story confirming Peter Handke's stature as one of the most original and provocative of contemporary writers Lawrence Graver *The New York Times Book Review* *Across* Peter Handke, 2025-10-16 Those who gravitate to the regions where fiction poetry imaginative flights and speculative fancy converge constitute Handke's natural audience Publishers Weekly Nobel Prize winner Peter Handke's novel *Across* tells the story of a quiet organized classics teacher named Andreas Loser One night on the way to his regularly scheduled card game he passes a tree that has been defaced by a swastika Impulsively yet deliberately he tracks down the

defacer and kills him With this act Loser has crossed an invisible threshold and will be stuck in this secular purgatory until he can confess his crime

**Verbal Violence in Contemporary Drama** Jeanette R. Malkin,1992-04-23 This book considers a spectrum of post war plays in which characters are created coerced and destroyed by language

**The Second Sword: A Tale from the Merry Month of May, and My Day in the Other Land: A Tale of Demons** Peter Handke,2024-02-06 Two novellas by Peter Handke his first works to be published since he won the 2019 Nobel Prize in Literature The Second Sword and My Day in the Other Land are two novellas by the 2019 Nobel laureate Peter Handke The first picks up the story where Handke s last work of fiction The Fruit Thief described in The New York Times as an experience of unadulterated literature left off Here a man has returned to his home in the suburbs of Paris only to soon set out again Why We learn over the course of a story redolent of Handke s harrowing A Sorrow Beyond Dreams that he is seeking to avenge his mother who has been unjustly denounced in the pages of a newspaper The Second Sword is a suspenseful work of self examination Will the narrator s journey end in him throwing down the gauntlet My Day in the Other Land is the first work written by Handke after he was awarded the Nobel Prize Evoking imagery from the Bible and classical mythology it portrays a man who has been possessed by demons causing him to rage endlessly against the inhabitants of his rural village Aided by his sister he embarks on a journey to a lake on whose opposite shore lies the other land What ensues is an exorcism of sorts and one of Handke s most evocative and original endings Together The Second Sword and My Day in the Other Land are essential new entries in a body of work like no other

**Play Index** Estelle A. Fidell,1973

*On Drama* Michael Goldman,2025-10-01 The latest book by noted critic and scholar Michael Goldman provides fresh and unexpected insights into the role played by genre in the experience of drama Challenging the view that genre is by definition exclusion and that its policing of boundaries is out of place in the neighborhood of art Michael Goldman suggests that the lens of genre can provide keen insights for our understanding and appreciation of drama For Goldman it is important to consider drama as an experience an ongoing moment to moment process for audiences or readers Everything changes says Goldman when we stop to think of genre as not entirely unlike rhyme or ambiguity features whose primary interest for readers or audiences is as something that happens to us in a poem or play as it happens It is valuable to see that as it operates in drama the instability of the subject of genre has a specific and unique texture one that can offer useful insights into our experience as viewers of and participants in drama In this light discussions of genre can help us to understand what drama as a special kind of social practice does for and with our lives It is important that we work toward understanding the process of thinking about drama in this light that we understand the power and complexity of drama and Michael Goldman aims to do so in this book Michael Goldman is Professor of English Princeton University He is author of a number of books including Acting and Action in Shakespearean Tragedy Shakespeare and the Energies of Drama Ibsen The Dramaturgy of Fear and The Actor s Freedom Toward a Theory of Drama

**A History of Modern Drama, Volume II** David Krasner,2016-04-18 A History of Modern Drama Volume II

explores a remarkable breadth of topics and analytical approaches to the dramatic works authors and transitional events and movements that shaped world drama from 1960 through to the dawn of the new millennium Features detailed analyses of plays and playwrights examining the influence of a wide range of writers from mainstream icons such as Harold Pinter and Edward Albee to more unorthodox works by Peter Weiss and Sarah Kane Provides global coverage of both English and non English dramas including works from Africa and Asia to the Middle East Considers the influence of art music literature architecture society politics culture and philosophy on the formation of postmodern dramatic literature Combines wide ranging topics with original theories international perspective and philosophical and cultural context Completes a comprehensive two part work examining modern world drama and alongside A History of Modern Drama Volume I offers readers complete coverage of a full century in the evolution of global dramatic literature
