

Right Price How To Pay For Medical School And Feel Good About It

Janet Bickel

Right Price How To Pay For Medical School And Feel Good About It:

The Right Price Christine Wiebe, 1999-10-22 Those contemplating medical school have heard horror stories about the cost of medical education This book helps medical students determine the real cost of their education and the best way to finance it based on the school they choose The volume also includes references for funding sources and counseling Readers will learn The different costs of education depending on the school s selected and how great the final tally may be Alternative ways to finance medical education The types of service repayment plans offered by the military and other organizations How to adapt to a life of temporary debt and stay up to date on laws and policies that impact medical school debt How much does it really cost to be a doctor Can a student afford to obtain financial aid at a prestigious school knowing that they will end up owing years later while friends who choose to attend less expensive schools pay off debts quicker With an expert eye Christine Wiebe gives readers the real scoop on medical school weaving in the importance of spending money wisely and realistically Since many students focus all their efforts on being accepted into medical school instead of forming a realistic picture of the financial costs and benefits of becoming a doctor she gives advice on avoiding disillusionment and how to budget money She also stresses the importance of obtaining credit reports getting and paying off loans and figuring out how much the student s family should contribute For example one way to save money is to take advantage of programs that will pay for schooling in exchange for the promise to practice medicine at that location for a specified time This practical book can be a guide for anyone considering or already making the trek through medical school

The Right Price Christine Wiebe, 1999-10-22 Those contemplating medical school have heard horror stories about the cost of medical education This book helps medical students determine the real cost of their education and the best way to finance it based on the school they choose The volume also includes references for funding sources and counseling Readers will learn The different costs of education depending on the school s selected and how great the final tally may be Alternative ways to finance medical education The types of service repayment plans offered by the military and other organizations How to adapt to a life of temporary debt and stay up to date on laws and policies that impact medical school debt How much does it really cost to be a doctor Can a student afford to obtain financial aid at a prestigious school knowing that they will end up owing years later while friends who choose to attend less expensive schools pay off debts quicker With an expert eye Christine Wiebe gives readers the real scoop on medical school weaving in the importance of spending money wisely and realistically Since many students focus all their efforts on being accepted into medical school instead of forming a realistic picture of the financial costs and benefits of becoming a doctor she gives advice on avoiding disillusionment and how to budget money She also stresses the importance of obtaining credit reports getting and paying off loans and figuring out how much the student s family should contribute For example one way to save money is to take advantage of programs that will pay for schooling in exchange for the promise to practice medicine at that location for a specified time This practical book can be a guide for

anyone considering or already making the trek through medical school Getting In Paul Jung,1999-10-22 Getting In provides tough practical guidance on how to apply to medical school including the most common pitfalls and misconceptions and how to avoid them Drawing on direct experience of student counselling Paul Jung takes the prospective applicant through the application procedure from start to finish Self diagnostic sections are included **Women in Medicine** Janet Bickel,2000-04-21 Women in Medicine is a concise practical resource for anyone considering a medical career but especially women Drawing on all the best available literature and the experience of thousands of women doctors the book covers getting into medical school overcoming gender stereotypes finding a mentor combining parenting with a career and maximising career development The author also offers tips on building key professional skills and a self diagnostic section for readers who are preparing to begin a medical career Study Without Stress Eugenia G. Kelman,Kathleen C. Straker,1999-10-22 Too much to learn too little time Nothing characterizes the medical school experience better than this expression This book was developed from the author s study skills and stress management workshops for medical students It contains the keys to medical school academic survival enabling you to manage your time and develop optimal study habits Publisher description *Comprehensive Health Care Reform and Cost Containment* United States.
