Rightfully His:

Marxism And The Moral Point Of View Kai Nielsen, 2021-11-28 Marxism and the Moral Point of View attempts to say what consistent Marxists working within the parameters of the canonical conceptions of Marxism should say about morality. This includes what they should say about the function of morality in society about the extent of moral comment they can justifiably make and about freedom equality and justice including the justice of whole social formations. Karl Marx and most Marxists follow him was opposed.

Character and Personality in the Novels of William Faulkner Ineke Bockting, 1995 Bockting has produced a work that focuses on the people that Faulkner created in his four major psychological novels: *The Sound and the Fury* 1929, *As I Lay Dying* 1920, *Light in August* 1932, and *Absalom Absalom* 1936. The author writes not about these people either as literary characters or as human beings but instead has allowed them to come alive in their own time through their own texts. Psychostylistics is the innovative approach to the literary character that Bockting employs, bringing together new developments in narrative psychology and psychiatry with literary stylistics and mind style to provide detailed textual and contextual evidence in support of its observations on personality.

Contents: The Literary Character Between Life and Linguistic Style, Mind Style in *The Sound and the Fury*, Multiple Voices in *As I Lay Dying*, *Light in August* and the Issues of Unreliability, *Absalom Absalom*, A Novel of Attribution, Character, Personality and Psychostylistics.

The Man From The Staked Plains Jack Sheriff, 2017-04-01 Young Gade Haggard rode south in search of an adventure but ended up fighting a war during which he saw his brothers hanged for desertion. And now the man who gave the fateful order is out to kill Gade.

SoulBreaker Terry C. Simpson, 2017-10-12 Chaos rules in the wake of Succession Day even in the heart of the Empire's capital Kasandar where commoners revolt and counts and priests plot. All across the world armies rise to strike at King Ainslen's fledgling rule. Queen Terestere is captured and returned to the city where they murdered her husband, intent on saving her people and set on vengeance. Keedar and Winslow hone their skills, one for a test that could mean his death and the other to help save the man he once called his father. Delisar languishes in a prison, soul magic siphoned by King Ainslen while his brother Thar plots to free him and discover a way to defeat the Farlanders. One thing will determine who lives or dies: wins or loses. The power of the soul.

Kharn Dar Naleidn Sheldyyn Khraii, 2010-12 In a world where magic is viewed by many to be evil, a young boy on the brink of manhood struggles to survive. An affliction he was born with, Ignorant that he possesses the ability of a Wizard, Sheldyyn lives each day unaware of the terrible secrets that are kept hidden from him. Neither his sister Jaiid nor he knows of who their parents are or where they are truly from. All is well until one day their lost past comes back to haunt them. Vicious creatures devastate their quiet mountain home and shatter their peaceful existence. An army of Turak Raiders marches against Ridgetown in search of a terrible weapon that once belonged to a great and powerful Warlord. If that wasn't enough, Sheldyyn's ability, which he knows only as a curse, is increasing in power as he turns seventeen. His episodes occur more frequently, leaving increasing amounts of destruction in their wake. So while the nobles

and warriors of the Free lands bicker amongst themselves over trivial matters of power and as an army of vengeful Turaks marches in war Sheldyyn struggles to survive his own battle with an ancient force dwelling inside of him that he can neither control or accept The Balance has been swayed Either it will be restored or all living creatures will be submerged into darkness and despair **The Quintessence Cycle** Terry C. Simpson, 2017-10-08 In Mareshna your soul is your magic The nobility will do anything to take it The Dracodar called it a game Far an Senjin The Game of Souls It is anything but Soul is life It is death It is the path to the throne But no human was ever born with the ability to wield all the soul cycles With soul magic the Dracodar ruled over humankind Until a mysterious plague befell the Dracodar killing millions A pestilence for which there was no cure A pestilence that left humans untouched Desperate to save their race the Dracodar bred with humankind And in so doing revealed a secret Humans could wield soul by ingesting Dracodar blood and flesh Humankind rose to overthrow the Dracodar They enslaved the creatures bred them like livestock Across the world of Mareshna Dracodar descendants are the lowest of the low the dregs fodder for human nobility But what has fallen may yet rise
