Thomas, 2003 **Riding on a Fine Line Through Time** R. Milnes, 2005-07 What happens when two girls time travel to each other's childhood Eleven year old Anisa suddenly finds that the world around her has changed Her aunt's farm looks a lot different than it did yesterday and the woman working in the barn is definitely not her mom And why is everyone calling her by her mother's name Veronica In a parallel world Veronica has also traveled to a different time Unsure what to do Veronica tries to fit in with her new family But the question remains why has this happened Both Veronica and Anisa are determined to uncover the mystery of their time travel experience Veronica's father might hold the answer But until they can discover the key to returning to their own lives they must deal with the perplexing questions surrounding them Will Veronica and Anisa uncover the secret of time travel or will their former lives be lost to them forever **Riding the Rim** Terry L. Forrette, 2010-08-11 *Riding the Rim* is one man's response to the catastrophic events in New Orleans following Hurricane Katrina The wetlands had been disappearing at an ever increasing rate over fifty years America's demand for oil combined with a mismanaged levee system had finally dealt a mortal blow to the defenses of New Orleans The city lay open to the wrath of a 20 foot wall of tidal surge We could not let this happen again Little was being done It was important that someone step up Someone did The audacious idea was that a guy on a motorcycle traveling 16 500 miles around the perimeter of the United States talking about coastal erosion just might call attention to the issue If this rider was also a trained public speaker with a passion for his message perhaps he could be the catalyst needed to raise awareness in the rest of the country There was no way to predict success There was risk as well as reward The author took the risk and discovered a nation genuinely concerned for New Orleans but with little understanding of the importance of the wetlands to the country's economy and security The wetlands are still endangered but one man stepped up and made his voice heard This is his story While many serve the cause of saving America's WETLAND Terry Forrette takes his show on the road mile by mile enlisting supporters These personal and sincere acts of advocacy are seldom recognized in a time of media hype but they are the
