Chinese Rules and Procedures for Addressing Mass Actions Cong-rui Qiao, 2024-08-10 This book unravels the intricate tapestry of Chinese state society and government citizen interactions in both legal historical and contemporary contexts Set against the backdrop of China's meteoric rise as a global economic and political powerhouse it presents a comprehensive and nuanced exploration of China's governance norms and their transformative evolution in the modern and contemporary eras The book analyses China's multifaceted governance landscape including its profound influence on the dynamics of government citizen interactions in contemporary China By introducing the concept of juridification it demystifies the complexities of Chinese governance traditions and transitions At its core the book reveals how legislative administrative and judicial authorities address the collective grievances of Chinese citizens Through a combination of historical legal and sociological analyses it equips readers with an understanding of the formal and practical mechanisms used by Chinese authorities spanning from the 1980s to the present to address mass actions In addition the book assesses an underexplored aspect the changing narratives and diverse perspectives found in news coverage of government responses to mass actions shedding light on the socialisation of principles of public accountability and the safeguarding of civil rights in China The book is intended to make the topic accessible to both scholars and an interested global audience helping them understand the Chinese legal governance model its underlying rationale recent developments and social implications *The Right to be Heard Framework* Adrienne Hopkins, 2012 Jus Populi Vindictum, or the People's Right, to defend themselves and their Covenanted Religion, vindicated. ... Being a fully reply to the first part of the Survey of Naphtaly, &c. [Written by A. Honyman, Bishop of Orkney, against a work entitled: "Naphtaly; or, the wrestling of the Church of Scotland," ascribed to Sir James Stewart and J. Stirling.] By a Friend to true Christian Liberty [i.e. Sir J. Stewart]., 1669 *The Debates of the Constitutional Convention of the State of Maryland, Assembled at the City of Annapolis, Wednesday, April 27, 1964* Maryland. Constitutional Convention, 1864 **Emerging Adulthood in Hong Kong** Chau-kiu Cheung, 2017-09-22 How emerging adults broadly referring to those aged from 18 to 29 years old fare in civic engagement as compared with other adults is the focus of the present work The work takes civic engagement to comprise prosociality in civil society sustaining social institutions and challenging institutions Delineating a theoretical framework based on voluntaristic theory the work expects to find differences in civic engagement due to the voluntaristic mechanisms of power realization utilitarian optimization normative conformity and idealistic consistency maintenance in the emerging adult as compared with the other Using survey data from 25 878 Chinese adults in Hong Kong the work illustrates that the emerging adult is higher than is the other in challenging social institutions notably in terms radicalism and occupying protest Moreover the emerging adult is less prosocial in terms in community participation Meanwhile the emerging adult is not consistently different from the other in sustaining social institutions The findings are crucial given the control various background characteristics including age

education marriage and employment These findings are therefore useful for illustrating social forces postulated in voluntaristic theory for explaining civic engagement

Global Governance in the Age of the Anthropocene Markus Fraundorfer, 2022-01-04 Why has global governance largely failed to effectively tackle some of the most pressing global environmental challenges of our time What are the obstacles to effective global and planetary problem solving And which solutions and responses have global governance actors come up with to confront these challenges This textbook teases out the tragic entanglements between dominant global governance dynamics and the global environmental challenges of the Anthropocene showing how international and global cooperation mechanisms that evolved over the last two hundred years are deeply implicated in exacerbating many of today's global environmental challenges The book focuses on several global environmental challenges which are intrinsically interconnected threatening to destabilise the entire Earth system with serious consequences for human societies across the world These global environmental challenges include infectious disease outbreaks global food production processes the pollution of freshwater resources energy consumption patterns deforestation and CO2 emissions At the same time the book also presents several alternative governance examples based on more democratic citizen based and holistic approaches to the global climate crisis which point the way towards a new understanding of global governance in the age of the Anthropocene This textbook is for undergraduate and postgraduate students of global governance environmental politics and international relations

Policy and Rights Challenges in Children's Online Behaviour and Safety, 2017-2023 Andy Phippen, 2025-01-11 This book evidences the cyclical failures of online safety policy and challenge conventional policy and educational approaches to tackling online harms and provide a robust argument for a critical evidence based approaches which align with the needs of those we claim to wish to protect It argues for a move away from knee jerk headline grabbing and subjective policy development In drawing parallels from the drug policy world contrasting the increasingly progressive and evidence based policy making in this space compared to prejudiced emotive developments in online harms

Challenges of Policing Democracies Dilip Das, Marenin Otwin, 2012-10-12 In this text the editors analyze the diverse situations that police forces operate under and the challenges that they face in different kinds of democracies This cross cultural comparison of various systems highlights the universal observation that police are an anomaly in a democracy and explores how various influences for example large scale social violence a zeal for crime fighting and vulnerability to temptation often find police incapable of behaving in a democratic manner Challenges of Policing Democracies goes beyond just showing the similarities and differences of the policing challenges democratic societies face it also examines the responses and remedies adopted by police in various countries at different levels of democratic achievement and how every

society struggles with the challenges of preserving democratic values without sacrificing the effectiveness of policing

Challenges for America in the Middle East Richard W. Mansbach, Kirsten L. Taylor, 2016-03-31 *Challenges for America in the Middle East* offers a comprehensive and contemporary analysis of the foreign policy challenges the United States faces in the Middle East. It takes a close look at the critical policy dilemmas posed by radical Islam, the Arab Spring, the Shia Crescent, and Israel-Palestine relations. Authors Richard W. Mansbach and Kirsten L. Taylor examine the issues from a historical perspective and in the context of the current state of affairs and analyze options for future action. Throughout the text, they emphasize the interplay of foreign and domestic issues in the United States and overseas and show how that interplay shapes American policy towards the region.
