concentrating on first This beginner s handbook is an easy to use guide for anyone looking to learn how to ride motorcycles the right way from the beginning With over forty years of motorcycling experience I have by far seen my fair share of mistakes that motorcyclists including myself have made One of the biggest mistakes I see is people trying to learn too fast or trying to learn things that they don t need to know in their early stages of riding People often forget to begin at the beginning A child doesn t walk first they crawl The same thing goes for speech A child starts out making sounds before they begin to formulate words A lot of this is sometimes caused by people who are trying to be helpful by giving advice but are just confusing and scaring new riders unnecessarily Make no mistake motorcycling has its dangers just like anything else in life but continual training will help you to deal with whatever may come your way I created New Motorcycle Riders as an alternate source of learning for motorcyclists to help them learn the things that are not taught in classrooms Motorcycle courses are designed to teach you the basics but your real world experience is going to come when you hit the streets Motorcycling is a wonderful feeling so much that I couldn t imagine not doing it When I started riding things were very different There was no formal training and what you learned was limited to those who you were around Some of the terms that are used today weren t used back then even though many of the same principles they speak of today were implemented then Modern technology has made things that were impossible yesterday very possible today Not only have motorcycles progressed but motorcycle riders have too New Motorcycle Riders bridges the gap between riders from all over the world to help riders share information and experiences with others that could be beneficial to them We have one of the most diverse group of motorcyclists anywhere After reading this handbook I am certain you will recognize the value of the material and will have a clearer picture of how to properly train to be a motorcycle rider Enjoy the book and safe travels

McCarty,2006-07 The Future is a perennial topic of interest especially as it relates to the possible demise of humanity and this world we live in Join us as we peer into what the Bible says about a time of unprecedented natural disasters and plagues of disease Examine the instant disappearance of millions of people and discover the final destination of humanity In this book there are no wild notions or government conspiracy theories just a basic honest look at the future as it is spelled out in the Bible Along the way we will find that knowledge of the future creates a responsibility in the present I have traditionally shied away from the subject of eschatology because it generally degenerates into endless arguments about things that can never be fully known Phil s work affords a different and refreshing perspective He offers a reasonable interpretation of end time material with a unique orientation toward present day application I believe you will find his work equally readable helpful and inspiring Pieter K Van Waarde Pastor Woodcrest Chapel Philip McCarty does a great job of taking a Book that has been deemed controversial and not comprehensible by the masses and made it very understandable and practical for day to day living I highly recommend

*Revelation* Rob Dalrymple, 2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world's true Lord not Caesar In telling this story John lays out for us the fact that Christ's kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus's kingdom however comes through love In Christ's kingdom power is demonstrated by laying down one's life for one's enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God's end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus's call for us to love one another even as he loved us The book of Revelation tells a different story
