There are strange ideas that Christians have adopted over the centuries that are not based on the truths in God's Word. The Bible is logical. It makes sense. Come and meet the man Jesus who is called the Savior of the world. Discover Why Jesus

Jesus Christ for Contemporary Life Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness. Don Schweitzer moves from the historical Jesus to the present in three parts. In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space. Second, he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives. And finally, Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer. **The Passionate Jesus** Peter Wallace, Peter M. Wallace, 2012 A fresh and moving portrait of Jesus as a model for how to live more authentic, honest, and meaningful lives by fully experiencing our emotions in the love of God. Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence. He doesn't hurt, he doesn't fear, he doesn't laugh, and most tragically, he doesn't love very passionately. He seems not to feel at all. But a closer look at the Bible reveals something surprisingly different. In this eye-opening spiritual study, Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved, present, connected, honest, and direct with others. He was one who was deeply moved, as the writer of John's gospel put it, one who knew and embodied the emotions he felt and expressed them in honest, clear, and life-giving ways. Through Wallace's deeply personal insights and compelling stories and examples, you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life, particularly in your self-acceptance and self-expression, your relationships with others, and above all, your relationship with God. **The Parables of Jesus** Siegfried Goebel, 1883 **Nehemiah** T. J. Betts, 2020-06-24 Pursuing the glory of God. The book of Nehemiah highlights the priorities God's people should pursue and the principles needed to fulfill their mission. Bridging the gap between devotional and technical commentaries, *Nehemiah: A Pastoral and Exegetical Commentary* is an easy-to-understand exposition of this often overlooked Old Testament narrative. With a mixture of historical data and practical applications, T. J. Betts emphasizes the relevance of Nehemiah's message for believers today. **Jesus Christ: His Times, Life, and Work** Edmond Déhault de Pressensé, 1868 **Renewal Theology** J. Rodman Williams, 2011-05-03 *Renewal Theology* deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, *Renewal Theology* represents the first exhaustive, balanced articulation of charismatic theology. *Renewal Theology* discusses Book One: God, the World, and Redemption; Book Two: Salvation, the Holy Spirit, and Christian Living; Book Three: The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is

much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God Jesus Christ: his life and work, tr. [from Vie de Jésus-Christ, an abridged ed. of Jésus-Christ, son temps, sa vie, son œuvre] by A. Harwood Edmond Dehault de Pressensé,1871

Passionate Deification Henry L. Novello,2019-11-01 In the past the passions were regarded as sicknesses of the soul due to Adam s sin As the Redeemer Christ shares in our humanity and experiences the passions but given his divine status he quickly overcomes the passions by his superior reason as the Word In effect Christ is displayed as a Stoic sage who is unperturbed by the passions The book is critical of this traditional perspective for its inability to think of the Incarnation as the Word s real participation in our humanity Christ is not a Stoic sage who displays an uninvolved holiness but the Word become flesh who displays an astonishing breadth and intensity of emotional life which reveals what it means for the fullness of divinity to dwell bodily in him Reformed theology moved beyond the traditional perspective in affirming the strong emotions of Christ as proof of his humanity but Christ s divinity was given insufficient attention The book proposes a complex view of Christ s emotions which are regarded not merely as proof of his humanity but reveal the personal attributes of divinity communicated to his humanity To observe Christ s emotions is to witness the mutual interaction of humanity and divinity in his person which accomplishes our salvation deification To imitate Christ then means that Christ s emotions become the emotions of his followers so that by seeing as God sees and feeling as God feels they go forth in obedience to Christ s commandment to love one another as he has loved us which is to live the way of the cross for the sake of the ongoing embodiment of God in the world *Jesus Christ: His Times, Life, and Work. Translated from the French by Annie Harwood* Edmond de Pressensé,1871

The Politics of Jesus Obery M. Hendricks Jr, 2007-08-21 Who was Jesus And how was this first century political revolutionary whose teachings are meant to lead the way to freedom turned into a meek and mild servant of the status quo How is it possible to profess a belief in Jesus yet ignore the suffering of the poor and the needy Just how truly faithful to the vision of Jesus are the many politicians who claim to be Christian These are the kinds of questions Obery Hendricks a biblical scholar activist and minister asks in this provocative new book In this day and age of heated political debate Hendricks s *The Politics of Jesus* stands out as much for its brilliant re creation of the life and mind of Jesus of Nazareth as for its scathing critique of modern politicians of faith
