the nearby village live in fear that he may choose them next to join him in his castle for a night of unbridled passion But when a goddess appears on his doorstep to punish him for his cruel ways Edward s days of being the strong savage conqueror in his bedroom are over Now cursed to reside in the delicate body of exactly the type of young woman he would have once used for his entertainment Edward must show that he has learned from his past mistakes With the help of his beautiful maidservant Jessica and a strapping young man from the village named Hans he sets out to experience life on the feminine side as Lady Bella and the two of them show him how to have more fun with his new body than he ever could have imagined having as a man But time grows short when the last petal falls from a magic rose gifted to him by the goddess if he has not yet proven that he is a changed man he may be stuck as the lovely Bella forever Can he break the curse in time or will he be trapped in the form of a young helpless woman for the rest of his living days Bed of Roses, Bed of Thorns Uta
