When I was a child, coon hunting and selling furs was a must for many families to survive. Some families lived on wild game through the winter for survival for their families. You will read all about this in the stories that I have collected from avid coon hunters. I have lived in Schuyler County all my life. I have had a lot of things happen in my sixty-nine years. I have been run off the road by other drivers, also did things that people go to jail for today. I also coon hunted from the time I was able to. I been lost many a night, ran out of gas on the river with other hunters, but it never stopped us from going again the next night. When buying furs, some people did not know one animal from another, as you will read in one of my friends' story who was also a fur buyer. If you have hunted at all, you will enjoy this book and will even bring some of your own memories alive.
