Rigid Scrutiny Critical Essays On The Ol:

Form Criticism of the Old Testament Gene M. Tucker, 1976 Because of its long oral tradition the Old Testament includes an array of different literary types and compositions Analysis of these genres in the biblical material is known as form criticism Gene Tucker draws on contemporary speech patterns to illustrate how the scholar pinpoints various categories or genres The basic principles of form criticism are outlined and many biblical examples given The story of Jacob's struggle at the Jabbok and the prophetic literature are treated in detail While form criticism does not solve all the interpreter's problems it forms an essential tool for exegesis and for recovering the living history of Old Testament literature *The Old Testament and Criticism* Carl Edwin Armerding, 1983 This is a print on demand book and is therefore non returnable Although many conservative scholars have had reservations about biblical criticism since its rise a century ago Carl Armerding contends that critical rationalism need not be antithetical to belief in a divinely inspired Word of God Indeed says Armerding the evangelical scholar mediating the traditional conservative view and the rational critical view of Scripture is able to use all the tools of historical philological and literary study while still retaining biblical categories of revelation inspiration and history Armerding applies this synthesis of approaches the traditional and the critical to four major branches of criticism literary or source criticism form criticism structural analysis and textual criticism Cautioning against misuse of these critical methods he demonstrates how each method can be conscientiously used by faithful scholars to enrich their understanding of the Old Testament text Of great value to scholars students and pastors Armerding's work promises to enrich study of the Old Testament much as George Eldon Ladd's book *The New Testament and Criticism* has enriched study of the New *The Elohist* Robert Karl Gnuse, 2017-02-07 Though many Old Testament scholars prefer no longer to speak of the Elohist source in the Pentateuch Gnuse seeks to defend the existence of this pentateuchal tradition by responding to scholarly critics isolating texts belonging to the source and offering a theological assessment of these texts Dream reports in ancient Near Eastern texts from the seventh and sixth centuries BCE bear striking familiarity with the biblical dream reports in the Elohist Prophetic narratives in the books of Samuel and Kings appear to have inspired the subsequent creation of the Elohist narratives in the Pentateuch Thus Gnuse situates the Elohist tradition in the seventh century BCE after the fall of the state of Israel in the north in 722 BCE which is a later date than scholars have attributed to this source in the past Because of this setting the Elohist texts may be assessed differently than they have been in the past The texts might have spoken to exiles from the northern state with themes that bespeak devotion to one God hope of restoration and absolute obedience to a transcendent deity who is revealed through dreams fire and prophets The author also ponders what these texts say to our modern age **Oral Tradition in Ancient Israel** Robert D. Miller II, OFS, 2011-09-08 Providing a comprehensive study of oral tradition in Israel this volume unpacks the nature of oral tradition the form it would have taken in ancient Israel and the remains of it in the narrative books of the Hebrew Bible The author presents cases of oral written interaction that provide the

best ethnographic analogies for ancient Israel and insights from these suggest a model of transmission in oral written societies valid for ancient Israel Miller reconstructs what ancient Israelite oral literature would have been and considers criteria for identifying orally derived material in the narrative books of the Old Testament marking several passages as highly probable oral derivations Using ethnographic data and ancient Near Eastern examples he proposes performance settings for this material The epilogue treats the contentious topic of historicity and shows that orally derived texts are not more historically reliable than other texts in the Bible

Sacred Ritual Bryan C. Babcock, 2014-05-12 Israelite festival calendar texts Exod 23 34 Lev 23 Num 28 29 Deut 16 and Ezek 45 share many features however there are also differences Some of the most often cited differences are the following festival dates festival locations date of the New Year festival timing and festival names Scholars have explored these distinctions and many have concluded that different sources authors redactors wrote the various calendars at different times in Israelite history Scholars use these dissimilarities to argue that Lev 23 was written in the exilic or postexilic era Babcock offers a new translation and analysis of a second millennium B C multimonth ritual calendar text from Emar Emar 446 to challenge the late dating of Lev 23 Babcock argues that Lev 23 preserves an early 2nd millennium West Semitic ritual tradition Building on the recent work of Klingbeil and Sparks this book presents a new comparative methodology for exploring potential textual relationships Babcock investigates the attributes of sacred ritual through the lens of sacred time sacred space and movement sacred objects ritual participants and ritual sound The author begins with a study of ancient Near Eastern festival texts from the 3rd millennium through the 1st millennium This analysis focuses on festival cycles common festival attributes and the role of time and space in ritual Babcock then moves on to an intertextual study of biblical festival texts before completing a thorough investigation of both Lev 23 and Emar 446 The result is a compelling argument that Lev 23 preserves an early West Semitic festival tradition and does not date to the exilic era refuting the scholarly consensus This illuminating reading stands as a model for future research in the field of ritual and comparative textual studies

Discerning Wisdom Matthew J. Goff, 2007 *Discerning Wisdom* provides an overview of all the Qumran wisdom texts The Dead Sea Scrolls offer crucial evidence for understanding the wisdom of the late Second Temple period and the reception of traditional wisdom in Early Judaism

The Oxford Handbook of the Psalms William P. Brown, 2014-02-28 The Psalms the longest and most complex book in the Bible is a varied collection of religious poetry the product of centuries of composition and revision It is the most transcribed and translated book of the Hebrew Bible Intended for both scholar and student The Oxford Handbook of the Psalms features a diverse array of essays that treat the Psalms from a variety of perspectives Beginning with an overview of the Psalms that touches on the history of scholarship and interpretation the volume goes on to explore the Psalms as a form of literature and a source of creative inspiration an artifact whose origins remain speculative a generative presence in Judaism Christianity and Islam and a still current text that continues to be read and appropriated in various ways Classical scholarship and traditional approaches as well as contextual

interpretations and practices are well represented The Handbook's coverage is uniquely wide ranging covering everything from the ancient Near Eastern background of the Psalms to contemporary liturgical usage This volume offers a dynamic introduction into an increasingly complex field and will be an indispensable resource for all students of the Psalms

Ancient Israelite And Early Jewish Literature Th. Theodoor Christiaan Vriezen, Adam Simon van der Woude, 2005 This introduction to the Old Testament Hebrew Bible offers a literary and historical critical approach containing some religious historical or theological explanations where appropriate Moses George W. Coats, 1988-02-01 Dr Coats widely recognized for his work over two decades on the Pentateuchal traditions here presents us with his distinctive portrait of Moses George Coats identifies two strands in the Moses tradition the tradition of the hero who represents the people of God and that of the man of God distinctly unheroic in folkloristic terms who represents God to the people This duality in the portrayal of Moses becomes evident already in the call narrative of Exodus 3 a narrative that should not be divided between J and E but reflects the most ancient perception of the character Moses and his significance *God at War* Thomas B. Dozeman, 1996 In *God of War* Thomas B. Dozeman examines ancient Israel's confessions of divine power in the exodus He interprets the story of the exodus as liturgy that undergoes change as Israelite worship was transformed through the experience of exile The reinterpretation of the exodus he argues was achieved through additions to the story and not through the writing of new versions

Perspectives on Israelite Wisdom John Jarick, 2015-12-03 This collection of essays examines the wisdom traditions of the Old Testament from a variety of angles The slipperiness of the concept of wisdom literature the transmission of wise advice for living rabbinic and patristic approaches to the Bible's wisdom traditions and cutting edge modern perspectives on such Old Testament books as Proverbs Job and Ecclesiastes are all to be found here In the tradition of the renowned previous volumes from the Oxford Old Testament Seminar *King and Messiah in Israel and the Ancient Near East* 1998 *In Search of Pre Exilic Israel* 2004 *Temple and Worship in Biblical Israel* 2005 and *Prophecy and Prophets in Ancient Israel* 2010 this new volume again brings the scholarship of the Oxford Seminar here focused on the rich subject of Old Testament wisdom traditions to an international readership The Pentateuch John Van Seters, 2015-09-24 In this magisterial overview of the Pentateuch John Van Seters reviews the various historical critical attempts to read it that arise from notions about the social evolution of Israel's religion and culture Is the Pentateuch an accumulation of folk traditions a work of ancient historiography a document legitimizing religious reform In dialogue with competing views Van Seters advocates a compositional model that recognizes the social and historical diversity of the literary strata Van Seters argues that a proto Pentateuchal author created a comprehensive history from Genesis to Numbers that was written as a prologue to the Deuteronomistic History Deuteronomy to 2 Kings in the exilic period and later expanded by a Priestly writer to make it the foundational document of the Jerusalem temple community This social science commentary on the Pentateuch is renowned as one of the most influential volumes on this group of texts For the new edition Van Seters has revised several

sections of the text updating and integrating new bibliographical items and refining the text where necessary A reflective preface summarizes these changes and developments for the reader s convenience The Origin and Character of God Theodore J. Lewis,2020-07-03 Few topics are as broad or as daunting as the God of Israel that deity of the world s three monotheistic religions Judaism Christianity and Islam who has been worshiped over millennia In the Hebrew Bible God is characterized variously as militant beneficent inscrutable loving and judicious Who is this divinity that has been represented as masculine and feminine mythic and real transcendent and intimate The Origin and Character of God is Theodore J Lewis s monumental study of the vast subject that is the God of Israel In it he explores questions of historical origin how God was characterized in literature and how he was represented in archaeology and iconography He also brings us into the lived reality of religious experience Using the window of divinity to peer into the varieties of religious experience in ancient Israel Lewis explores the royal use of religion for power prestige and control the intimacy of family and household religion priestly prerogatives and cultic status prophetic challenges to injustice and the pondering of theodicy by poetic sages A volume that is encyclopedic in scope but accessible in tone The Origin and Character of God is an essential addition to the growing scholarship of one of humanity s most enduring concepts **The Promise of the Land as Oath** Suzanne Boorer,2013-02-06 No detailed description available for The Promise of the Land as Oath *New Exodus in Hebrews* Bong Chur Shin,2019-01-03 For many readers the Epistle to the Hebrews is among the most difficult books of the New Testament Korean scholar Bong Chur Shin s work provides a welcome insight into interpretive issues for the biblical scholars The book provides an exegetical framework which helps readers navigate the meaning of the text Shin examines the epistle in the light of the New Testament s New Exodus imagery This book discusses the underlying themes of Hebrews First of all corporate deliverance and Christ as a royal priest who by means of his redeeming sacrifice leads his people out of exile He also provides for them during their pilgrimage journey The author provides an interpretative key which helps unlock a fuller understanding of the epistle in its original context *A Voice Without End* Andrew C. Witt,2021-03-24 The past fifty years have seen a strong interest in the shape and the message of the book of Psalms In *A Voice Without End* Andrew C Witt evaluates the significance of Psalms 3 14 and in particular the presence and function of the figure of David Using representative interpreters and canonical and literary approaches Witt uncovers how the book of Psalms develops its own speaking personae He argues that the introduction to the book in Psalms 1 2 and the association with David in the superscriptions set up the figure of David as the principal voice within Psalms 3 14 constructing a Davidic persona who can speak as an ideal and representative figure as well as a typological figure in expectation of the establishment of a just kingdom in the context of the Davidic promises In addition to its original analysis of Psalms 3 14 this study contributes to Psalms research by sharpening our understanding of the Davidic voice and by showing that key themes and motifs at the seams of the Psalter and in its thematic center are already active and engaged at the very beginning Further it helps to

bridge premodern and modern psalm interpreters by demonstrating the ongoing value of premodern conceptual models for analyzing voices in the text Pathbreaking and eminently readable this book changes both the way we read the Psalter and how we understand its relationship with David It will appeal to biblical studies scholars and seminarians *Nahum Duane L. Christensen*,2009-01-01 The Anchor Yale Bible is a fresh approach to the world's greatest classic Its object is to make the Bible accessible to the modern reader its method is to arrive at the meaning of biblical literature through exact translation and extended exposition and to reconstruct the ancient setting of the biblical story as well as the circumstances of its transcription and the characteristics of its transcribers It is a project of international and interfaith scope Protestant Catholic and Jewish scholars from many countries contribute individual volumes and is an effort to make available all the significant historical and linguistic knowledge which bears on the interpretation of the biblical record It is aimed at the general reader with no special formal training in biblical studies yet it is written with the most exacting standards of scholarship reflecting the highest technical accomplishment Vol 1 p ii

Faith, the Fount of Exegesis Ignacio Carbajosa,2013-09-30 This book is a response to a desire expressed by the then Cardinal Joseph Ratzinger the future Pope Benedict XVI who called for a diachronic study of the results of the historical critical method The study of the last 150 200 years of biblical research shows how the claim to scientific rigor made in many works that is the claim to have obtained results comparable in their certainty to those of the natural sciences is clearly unrealistic This is a comprehensive analysis of the results of almost two centuries of the historical critical method in two areas the investigation into the sources of the Pentateuch and the study of the figure of the prophet It reveals the philosophical and cultural presuppositions which influenced the development of exegesis and its most notable hypotheses demonstrating the world of prejudices which frequently have conditioned the exegesis called scientific It also engages the characteristic dimensions of the Catholic interpretation of the Old Testament attempting to unify the two basic dimensions of the exegetical method history and theology Overcoming the disconnect between scientific exegesis and believing theology is one of the great contemporary challenges to the intellectus fidei This dualism cannot be overcome simply by a call to greater devotion or the generous intention of adding pious commentary to an exegesis which has not from the beginning been based on faith This book provides a positive contribution to the hermeneutical problem at the heart of current exegetical debate the status of exegesis addressing such questions as Does exegesis have a theological character Should it have one If it does have one would it not then lose its scientific character Thus one arrives at the main question how can one conceive of an exegesis that is at the same time critical and theological How can faith be the foundation of exegesis from the beginning Could Faith really be the Fount of Exegesis [Royal Motifs in the Pentateuchal Portrayal of Moses](#) Danny Mathews,2012-05-24 Moses is portrayed through the use of royal motifs his abandonment at birth flight from Pharaoh portrayal as shepherd temple builder military general and lawgiver **Judges** Susan Niditch,2011-03-01 Susan Niditch's commentary on the book of Judges pays careful attention to the literary and narrative

techniques of the text and yields fresh readings of the book's difficult passages: stories of violence, ethnic conflict, and gender issues. Niditch aptly and richly conveys the theological impact and enduring significance of these stories. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Rigid Scrutiny Critical Essays On The Ol Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rigid Scrutiny Critical Essays On The Ol has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rigid Scrutiny Critical Essays On The Ol has opened up a world of possibilities. Downloading Rigid Scrutiny Critical Essays On The Ol provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rigid Scrutiny Critical Essays On The Ol has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rigid Scrutiny Critical Essays On The Ol. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rigid Scrutiny Critical Essays On The Ol. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rigid Scrutiny Critical Essays On The Ol, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rigid Scrutiny Critical Essays On The Ol has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rigid Scrutiny Critical Essays On The Ol Books

1. Where can I buy Rigid Scrutiny Critical Essays On The Ol books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
