Right And The Good:

The Right and the Good William David Ross, 2002 *The Right and the Good* a classic of twentieth century philosophy by the great scholar Sir David Ross is now presented in a new edition Ross's book originally published in 1930 is the pinnacle of ethical intuitionism which was the dominant moral theory in British philosophy for much of the nineteenth and early twentieth century The central concern of the book is with rightness and goodness and their relation Ross argues against notable rival ethical theories The right act he held cannot be derived from the moral value of the motive from which it is done Furthermore rightness is not wholly determined by the value of the consequences of one's action whether this value is some benefit for the agent or some agent neutral good Rather the right act is determined by a plurality of self-evident prima facie duties Ross portrayed rightness and goodness as simple non-natural properties Philip Stratton Lake a leading expert on Ross provides a substantial new Introduction in which he discusses the central themes of *The Right and the Good* and clears up some common misunderstandings A new bibliography and index are also included along with editorial notes which aim to clarify certain points and indicate where Ross later changed his mind on particular issues Intuitionism is now enjoying a considerable revival and this new edition provides the context for a proper understanding of Ross's great work

The Right and the Good William David Ross, 2002 This is a classic of 20th century philosophy by the great scholar David Ross The book is the pinnacle of ethical intuitionism To Do the Right and the Good Elliot N. Dorff, 2004 A National Jewish Book Award Winner Rabbi Dorff focuses on the social aspects of the Jewish tradition while tackling such timely topics as poverty war intrafaith and interfaith relations and forgiveness In addition he discusses Jewish social ethics as they both relate to and contrast with Christian and American belief systems in modern society Dorff argues that Jewish sources when properly placed within the framework of the realities of our own times can provide important guidance for Jews on how to act in their daily lives

The Good, the Right, and the Real: Is Value a Fact? David Baggett, Professor of Philosophy/Scholar in Residence Jerry L Walls, 2025-09-03 The book argues for a strongly objective understanding of ethics Positive arguments in its favor are discussed and anticipated objections are answered Alternatives to objectivist views of ethics are considered at length Among such views include that all moral claims are false that no moral sentences express truth claims and that moral judgments derive their truth from the preferences or sentiments of human beings Having argued for a strongly objectivist understanding of morality the case is made that God deserves to be taken seriously as a contender for its best explanation

The Rights and the Wrongs of the Poor in a Series of Letters: Addressed to the Working-classes ... To which ... are Appended Six Letters to the Noblemen of England Thomas Brothers, 1842 **Pleasure and the Good Life** Fred Feldman, 2004-03-25 Since ancient times hedonism has been one of the most attractive and controversial theories In this text the author presents a careful modern formulation of hedonism defending the theory against some of the most important objections **The Foundations of Christian Bioethics** Hugo Tristram Engelhardt, 2000 For decades Engelhardt has

alluded to the ethics that binds moral friends While his Foundations of Bioethics explored the sparse ethics binding moral strangers this long awaited volume addresses the morality at the foundations of Christian bioethics The volume opens with an analysis of the marginalization of Christian bioethics in the 1970s and the irremedial shortcomings of secular ethics in general Drawing on the Christianity of the first millennium Engelhardt provides the ontological and epistemological foundations for a Christian bioethics that can remedy the onesidedness of a secular bioethics and supply the bases for a Christian bioethics The volume then addresses issues from abortion third party assisted reproduction and cloning to withholding and withdrawing treatment physician assisted suicide and euthanasia Practices such as free and informed consent are relocated within a traditional Christian morality Attention is also given to the allocation of scarce resources in health care and to the challenge of maintaining the Christian identity of physicians nurses patients and health care institutions in a culture that is now post Christian

An Overview of Aboriginal and Treaty Rights and Compensation for Their Breach Robert Mainville, 2001-04-01 A pressing issue today is how to compensate Aboriginal peoples for the infringement of their rights Aboriginal rights include more than a title within the fiduciary relationship between the federal government and Aboriginal peoples is the issue of compensation for the infringement of Aboriginal and treaty rights In an historical and legal context Mainville examines Aboriginal and treaty rights origins major Canadian court decisions that have defined them the impact of the Canadian Constitution and the limits to the government's ability to infringe upon Aboriginal and treaty rights Mainville argues that while Canadian law can provide guidelines for compensation expropriation law is inadequate to address the issue fully and instead provides clear and practical principles for compensation

Justice and Harmony Joshua Mason, 2022-08-16 Justice and harmony have long been two of the world's most treasured ideals but much of modern moral and political philosophy puts them on opposite sides of the divide between liberal theories of the right and communitarian theories of the good Joshua Mason argues that the encounter with their Chinese counterparts zhengyi and hexie can overcome this opposition revealing a pattern that reframes justice and harmony as mutually interdependent concepts in a three part framework of root harmony benhe harmonic justice heyi and just harmony zhenghe Broadly surveying the histories of western and Chinese moral and political philosophies Justice and Harmony Cross Cultural Ideals in Conflict and Cooperation explores our cross cultural conceptual inventories and develops a comparative framework that can overcome entrenched binary oppositions and reconcile these grand global values

Hermeneutics, Citizenship, and the Public Sphere Roberto Alejandro, 1993-07-01 This book sheds new light on the question of democratic politics by proposing a hermeneutic conception of citizenship and the public sphere At the same time it presents a critique of the postmodern arguments advanced by Richard Rorty Jean Francois Lyotard and Jean Baudrillard Questioning a dominant interpretation that sees Gadamer's hermeneutics as the expression of a conservative project Alejandro argues that it includes an important element of critique that could challenge dominant structures and practices

Right Actions and Good Persons Marjaana

Kopperi,2018-08-20 First published in 1999 this work tests the ancient against the modern in discussing whether modern approaches to ethics remain sufficiently able to provide a serious and justifiable account of morality Marjaana Kopperi explores ancient medieval and enlightenment philosophy to compare their notion of moral agents and the good life with the more action based notions of modern philosophy Kopperi aims to examine how the promoters of agent based ethical views deal with questions of what constitutes a good life and whether it can or should be quantified or justified The Enigma of Existence Pasquale De Marco,2025-07-10 This book explores some of the most fundamental questions about human existence What is the nature of reality What is the meaning of life What is the nature of consciousness What is the relationship between mind and body These are just a few of the questions that have occupied the minds of philosophers scientists and theologians for centuries In this book we will explore these questions from a variety of perspectives drawing on insights from philosophy science religion and personal experience We will not provide easy answers to these questions Instead we will provide a forum for discussion and debate We will explore the different perspectives that have been offered on these questions and we will encourage readers to form their own opinions We hope that this book will be a valuable resource for anyone who is interested in exploring the big questions about life We hope that it will spark new insights and lead to a deeper understanding of the human condition This book is divided into ten chapters each of which explores a different aspect of human existence The chapters are The Nature of Reality The Meaning of Life The Nature of Consciousness The Nature of Language The Nature of Morality The Nature of God The Nature of the Universe The Nature of Knowledge The Nature of Beauty The Nature of the Good Each chapter is divided into five sections each of which explores a different topic related to the chapter s main theme The topics are Chapter 1 The Nature of Reality The nature of existence The mind body problem The problem of other minds The nature of time The nature of space Chapter 2 The Meaning of Life The meaning of life The search for happiness The problem of suffering The role of death The afterlife Chapter 3 The Nature of Consciousness The nature of consciousness The relationship between consciousness and the brain The problem of free will The nature of qualia The nature of self Chapter 4 The Nature of Language The nature of language The relationship between language and thought The problem of reference The nature of meaning The nature of truth Chapter 5 The Nature of Morality The nature of morality The relationship between morality and religion The problem of evil The nature of virtue The nature of justice Chapter 6 The Nature of God The nature of God The problem of faith The problem of evil The nature of prayer The nature of miracles Chapter 7 The Nature of the Universe The nature of the universe The origin of the universe The fate of the universe The nature of life The nature of intelligence Chapter 8 The Nature of Knowledge The nature of knowledge The problem of skepticism The nature of belief The nature of truth The nature of rationality Chapter 9 The Nature of Beauty The nature of beauty The relationship between beauty and art The problem of taste The nature of aesthetics The nature of experience Chapter 10 The Nature of the Good The nature of the good The relationship between the good and the right The problem of

Judaism, Human Rights, and Human Values Lenn Evan Goodman, 1998 Following on the heels of his critically acclaimed *God of Abraham* Oxford 1996 Lenn E Goodman here focuses on rights their grounding in the deserts of beings and the dignity of persons In an incisive contemporary dialogue between reason and revelation Goodman argues for ethical standards and public policies that respect human rights and support the preservation of all beings animals plants econiches species habitats and the monuments of nature and culture Immersed in the Jewish and philosophical sources Goodmans argument ranges from the fetus in the womb to the modern nation state from the problems of pornography and tobacco advertising to the rights of parents and children individuals and communities the powerful and powerless the most ancient and the most immediate problems of human life and moral responsibility Guided by the probing argumentation that Goodman lays out with distinctive often poetic clarity the reader will emerge enlightened and prepared to respond with intelligence and commitment to the sobering moral challenges of the coming century This is a book for anyone concerned with law ethics and the human prospect

Hate Speech and Human Rights in Eastern Europe Viera Pejchal, 2020-04-03 Hate Speech and Human Rights Democracies need to understand these terms to properly adapt their legal frameworks Regulation of hate speech exposes underlining and sometimes invisible societal values such as security and public order equality and non discrimination human dignity and other democratic vital interests The spread of hatred and hate speech has intensified in many corners of the world over the last decade and its regulation presents a conundrum for many democracies This book presents a three prong theory describing three different but complementary models of hate speech regulation which allows stakeholders to better address this phenomenon It examines international and national legal frameworks and related case law as well as pertinent scholarly literature review to highlight this development After a period of an absence of free speech during communism post communist democracies have sought to build a framework for the exercise of free speech while protecting public goods such as liberty equality and human dignity The three prong theory is applied to identify public goods and values underlining the regulation of hate speech in the Czech Republic and Slovakia two countries that share a political sociological and legal history as an example of the differing approaches to hate speech regulation in post communist societies due to divergent social values despite identical legal frameworks This book will be of great interest to scholars of human rights law lawyers judges government NGOs media and anyone who would like to understand values that underpin hate speech regulations which reflect values that society cherishes the most

Aquinas, Aristotle, and the Promise of the Common Good Mary M. Keys, 2006-09-18 Publisher description

[Human Rights and the Negotiation of American Power](#) Glenn Mitoma, 2013-04-29 Through careful archival research Glenn Mitoma reveals how the U S government key civil society

groups Cold War politics and specific individuals led to America's emergence in the twentieth century as an ambivalent yet central player in establishing an international rights ethic Promoting Justice, Human Rights and Conflict Resolution through International Law / La promotion de la justice, des droits de l'homme et du règlement des conflits par le droit international Marcelo Kohen, 2006-11-01 This Liber Amicorum is published at the occasion of Judge Lucius Caflisch's retirement from a distinguished teaching career at the Graduate Institute of International Studies of Geneva where he served as Professor of International Law for more than three decades and where he has also held the position of Director It was written by his colleagues and friends from the European Court of Human Rights from universities all around the world from the Swiss Foreign Affairs Ministry and many other national and international institutions The Liber Amicorum Lucius Caflisch covers different fields in which Judge Caflisch has excelled in his various capacities as scholar representative of Switzerland in international conferences legal adviser of the Swiss Foreign Affairs Ministry counsel registrar arbitrator and judge This collective work is divided into three main sections The first section examines questions concerning human rights and international humanitarian law The second section is devoted to the international law of spaces including matters regarding the law of the sea international waterways Antarctica and boundary and territorial issues The third section addresses issues related to the peaceful settlement of disputes both generally and with regard to any particular means of settlement The contributions are in both English and French Human Rights and the Body Dr Annabelle Mooney, 2014-09-28 Human Rights and the Body is a response to the crisis in human rights to the very real concern that without a secure foundation for the concept of human rights their very existence is threatened While there has been consideration of the discourses of human rights and the way in which the body is written upon research in linguistics has not yet been fully brought to bear on either human rights or the body Drawing on legal concepts and aspects of the law of human rights Mooney aims to provide a universally defensible set of human rights and a foundation or rather a frame for them She argues that the proper frames for human rights are firstly the human body seen as an index reliant on the natural world secondly the globe and finally language These three frames generate rights to food water sleep and shelter environmental protection and a right against dehumanization This book is essential reading for researchers and graduate students in the fields of human rights and semiotics of law **Journal of Medieval Military History** Jan Van Camp, 2011-09-15 This series debates aspects of medieval warfare and this volume deals with warfare in the 15th century in particular Rawls and Law Thom Brooks, 2017-07-05 John Rawls 1921-2002 is widely held to be amongst the most important political philosophers for over a century This volume which is the first work of its kind to publish in one place the most influential essays in the field features articles on a wide range of subjects including constitutionalism democratic theory egalitarianism feminism global justice political liberalism the rule of law and public reason The collection informs scholars and students coming to the study of Rawls's work for the first time of the importance and complexity of Rawls's ideas and sheds light on how these ideas might be
