Riding For The Brand:

Riding for the Brand Michael Pettit, 2012-11-27 Folks all over West Texas and eastern New Mexico will tell you Cowdens have been ranching here for as long as anyone can remember The Cowdens in fact have been at the forefront of the cattle business for 150 years Arriving in Texas in the 1850s Cowden men and women raised and trailed cattle sought out water and better grazing land tangled with Comanches and helped extend the western line of Anglo settlement as they raised their families They eventually moved to New Mexico where they established the renowned JAL Ranch Award winning writer Michael Pettit a Cowden descendant and former rancher offers a compelling portrait of this genuine American ranching family *Riding for the Brand* spans six generations and two states to serve up a real slice of the Old West complete with cowboys and Indians cattle and buffalo open range and barbed wire Pettit skillfully blends family saga with an urbanite's firsthand look at life on today's 50 000 acre Cowden Ranch where the one dependable factor is the constant wind *Riding for the Brand* traces the evolution of the Texas and New Mexico cattle business from the era of intimate ranching communities to today's oil enriched or corporate operations But it's also the story of one man's search for identity through his connections to a family a place and a way of life

Riding for the Brand Louis L'Amour, 2005-08-30 The open West was a land where wanderers could find themselves a home one to fight for be changed by sometimes to die for Jed Asbury was one such journeyman taking on the identity of a dead person Allen Ring was another He'd won his plot of land in a card game only to find he had to win again with a gun From a has been boxer to a ranch hand taking on his boss's troubles the characters in these classic Louis L Amour short stories are all riding for the brand staying loyal to what matters staking the West with their courage and their blood

Riding for the Brand Jim Whitt, 2005-06 *Riding for the Brand* is a western that's set in the future It's a short novel about leadership human motivation and change The story revolves around two men Bob Fooshee a freelance writer and Burns Marcus a rancher who builds a business empire The year is 2030 and Fooshee is dispatched by a magazine to write about Marcus whose ranch was near bankruptcy 25 years earlier It was then that Marcus searching for answers attended the cattlemen's convention in San Antonio and heard a speaker who provoked him to radically change the way he approached his business This was the catalyst that led Marcus to start Diamond Enterprises which becomes the model organization of the 21st century While interviewing Burns at his ranch in Oklahoma Bob rides pasture ropes a few steers and discovers the key to Burns Marcus success the power of purposeful leadership

Riding for the Brand Wes Walton, 2025-06-26 This second book of *Riding for the Brand* is for a different brand a different season or era After founding and directing Lone Tree Bible Ranch in southeastern Wyoming for forty years Bobbie and I moved to Arizona and planted a cowboy church called Fire Rock Cowboy Church with this new brand or logo a backward F connected to an R circled with a C The name Fire Rock comes from Matthew 3:11 and Luke 3:16 where John the Baptist says Jesus will baptize you with His Holy Spirit and with fire And the Rock comes from a message taught at Lone Tree where I encouraged young people to get

out of the muck of their condition and stand on the rock of their position in Christ This entire book of life stories and messages is designed to encourage and inspire everyone to step out of religion and into a relationship with God Himself to get on this journey and experience of a lifetime Jesus told stories everywhere He went People could relate to His stories about fishing shepherding planting storms and climbing a mountain to get peace and rest He was about loving people where they were but loving them enough to stretch them beyond where they were To graduate to living equivalent to who Jesus says you are To start living out of their true identity To start experiencing a life of the impossible Let s start being the platform God can use to glorify Himself and honor Jesus

Jesus Many people are fascinated by the Cowboy way of life just look at the popularity of the show Yellowstone Many people have a romantic version of the Cowboy in their mind You know the white knight rides in to save the day or the battered weather beaten cowboy rides in to save a baby calf from predators Or they see the cowboy treating an animal and a child like they are the most important thing in the world or sticking up for someone in distress All these things are true and can be true but there is so much more to a Cowboy and the standard to which he holds himself But where does this come from This comes from Jesus being the true King of the Cowboys and exemplifying the character traits many associate with Cowboys But not only exemplifying but creating the standard to which most Cowboys hold themselves This book is about how Jesus shows us the Cowboy way by creating the tenants of the Cowboy Code in the way He lived His life He shows us that by following the tenants He has established we can have a Cowboys heart regardless of what we wear on our feet or our head or what profession we are in This book is about Jesus showing us the Cowboy Code and provides a story of a young horse and biblical truths to show each tenant of the Code In the simple manner that the context is explained it is hoped that the reader find meaning in the words here and if not a Christian becomes one **American Cowboy** ,1996-11 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of
