**Rigby's Letters from France &c. in 1789** Edward Rigby,1880      **Historic Streets of Liverpool** David Paul,2018-06-15

Takes readers around Liverpool's oldest streets providing insight on their initial development how they have changed and the construction of notable buildings *Eleanor Rigby* Douglas Coupland, 2010-01-11 Liz Dunn is one of the world's lonely people. She's in her late thirties and has a boring cubicle job at a communications company doing work that is only slightly more bearable than the time she spends alone in her depressingly sterile box of a condo. Her whole life she's tried to get to the root of her sadness to figure out what she's been doing wrong with little success. But then one night in 1997 everything changes while standing in the parking lot of a video store arms full of sappy movies she's rented to help her convalesce from oral surgery she witnesses the passing of the Hale Bopp comet. For Liz this streak of light across the sky is a portent of radical change and for her radical change means finally accepting her lot. I realized that my life while technically adequate had become all it was ever going to be. No more trying to control everything it was now time to go with the flow. In that moment and for the first time Liz feels truly free. A day after Liz makes the decision to seek peace in her life rather than control along comes another comet in the form of a stranger admitted to the local hospital with her name and number inscribed on his MedicAlert bracelet. The young man it turns out is her son whom she gave up for adoption when she was sixteen. Jeremy shows the scars of his years as a foster child and his most recent drug reaction but is otherwise beautiful and charming. And when he moves in with Liz to recuperate it's as if both of them had been waiting for this moment all their lives. With *Eleanor Rigby* Douglas Coupland has given us a powerful and entertaining portrait of a woman who could be any one of us someone who thinks it is too late to make anything of her life who feels defeated by the monotony of her days yet who also holds within her the potential for monumental change and for great love. **Royal Blue Book**, 1904 *Awards ... Taken ... December, 1835*, 1836 Eleanor Rigby Zamir Osorov, 2014-06-18 This novel is as a keepsake. It comes to us from times irreversable when the Kyrgyz Republic was still solidly embedded in the USSR and few people dared to dream about an independent future. For most Kyrgyz contacts with the West were limited to the one way traffic of Beatles cassettes brought about by Soviet soldiers serving in Eastern Europe. In those late seventies early eighties a period of stability in Soviet history the events of this story take place. Four students experimenting with telepathy turn upside down their home village when one of them fixes in his dream a date with an english girl. In expectation of her arrival the students agitate the whole population to tidy up their houses the streets and in the meantime their morality. Kyrgyz tradition prescribes hospitality but the isolated village lacks of many elementary conveniences. By depicting the struggle with the bureaucratic authorities which the students have to fight in order to improve the life circumstances the writer shows the

defects of the political system The novel is a cultural critique a profound complaint against the mentality of inertness fostered throughout decades of Soviet rule Though the students are oriented to the West they love their homeland and keep hoping for a better future Now that reality has surpassed all dreams and Kyrgyzstan has become a democratic republic people ardently try to get rid of the past Contacts with the West flourish in the form of international organisations which aim to develop a civil society in Central Asia As a journalist the author is watching the changes in his country attentively His novel was an invitation for the West to come but the story doesn't end with it We can expect a following up since these times of transformation are fascinating for all who are interested in the young republics of the former USSR The editor Kirsten
